

TechnipFMC Awarded a Significant Integrated EPCI (iEPCI™) Contract for the ConocoPhillips TOR II Development

April 23, 2019

LONDON & PARIS & HOUSTON--(BUSINESS WIRE)--Apr. 23, 2019-- TechnipFMC (Paris:FTI) (NYSE:FTI) has been awarded a significant⁽¹⁾ integrated Engineering, Procurement, Construction and Installation (iEPCI™) contract from ConocoPhillips for the TOR II development, located in the Norwegian sector of the North Sea at a water depth of 80 meters.

This contract covers the delivery and installation of a subsea production system including installation of umbilical, rigid flowlines and associated subsea equipment.

Arnaud Pieton, President Subsea at TechnipFMC, commented: *"This is the first iEPCI™ award by ConocoPhillips. Through early engagement and collaboration, with ConocoPhillips we engineered an integrated subsea solution enabling first oil sooner than with a traditional project execution. We have partnered with ConocoPhillips in the Ekofisk area on several projects and are honored that ConocoPhillips is expanding its scope with us, embracing our innovative and comprehensive approach."*

⁽¹⁾For TechnipFMC, a "significant" contract ranges between \$75 million and \$250 million.

Important Information for Investors and Securityholders

Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "believe", "estimated" and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.

About TechnipFMC

TechnipFMC is a global leader in subsea, onshore/offshore, and surface projects. With our proprietary technologies and production systems, integrated expertise, and comprehensive solutions, we are transforming our clients' project economics.

We are uniquely positioned to deliver greater efficiency across project lifecycles from concept to project delivery and beyond. Through innovative technologies and improved efficiencies, our offering unlocks new possibilities for our clients in developing their oil and gas resources.

Each of our more than 37,000 employees is driven by a steady commitment to clients and a culture of purposeful innovation, challenging industry conventions, and rethinking how the best results are achieved.
