Agreements and commitments already approved by the general meeting of shareholders

Agreements and commitments approved in prior years

a) *whose implementation continued during the year*

We hereby inform you that we have not been advised of any agreements or commitments already approved by the general meeting of shareholders, whose implementation continued during the year.

b) *which were not implemented during the year*

In addition, we have been advised that the following agreements and commitments which were approved by the general meeting of shareholders in prior years were not implemented during the year.

Commitments entered into with Mr Thierry Pilenko in connection with the renewal of his term of office as chairman and chief executive officer, previously approved by your board of directors held on April 28, 2011

*Non-compete agreement*

A worldwide non-compete agreement for a two-year period has been set up between Technip and Mr Pilenko.

In case of departure and whatever the reason thereof, Technip is committed to pay Mr Pilenko an indemnity capped to two years gross compensation based on the highest overall annual compensation (fixed + variable) received over the last three years.

*Supplementary retirement plan*

Mr Pilenko benefits from the supplementary retirement plan for group executives with fixed contributions of 8% of the annual gross compensation paid up to income bracket 3, capped to eight times the annual French social security (*Sécurité sociale*) limit as well as from your company's existing supplementary retirement plan for executive committee members: a retirement income guarantee of 1.8% per year of service, up to a limit of fifteen years, on income bracket 4 of the annual gross compensation paid, i.e., exceeding eight times the French social security limit.

The amount of gross compensation to which this retirement income guarantee applies to the average of the gross base compensation received over the five complete financial years prior to the date of departure from the company. The retirement income guarantee will only be due in the following events: a departure from the company after his 60<sup>th</sup> birthday; a departure from the company as a result of a 2<sup>nd</sup> or 3<sup>rd</sup> category disability; a departure from the company after his 55<sup>th</sup> birthday provided that such departure is not the result of gross misconduct or negligence on his part and that no salaried activity is resumed between leaving the company and receiving a pension under the general French social security scheme.

In 2013, the contribution paid by your company for the supplementary pension plan of Mr Pilenko amounted to € 23,700.
