

TechnipFMC Awarded a Large Contract for ExxonMobil Refinery Expansion Project in the USA

January 31, 2019

LONDON & PARIS & HOUSTON--(BUSINESS WIRE)--Jan. 31, 2019-- TechnipFMC (NYSE:FTI) (PARIS:FTI) (ISIN:GB00BDSFG982) has been awarded a large⁽¹⁾ reimbursable contract by ExxonMobil for detailed engineering, procurement, and construction for the recently announced crude expansion project in Beaumont, Texas, USA.

The awarded scope covers the addition of four new units – atmospheric pipe still, kerosene hydrotreater, diesel hydrotreater and benzene recovery at ExxonMobil's Refinery.

The new units of this expansion project will be integrated into the existing facilities at the refinery. The expansion will optimize the facility by giving ExxonMobil the flexibility to run lighter crudes.

Nello Uccelletti, President of TechnipFMC's Onshore/Offshore business, stated: " *We are pleased to have been awarded this contract by our long-term client, ExxonMobil. We look forward to bringing our global project execution capabilities, extensive U.S. Gulf Coast execution experience and leadership in the refining sector to this significant refinery expansion project for ExxonMobil.*"

(1)For TechnipFMC, a "large" contract ranges between \$500 million and \$1 billion.

Important Information for Investors and Securityholders

Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "believe", "estimated" and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.
