

## Press Release

# TechnipFMC Awarded Significant iEPCI™ Contract for Equinor's Heidrun Extension Offshore Norway

**NEWCASTLE & HOUSTON, July 15, 2025** — TechnipFMC (NYSE: FTI) has been awarded a significant<sup>(1)</sup> integrated Engineering, Procurement, Construction, and Installation (iEPCI™) contract by Equinor for its Heidrun extension project in the Norwegian North Sea.

The award follows an integrated Front End Engineering and Design (iFEED™) study by TechnipFMC. The project will enhance the current infrastructure and extend the production lifecycle for the Heidrun platform.

Jonathan Landes, President, Subsea at TechnipFMC commented: "This direct award highlights the mutual benefit of early engagement, which led to an optimized field layout. We are excited to leverage our iEPCI™ integrated execution to upgrade this important asset for Equinor."

*(1) For TechnipFMC, a "significant" contract is between \$75 million and \$250 million. This award was included in inbound orders in the second quarter of 2025.*

## **Important Information for Investors and Securityholders**

### **Forward-Looking Statement**

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "expect," "believe," "estimated," and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, including our assumptions and projections regarding the expected benefits of the awarded contract, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.

### **About TechnipFMC**

TechnipFMC is a leading technology provider to the traditional and new energy industries, delivering fully integrated projects, products, and services.

With our proprietary technologies and comprehensive solutions, we are transforming our clients' project economics, helping them unlock new possibilities to develop energy resources while reducing carbon intensity and supporting their energy transition ambitions.

Organized in two business segments — Subsea and Surface Technologies — we will continue to advance the industry with our pioneering integrated ecosystems (such as iEPCI™, iFEED™ and iComplete™), technology leadership and digital innovation.

Each of our approximately 21,000 employees is driven by a commitment to our clients' success, and a culture of strong execution, purposeful innovation, and challenging industry conventions.
