

# Health, Safety, Environment and Security (HSES)

# Key Initiatives

In everything we do, we never compromise on

**Safety** | Integrity | **Quality** | Respect | Sustainability

## Pulse

Our global Health, Safety, Environment & Security (HSES) culture and engagement program.

## Impact Quality

Our global quality leadership program driving a culture of prevention, accountability and continuous improvement.

# What is Pulse?

- ▶ Develop our people to exhibit the key leadership behaviors to prevent HSES incidents.
- ▶ Align mindsets to develop a single, global HSES culture.
- ▶ More effectively use the principles, standards and tools we have in support of HSES.
- ▶ Help realize the company's global HSES policy, support our Code of Conduct, and deliver upon our vision and values.

## Pulse

Our global Health, Safety, Environment & Security (HSES) culture and engagement program.

# What is Impact Quality?

## Impact Quality

Our global quality leadership program driving a culture of prevention, accountability and continuous improvement.

- Supports us to **do it right first time** to enable business results and client success
- Drive the **development of leadership behaviors** and ultimately a **high performance culture** of quality
- Provide TechnipFMC with the **behaviors and tools** required to **realize the global quality policy**, and support the Code of Conduct
- Help us to **deliver on our vision and Values Framework**
