

Aviation fueling management system

Complete airport measurement solutions

A single source supplier of aviation fueling equipment and systems

Benefits

- ▶ Integrated solutions tailored to client needs
- ▶ System reliability
- ▶ User friendly systems and easy dispatching of product
- ▶ Data management
- ▶ Improved operational efficiencies
- ▶ Decreased downtime
- ▶ Aftermarket services
- ▶ Comprehensive product training

TechnipFMC delivers complete airport measurement solutions through its Smith Meter and Sening product lines. For more than 150 years combined, these two product lines have manufactured equipment and designed solutions that offer our clients reliability and operational ease while meeting the highest safety standards.

Backed by years of experience in the aviation industry, we provide integrated, technical solutions that increase efficiency and reduce operational costs in aviation supply chain management.

As your trusted partner, our tailored approach will deliver cost-effective solutions for your specific application and operational needs. From traditional mechanical equipment to state-of-the-art electronic systems, we can help you make refueling faster, safer and more profitable.

Through our technical knowledge and full range of products, we offer components you can trust to build reliable and safe aviation refueling systems.

Our products

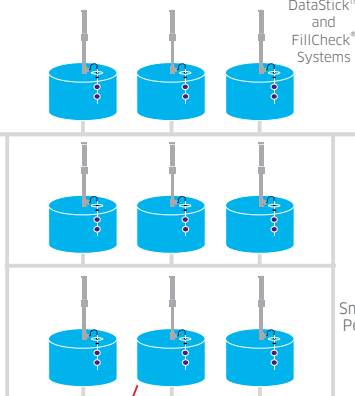

- Smith Meter® ASF-4-NF Aviation Meter
- Smith Meter™ PRIME 4 Meter
- Smith Meter™ Turbine Meters
- Smith Meter™ AccuLoad IV
- Smith Meter™ microLoad.net
- Sening® MultiFlow
- Sening® Aviation Additive Injector
- Sening® Truck Fittings
- Sening® API Coupler
- Sening® Centrifugal Pump
- Sening® MultiControl Deadman/Remote

Aviation fueling management system:

Innovative Sensor Solutions, LTD Components

- ▶ FuelCheck® Controller
- ▶ FuelCheck® Probe
- ▶ FuelCheck® Fiberoptic
- ▶ Pipeline Interface Detection
- ▶ DataStick™ and FillCheck® Receivers and Transmitters

Tank Farm

DataStick™ and FillCheck® Systems

Smith Meter® Sentry Series Turbine Meter

Product Pipeline

Innovative Sensor Solutions, LTD. FuelCheck Controller

Truck Offload

Load Rack

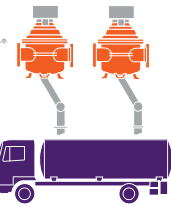

Smith Meter® AccuLoad IV

Smith Meter® PD Meter

Load Rack

Smith Meter® microLoad.net and Card Reader

Smith Meter® PD Meter

Commport Software Modules

- ▶ Tank Gauging
- ▶ Dispatching
- ▶ GPS w/Geofencing
- ▶ Electronic Badge Reader
- ▶ Encrypted RF
- ▶ Leak Detection
- ▶ Inventory and Reconciliation

Commport

- ▶ Data Gathering Translation and Communication Port for Airlines

Airlines

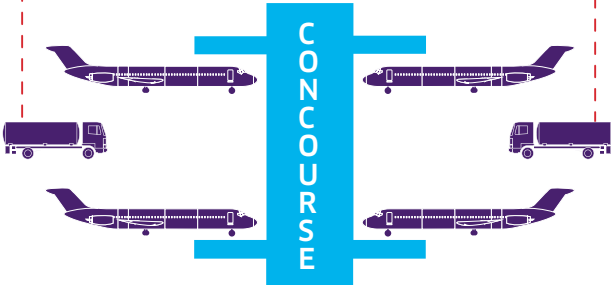

- ▶ AirTran
- ▶ American
- ▶ America West
- ▶ ATA
- ▶ Continental
- ▶ Delta
- ▶ Frontier
- ▶ Independence
- ▶ Jet Blue
- ▶ KLM
- ▶ Lufthansa
- ▶ Northwest
- ▶ Southwest
- ▶ United
- ▶ US Air

TechnipFMC Components

- ▶ Smith Meter® PD Meters
- ▶ Smith Meter® Sentry Series Turbine Meters
- ▶ Smith Meter® AccuLoad IV
- ▶ Smith Meter® microLoad.net
- ▶ Smith Meter® Petro-Guard Pressure System
