

## Press Release

# TechnipFMC Awarded Two Flexible Pipe Contracts by Petrobras

**NEWCASTLE & HOUSTON, September 2, 2025** — TechnipFMC (NYSE: FTI) has been awarded two subsea contracts by Petrobras for flexible pipe for use in multiple basins.

The first award is a substantial<sup>(1)</sup> contract to design, engineer, and manufacture flexible gas injection risers. This high-technology solution will sustain reservoir pressure and enhance production efficiency through high-capacity gas reinjection in pre-salt formations in the Santos Basin.

The second award, which followed a competitive tender, is a significant<sup>(2)</sup> contract to design, engineer, and manufacture flexible risers and flowlines for deployment on assets in the Campos Basin.

Jonathan Landes, President, Subsea at TechnipFMC, commented: “As Petrobras unlocks Brazil’s energy resources, we are proud to provide technology and expertise that support some of their most technically challenging projects. TechnipFMC is a subsea innovation leader and continues to advance flexible technology to support new projects and enhance value for its clients.”

Manufacturing will be fulfilled exclusively at TechnipFMC’s flexibles manufacturing facility in Açu, Brazil. For more than 40 years, TechnipFMC has delivered advanced technological solutions while supporting the development of local economies in Brazil.

(1) For TechnipFMC, a “substantial” contract is between \$250 million and \$500 million.

(2) For TechnipFMC, a “significant” contract is between \$75 million and \$250 million.

## **Important Information for Investors and Securityholders**

### **Forward-Looking Statement**

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "expect," "believe," "estimated," and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, including our assumptions and projections regarding the expected benefits of the awarded contract, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.
