Upon payment of the amount withheld to the appropriate government entity, agency or taxing authority, such amount withheld shall be deemed payment to the respective **Supplier** and **Purchaser** shall have no further obligation to pay such amount to the respective **Supplier**. **Purchaser** shall provide **Supplier** with receipts evidencing payment to such authorities of the taxes or amounts so withheld. **Supplier** shall **Indemnify Purchaser** from and against all **Claims** incurred by **Purchaser** connected with any assessment or imposition of taxes connected with the **Supply** or arising from its obligations under this Article.
- b. If requested, **Supplier** shall promptly provide **Purchaser** with any documents or information required for compliance with applicable customs laws, rules, and regulations. This includes but is not limited to the required Import or Export documents in support of any Free Trade Agreement or duty-free claim. Similarly, **Supplier** shall promptly inform **Purchaser** of any errors or omissions contained in such document certifications provided by **Supplier** or of any noncompliance by **Supplier** with applicable customs laws, rules, and regulations or Free Trade Agreement requirements. **Supplier** acknowledges that, notwithstanding any other provision of this **Agreement**, **Purchaser** may withhold payment on any **Supplier** invoice until the documents or information required for compliance with applicable customs laws, rules, and regulations are provided.
- c. **Supplier Indemnifies Purchaser** from and against all **Claims** whatsoever connected with any assessment or imposition made in respect of any or all taxes on **Supplier** or any its **Subsuppliers** of any tier connected with **Supply** together with any costs of compliance. **Purchaser** may offset any amounts due under this sub-article c. from any payment **Purchaser** is due to make to **Supplier** under this **Agreement**.

Effective Date or (ii) prior to submission of the first invoice. Any financial security required hereunder shall be on **Purchaser's** standard form, and provision and maintenance thereof is a condition precedent to payment. Any financial security requested under this Article may, in **Purchaser's** discretion, increase or decrease depending on **Variations** issued by **Purchaser**.

18. AUDIT OF FINANCIAL RECORDS

- a. **Supplier** shall, and shall procure that the **Supplier Group** shall, maintain a true and correct set of records, including without limitation, books of accounts, documents and correspondence, pertaining to **Supply** and all transactions related thereto. **Supplier** agrees, and shall procure that **Supplier Group** agrees, to retain such records under adequate storage conditions for a period of ten years after completion of **Supply** to **Purchaser's** satisfaction.
- b. **Purchaser** or any person appointed by **Purchaser** may audit any records of **Supplier Group** as required to verify payments made to or by **Supplier** under the **Agreement**. Such audit right does not include the right to examine the composition of **Supplier's** lump sum prices.
- c. **Supplier** shall give, and shall ensure **Supplier Group** gives, the appointed auditor free access during **Supplier** and/or **Supplier Group's**, as applicable, office hours to all timesheets, records, and other documents necessary to satisfactorily complete the audit, including original invoices, supporting documentation, and all books of accounts incorporating such account details.
- d. The audit rights provided for under this Article apply for the duration of the **Agreement** and for ten years after termination or expiry. If the audit reveals that charges are incorrect, **Supplier** shall reinvoice **Purchaser** according to those findings.

19. VARIATIONS

- a. **Purchaser** may instruct **Supplier** to carry out any **Variation** to **Supply**, upon which instruction **Supplier** shall submit to **Purchaser** an estimate of the effects of the **Variation** without undue delay, but never later than 15 **Days** from the date of instruction. Alternatively, **Purchaser** may require submission of such an estimate prior to instructing performance of a **Variation**. **Supplier's** estimate of the effects of a **Variation** must contain:
 - i. a description of **Supply** in question under the **Variation**;
 - ii. a detailed schedule for execution of **Supply** under the **Variation**, showing the required resources and significant milestones;
 - iii. the effect on the **PO Price**, if any, showing the rates used in the **Agreement** and/or the lump sum when preparing the estimate; and
 - iv. the effect on the **Agreement Schedule**, if any.

Supplier must substantiate its estimation with reasonably sufficient supporting documentation.

- b. If **Supplier** believes a change to the scope of **Supply** constitutes a **Variation**, **Supplier** shall submit a request for **Variation** without undue delay, but never later than 15 **Days** from the occurrence of the event, and **Supplier's** request must include all details under sub-article 19.a. **Supplier** waives all rights to **Variation** if it does not strictly conform to the requirements of this sub-article 19.b. Should changes in **Applicable Law** occur after the **Effective Date**, **Supplier** shall inform

Purchaser of the nature and impact of such change(s) and upon **Purchaser's** authorization conform to such change(s).

- c. Upon receipt of an instruction for **Variation**, **Supplier** shall implement the **Variation** without undue delay, even if the impact on **PO Price**, **Agreement Schedule**, or the **Agreement** are unsettled. All of **Supplier's** obligations under the **Agreement** apply to **Variations**.
- d. Under no circumstance is **Supplier** entitled to a **Variation** for:
 - i. actions taken by **Supplier Group** that are already contemplated under the **Agreement** or are otherwise necessary to ensure conformance with the **Agreement**;
 - ii. circumstances for which **Supplier** is responsible, or which could have been reasonably foreseen by a supplier experienced in the type of work provided by **Supplier Group**; or
 - iii. consequences arising out of, or in connection with the default, breach, negligence (of any degree), or intentional act or omission of **Supplier Group**.
- e. If the **Parties** agree upon the occurrence of a **Variation**, but disagree as to the **Variation's** effect, **Purchaser** shall determine the impact according to commonly recognized industry uses and practices. The **Parties** shall otherwise resolve disputed **Variations** under Article 29.
- f. Any agreed **Variation**, particularly with respect to the **Agreement** scope, **Agreement Schedule**, or **PO Price** will give rise to an amendment forming an integral part of the **Agreement**.

20. FORCE MAJEURE

- a. Neither **Party** is in breach of its obligations under the **Agreement** to the extent the affected **Party** can establish that fulfilment of its obligations have been prevented by **Force Majeure**.
- b. The affected **Party** invoking **Force Majeure** shall immediately notify the other **Party** and make every effort to mitigate as far as possible any adverse effect arising from the situation. Such notification must be in writing and include the cause and estimated duration of the **Force Majeure** event.
- c. In the case of **Force Majeure**, each **Party** shall bear its own costs resulting from the **Force Majeure**, and **Supplier** shall take due care of, and use commercially reasonable means to protect **Supply**, **Purchaser Provided Items**, and all documents related to the execution of **Supply** provided by **Purchaser** or **Company** to **Supplier** and in **Supplier's** care, custody, or control.
- d. If **Force Majeure** lasts without interruption for more than 90 **Days** (or another period under the **Agreement**), either **Party** may terminate the **Agreement**.
- e. Promptly after cessation of **Force Majeure**, **Supplier** shall present to **Purchaser** its proposed claim for adjustment of the **Agreement Schedule** in accordance with Article 19. Any adjustment to the **Agreement Schedule** will be made with due regard to the delay incurred by **Supplier** due to **Force Majeure**. Regardless of the agreed **Agreement Schedule** adjustment, **Supplier** shall use all means necessary to minimize the consequences of the **Force Majeure**.
- f. When a **Delivery Date** that would have applied in the absence of **Force Majeure** is reached but **Force Majeure** continues, or when **Force Majeure** continues without interruption for more than 90 **Days**, **Purchaser** may demand delivery of **Supply** or any part thereof (even if unfinished at the time of request) and related delivery documentation.

21. SUSPENSION

- a. **Purchaser** may, in its sole discretion, suspend performance of **Supply** or parts thereof by giving written notice to **Supplier** specifying which part of **Supply** are suspended and the effective date of suspension.
- b. During suspension, **Supplier** shall take all reasonable actions to preserve and protect all **Supply**, whether completed or in-progress, including **Materials**, and shall use its best efforts to minimize **Purchaser's** costs, including by re-scheduling work under other contracts, actively searching for new work, or, with **Purchaser's** prior written consent, demobilizing equipment or personnel. **Purchaser's** financial responsibility is limited to the costs and losses which could not reasonably have been avoided or mitigated. If requested, **Supplier** shall demonstrate that it has complied with its duty to minimize **Purchaser's** costs.
- c. **Purchaser** will not accept charges for demobilization of personnel or equipment that occurs more than 14 **Days** after a notice of a suspension is issued.
- d. **Supplier** shall resume **Supply** promptly upon **Purchaser's** reasonable written request. If **Supplier** is unable to resume **Supply** upon **Purchaser's** request, **Supplier** shall be deemed in breach of the **Agreement**, resulting in termination for cause under Article 15 of the **GTC**.
- e. For a suspension not the result of **Force Majeure** or **Supplier's** breach of the **Agreement**, **Purchaser** will compensate **Supplier** for the effects of suspension as provided for in the **Variation** request. As a condition precedent to such compensation, **Supplier** shall provide **Purchaser** all documentation and evidence necessary to substantiate **Supplier's** request for schedule relief and claimed costs. Agreement on the **Variation** request shall constitute **Purchaser's** sole liability to **Supplier** for such a suspension.
- f. **Purchaser** shall also have the right to suspend performance of **Supply**, or parts thereof, in the event of a default or failure of **Supplier** in carrying out their obligations under the **Agreement**, by giving written notice to **Supplier** specifying which part of **Supply** are suspended and the effective date of the suspension. If **Purchaser** suspends **Supply** because of **Supplier's** breach of the **Agreement**, **Supplier** is not entitled to any **Variation** or other compensation or relief as a result of the suspension, and **Purchaser** may recover from **Supplier** all costs incurred by **Purchaser** in connection with that suspension.
- g. If **Purchaser** suspends for its convenience and such suspension continues uninterrupted for a period exceeding 90 **Days**, the **Parties** will agree upon the basis of the continuation of **Supply**. If the **Parties** agree that continuation proves to be impossible under the existing terms of the **Agreement**, the **Parties** may terminate for convenience the suspended part of **Supply**.

22. TERMINATION
