

## TechnipFMC Awarded a Significant Integrated EPCI (iEPCI™) Contract for the BP Platina Field in Angola

March 10, 2020

LONDON & PARIS & HOUSTON--(BUSINESS WIRE)-- TechnipFMC (NYSE:FTI) (PARIS:FTI) (ISIN:GB00BDSFG982) has been awarded a significant<sup>(1)</sup> integrated Engineering, Procurement, Construction and Installation (iEPCI™) contract from BP Angola for the Platina field development, located offshore Angola in Block 18 at water depths ranging from 1,200 to 1,500 meters.

The contract covers the manufacture, delivery and installation of the subsea equipment including subsea trees, a production manifold with associated subsea control and connection systems, as well as rigid pipelines, umbilicals and flexible jumpers.

Arnaud Pieton, President Subsea at TechnipFMC, commented: *"We are very pleased to have been selected by BP for this important deepwater development offshore Angola. We are committed to BP and to supporting the Angolan oil and gas industry. This iEPCI™ follows iFEED™ work and will utilize our local assets such as our service base in Luanda and our umbilical factory in Lobito."*

<sup>(1)</sup> For TechnipFMC, a "significant" contract is between \$75 million and \$250 million

### Important Information for Investors and Securityholders

#### Forward-Looking Statement

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "believe", "estimated" and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.

#### About TechnipFMC

TechnipFMC is a global leader in subsea, onshore/offshore, and surface projects. With our proprietary technologies and production systems, integrated expertise, and comprehensive solutions, we are transforming our clients' project economics.

We are uniquely positioned to deliver greater efficiency across project lifecycles from concept to project delivery and beyond. Through innovative technologies and improved efficiencies, our offering unlocks new possibilities for our clients in developing their oil and gas resources.

Each of our more than 37,000 employees is driven by a steady commitment to clients and a culture of purposeful innovation, challenging industry conventions, and rethinking how the best results are achieved.
