Item 1.01 Entry Into a Material Definitive Agreement

On February 15 and 16, 2021, TechnipFMC plc (the “Company”) entered into certain agreements related to its separation into two industry-leading, independent, publicly traded companies: the Company, a fully integrated technology and services provider; and Technip Energies N.V., a leading engineering and technology player (“Technip Energies”). The transaction is structured as a spin-off (the “Spin-off”) of a majority stake in the Company’s Technip Energies segment in the form of a share dividend pursuant to which holders of TechnipFMC shares will receive ordinary shares, €0.01 nominal value per share, of Technip Energies (the “Technip Energies Shares”). The agreements include the following:

- a Tax Matters Agreement (the “TMA”) with Technip Energies;
- an Employee Matters Agreement (the “EMA”) with Technip Energies;
- a Transition Services Agreement (the “TSA”) with Technip Energies;
- a Patent License Agreement and a Co-Existence and Trademark Matters Agreement, each with Technip Energies (collectively, the “Intellectual Property Agreements”);
- a Credit Agreement with JPMorgan Chase Bank, N.A., Citigroup Global Markets Inc. or an affiliate, DNB Capital, LLC or an affiliate, Société Générale, Sumitomo Mitsui Banking Corporation, Wells Fargo Securities, LLC and BofA Securities, Inc., collectively, as lead arrangers, JPMorgan Chase Bank, N.A., as administrative agent, Standard Chartered Bank, as documentation agent, and the lenders party thereto (the “Credit Agreement”); and
- a Supplemental Indenture with the guarantors named therein and U.S. Bank National Association, as trustee (the “Supplemental Indenture”).

The descriptions below of the TMA, EMA, TSA, the Intellectual Property Agreements, the Credit Agreement and the Supplemental Indenture, and the transactions contemplated thereby, do not purport to be complete and are subject to, and qualified in their entirety by reference to, the complete terms and conditions of the TMA, EMA, TSA, the Intellectual Property Agreements, the Credit Agreement and the Supplemental Indenture, copies of which are attached as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5, 10.6 and 4.1 respectively, to this Current Report on Form 8-K and which are incorporated herein by reference.

Tax Matters Agreement

The TMA governs the Company’s and Technip Energies’ respective rights, responsibilities, and obligations with respect to tax liabilities and benefits, tax attributes, the preparation and filing of tax returns, the control of audits and other tax proceedings, and certain other matters regarding taxes.

Generally, the Company is liable for all pre-Spin-off taxes attributable to the business of Technip Energies required to be reported on either combined, consolidated, unitary or similar returns that include one or more of the Company and its subsidiaries (other than Technip Energies and its subsidiaries) and one or more of Technip Energies and its subsidiaries or returns that include only one or more of the Company and its subsidiaries (other than Technip Energies and its subsidiaries). Technip Energies is generally liable for all taxes attributable to the Technip Energies business required to be reported on returns that include only one or more of Technip Energies and its subsidiaries. In addition, the TMA addresses the allocation of liability for taxes that are incurred as a result of the separation undertaken to effectuate the Spin-off.

Employee Matters Agreement

Allocation of employment liabilities. Subject to certain exceptions, the general principle for the allocation of employment and service-related liabilities is that (i) Technip Energies assumes all such liabilities relating to Technip Energies’ employees and former employees of the Company who worked wholly or substantially in the business of Technip Energies as of the date of the termination of their employment (“former Technip Energies employees”) and (ii) the Company retains all such liabilities relating to all other current and former employees of the Company (including employees who are identified as Technip Energies employees, but do not in fact transfer to Technip Energies), in each case, regardless of when such liabilities arise.

Terms and conditions of Technip Energies employees. As of the completion of the Spin-off, Technip Energies will provide each of its current employees with the same basic salary and contractual benefits that he or she received prior to the date of his or her transfer to Technip Energies.

Employee benefit and cash bonus plans. The employees of Technip Energies will generally, as of the date of the Spin-off or as of the date of such employee's applicable employment transfer date, be eligible to participate in Technip Energies employee benefit plans that are substantially similar to those that apply to them prior to the date of the Spin-off. Technip Energies will establish a cash bonus plan for the 2021 performance period.

Share-based incentive schemes. Awards granted under share-based incentive schemes will be treated as follows:

- Generally, the restricted stock units of the Company (the "RSUs") that were scheduled to vest in less than one year from the closing of the Spin-off, to the extent not previously vested, were accelerated, and were settled into the Company shares prior to the Spin-off and are eligible to receive the dividend in kind resulting from the Spin-off if such shares continue to be held on February 17, 2021 (the "Record Date"). This acceleration did not apply to Company executives.
- The performance restricted stock units of the Company (the "PSUs") that were scheduled to vest in less than one year from the closing of the Spin-off, to the extent not previously accelerated, and were settled into the Company shares prior to the Spin-off based on actual performance as of immediately prior to the acceleration and are eligible to receive the dividend in kind resulting from the Spin-off if such shares continue to be held on the Record Date. This acceleration did not apply to Company executives.
- Holders of the Company unvested options, RSUs, and PSUs will not receive the dividend in kind resulting from the Spin-off, and such awards will be treated as described in Technip Energies' registration statement on Form F-1 (the "Form F-1") depending upon whether the holder is employed by or is a director of the Company or Technip Energies following the Spin-off.

In addition, Technip Energies will establish, and employees may be eligible to participate in, the incentive plan described in the Form F-1 following the Spin-off.

Long-term employee benefits. As of the date of the Spin-off or as of the date of the applicable employment transfer date of the employees of Technip Energies, Technip Energies will generally assume sponsorship of and responsibility for any stand-alone employee benefit arrangements relating to its employees and former Technip Energies employees. Further, subject to certain exceptions, the accrued (past service) liabilities, as well as any associated assets, relating to Technip Energies employees and former Technip Energies employees under the plans of the Company providing retirement, disability or death, old-age or jubilee benefits, will transfer to Technip Energies. However, any liabilities for Technip Energies' employees under the FMC Technologies Employees' Retirement Program will be specifically retained by the Company.

Transition Services Agreement

The Company and Technip Energies will, to the extent that shared business functions have not been separated prior to the Spin-off, each provide to the other various services and support on an interim transitional basis until such time as Technip Energies (or the Company in the case of services Technip Energies will provide to the Company) have developed the capability to provide the relevant services and support themselves or have appointed a third-party provider to provide those services and support.

The TSA is reciprocal with approximately 33% of services being provided by the Company to Technip Energies, and 67% being reverse services provided by Technip Energies to the Company. Services and support will be provided with the same standard of care, quality, priority, timeliness and skill as during the one-year period prior to the Spin-off. The Company anticipates that the charges for the services will be on a cost-plus basis (with a mark-up to reflect the management and administrative cost of providing the services). The services generally commenced on the date of the Spin-off and are generally intended to terminate between three and twelve months after the date of the Spin-off. The recipient of the services will generally have the ability to: (i) extend the term that a service is provided for by up to six months, subject to a maximum aggregate service term of 24 months; and (ii) terminate any or all services early subject to a 30-day notice period. Each party, as provider, has standard termination rights for unremedied material breach or non-payment of charges by the recipient.

Neither Technip Energies nor the Company are liable under the TSA for any claim or cause of action arising thereunder except to the extent that claims arise from a provider's gross negligence or willful misconduct, and consequential damages are excluded to the extent permitted under applicable law.

The services and support to be provided by the Company to Technip Energies include: IT, administration, human resources, real estate and facilities, non-strategic corporate services, procurement services, enterprise management services, rental and facility management services, tax, treasury and financial reporting and accounting services.

Intellectual Property Agreements

Patent License Agreement. The Company and Technip Energies have each been granted the right to continue to use patent rights that are owned by the Company or Technip Energies in connection with their respective businesses and which are used or anticipated to be used by both the Company and Technip Energies in our and their respective businesses following the completion of the Spin-off. The licenses are on a perpetual, worldwide, and royalty-free basis, each limited to the field of the respective licensee's business. The licenses contain a termination right for the licensor in the event of assignment by licensee to a competitor of licensor. The Patent License Agreement also contains royalty-free licenses in favor of Technip Energies with respect to certain patents related to flexibles and fixed offshore platform technologies.

Coexistence and Trademark Matters Agreement. The Company and Technip Energies entered into a perpetual Coexistence and Trademark Matters Agreement regulating each party's use of its own trademarks containing or consisting of the name "Technip," including Technip Energies' use of "Technip Energies" trademarks. Under the agreement, if either of the Company or Technip Energies is acquired by a competitor of the other party, the non-acquired party may require the acquired party to cease all use of any trademarks containing or consisting of the name "Technip" within twelve months of the date of completion of the acquisition. The Coexistence and Trademark Matters Agreement also contains a transitional license in favor of Technip Energies with respect to ongoing use by Technip Energies of certain marks related to the loading systems business unit.

Credit Agreement

The Company entered into the Credit Agreement on February 16, 2021, which is a \$1,000,000,000 three-year senior secured multicurrency revolving credit facility. The Credit Agreement provides for a \$450,000,000 letter of credit subfacility.

The Company will access funding of \$400 million of the revolving credit facility established by the Credit Agreement in conjunction with the Spin-off and plans to use the proceeds of the draw to fund short-term needs associated with the Spin-off. The need for short-term funding is primarily due to:

- Acceleration of the effective date of the Spin-off relative to the timing of ongoing restructuring of the Company's global portfolio of cash and liquidity in a manner suitable for the needs of the Company following the Spin-off;
- Timing of the receipt of Bpifrance Participations SA's ("BPI") \$200 million investment, for which BPI is awaiting final regulatory approval from one competition authority beyond the European Union; and
- Maturity of \$80 million in fixed but not yet realized foreign exchange gains, associated with hedges of debt borrowings repaid at the time of separation.

Pro forma for the events of the Transactions through the effective date of the Spin-off, including the aforementioned draw, we expect our cash and debt profile to consist of the following:

- Cash and cash equivalents of approximately \$600 million;
- Debt of approximately \$2,800 million; and
- Net debt of approximately \$2,200 million, which is modestly above the Company's previous guidance of \$1,700 million when excluding the temporary draw on the revolving credit facility due to the items discussed above.

Borrowings under the revolving credit facility bear interest at the following rates, plus an applicable margin, depending on currency:

- U.S. dollar denominated loans bear interest, at the Borrowers' option, at a base rate or an adjusted rate linked to the London interbank offered rate ("Adjusted LIBOR");
- Sterling denominated loans bear interest at Adjusted LIBOR; and
- Euro-denominated loans bear interest on adjusted rate linked to the Euro interbank offered rate.

The applicable margin for borrowings under the revolving credit facility ranges from 2.50% to 3.50% for eurocurrency loans and 1.50% to 2.50% for base rate loans, depending on a total leverage ratio. The Credit Agreement is subject to customary representations and warranties, covenants, events of default, mandatory repayment provisions and financial covenants.

Supplemental Indenture

As previously announced, on January 29, 2021, the Company closed its offering of \$1,000,000,000 in aggregate principal amount of 6.500% senior notes due 2026 (the "Notes"). The Notes were issued pursuant to, and are governed by, an indenture, dated as of January 29, 2021 (the "Indenture"), between the Company, the guarantors named therein and U.S. Bank National Association, as trustee. The Notes and related guarantees were issued in a private offering exempt from the Securities Act of 1933, as amended (the "Securities Act") and have not been, and will not be, registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and other applicable securities laws.

In connection with the closing of the Spin-off, the Company and certain of its non-U.S. subsidiaries entered into the Supplemental Indenture, pursuant to which the Company and such subsidiaries became guarantors of the Notes under the Indenture. Pursuant to the Supplemental Indenture, the Notes are fully and unconditionally guaranteed on a senior unsecured basis by the Company and substantially all of the Company's non-U.S. subsidiaries in Brazil, the Netherlands, Norway, Singapore and the United Kingdom (subject to applicable limitations contained in the Indenture).

In addition, in connection with the closing of the Spin-Off, the Company used the net proceeds from the issuance of the Notes, together with cash on hand, to repay, discharge, repurchase, retire and/or redeem certain existing indebtedness of the Company, including the \$500.0 million 3.45% Senior Notes due

2022, the \$2.5 billion revolving senior unsecured revolving credit facility agreement dated January 17, 2017 and €500.0 million revolving credit facility dated May 19, 2020.

Item 2.01 Completion of Acquisition or Disposition of Assets

On February 16, 2021, the Company completed the Spin-off. Technip Energies' business consists of those activities that previously comprised the Company's Technip Energies business segment, as described in the Form F-1. Technip Energies is now an independent public company and its shares trade on the Euronext Paris stock exchange.

The Spin-off occurred by way of a pro rata dividend to the Company's shareholders of 50.1% of Technip Energies Shares. Each of the Company's shareholders received one Technip Energies Share for every five shares of the Company held at 5:00 p.m., New York City time, on the Record Date, and cash in lieu of any fractional Technip Energies Shares.

The Form F-1 was filed by Technip Energies with the Securities and Exchange Commission and was declared effective on February 12, 2021.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information set forth in Item 1.01 relating to the Credit Agreement under the heading "Credit Agreement" and relating to the Supplemental Indenture under the heading "Supplemental Indenture" is hereby incorporated into this Item 2.03 by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

In connection with the Spin-off, effective on February 16, 2021, (i) Arnaud Pieton resigned as an officer of the Company and (ii) Arnaud Caudoux, Pascal Colombani, Marie Ange Debon, Didier Houssin, Olivier Piou and Joseph Rinaldi resigned from the board of directors of the Company and any respective committees of the board to which they belonged, which resignations were not the result of any disagreements with the Company relating to the Company's operations, policies or practices.

Item 8.01 Other Events

On February 15, 2021, the Company and Technip Energies issued a joint press release. A copy of the press release is furnished herewith as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits

(b) Unaudited pro forma condensed combined financial information of the Company giving effect to the Spin-off and required by Article 11 of Regulation S-X is attached hereto as Exhibit 99.2 and is incorporated by reference herein.

TFMC and TEN are each a “Party” and are sometimes referred to herein collectively as the “Parties.”

RECITALS

WHEREAS, TFMC, acting together with its Subsidiaries, currently conducts the TFMC Business and the TEN Business;

WHEREAS, TFMC and TEN have entered into that certain Separation and Distribution Agreement, dated as of January 7, 2021 (the “Separation Agreement”) pursuant to which the Separation will be consummated;

WHEREAS, the Parties intend that the Distribution will be a distribution to which Section 311(b) of the Internal Revenue Code of 1986, as amended (the “Code”) applies (the “Intended Tax Treatment”); and

WHEREAS, TFMC and TEN desire to set forth their agreement on the rights and obligations of TFMC and TEN and the members of the TFMC Group and the TEN Group, respectively, with respect to (a) the administration and allocation of federal, state, local, and foreign Taxes incurred in Tax Periods beginning prior to the Distribution Date, (b) Taxes resulting from the Distribution and transactions effected in connection with the Distribution and (c) various other Tax matters.

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements, provisions and covenants contained in this Agreement, the Parties hereby agree as follows:

ARTICLE I

ALLOCATION OF TAX LIABILITIES AND TAX-RELATED LOSSES

Section 1.1. General Rule.

(a) *TFMC Liability.* Except with respect to Taxes and Tax-Related Losses described in Section 1.1(b), to the fullest extent permitted by law, TFMC shall be liable for, and shall cause the other members of the TFMC Group to, indemnify, defend and hold harmless TEN and each member of the TEN Group from and against any and all liabilities of TEN and any member of the TEN Group relating to, arising out of or resulting from, directly or indirectly, any of the following items (without duplication), in each case other than any Taxes imposed on TEN or any member of the TEN Group pursuant to provisions of Treasury Regulations § 1.1502-6 (or similar provisions of state, local, or foreign Tax Law) as a result of any such member being or having been a member of a Prior Group:

(i) Taxes that are allocated to TFMC under this Article I;

(ii) any Tax resulting from a breach of any of covenant of TFMC or any member of the TFMC Group in this Agreement, the Separation Agreement or any Ancillary Agreement; and

(iii) 50% of all Separation Taxes.

(b) *TEN Liability.* TEN shall, to the fullest extent permitted by law, be liable for, and shall cause the other members of the TEN Group to, indemnify, defend and hold harmless TFMC and each member of the TFMC Group from and against any and all liabilities of TFMC and any member of the TFMC Group relating to, arising out of or resulting from, directly or indirectly, any of the following items (without duplication):

(i) Taxes which are allocated to TEN under this Article I;

(ii) any Tax resulting from a breach of any of TEN's covenants in this Agreement, the Separation Agreement or any Ancillary Agreement; and

(iii) 50% of all Separation Taxes.

Section 1.2. General Allocation Principles. Except as otherwise provided in this Article I, all Taxes shall be allocated as follows:

(a) *Allocation of Taxes for Joint Returns.* TFMC shall be responsible for all Taxes reported, or required to be reported, on any Joint Return that any member of the TFMC Group files or is required to file under the Code or other applicable Tax Law; provided, however, that to the extent any such Joint Return includes any Tax Item attributable to any member of the TEN Group or to the TEN Business for any Post-Distribution Period, TEN shall be responsible for all Taxes attributable to such Tax Items, computed in a manner reasonably determined by TFMC and in good faith cooperation with TEN.

(b) *Allocation of Taxes for Separate Returns.*

(i) TFMC shall be responsible for all Taxes reported, or required to be reported, on a TFMC Separate Return.

(ii) TEN shall be responsible for all Taxes reported, or required to be reported, on a TEN Separate Return.

(c) *Taxes Not Reported on Tax Returns.*

(i) TFMC shall be responsible for any Tax attributable to any member of the TFMC Group or to the TFMC Business that is not required to be reported on a Tax Return.

(ii) TEN shall be responsible for any Tax attributable to any member of the TEN Group or to the TEN Business that is not required to be reported on a Tax Return.

Section 1.3. Allocation Conventions.

(a) All Taxes allocated pursuant to Section 1.2(a) shall be allocated in accordance with the Closing of the Books Method; provided, however, that if applicable Tax Law does not permit a member of the TEN Group to close its Tax Period on the Distribution Date, the Tax attributable to the operations of the members of the TEN Group for any Pre-Distribution Period shall be the Tax computed using a hypothetical closing of the books consistent with the Closing of the Books Method unless otherwise agreed to by the Parties.

(b) Any Tax Item of TEN or any member of the TEN Group arising from a transaction engaged in by TEN or any member of the TEN Group outside of the ordinary course of business on the Distribution Date after the Effective Time shall be properly allocable to TEN and any such transaction by or with respect to TEN or any member of the TEN Group occurring after the Effective Time shall be treated for all Tax purposes (to the extent permitted by applicable Tax Law) as occurring at the beginning of the day following the Distribution Date in accordance with the principles of Treasury Regulation § 1.1502-76(b) or any similar provisions of state, local or foreign Law; provided that the foregoing shall not include any action that is undertaken pursuant to the Transactions.

ARTICLE II
PREPARATION OF FILING OF TAX RETURNS

Section 2.1. TFMC Separate Returns and Joint Returns.

(a) TFMC shall prepare and file, or cause to be prepared and filed, at TFMC's expense, all TFMC Separate Returns and Joint Returns, and each member of the TEN Group to which any such Joint Return relates shall execute and file such consents, elections and other documents as TFMC may reasonably determine, after consulting with TEN in good faith, are required or appropriate. TEN will elect and join, and will cause its respective Affiliates to elect and join, in filing any Joint Returns that TFMC reasonably determines are required to be filed or that TFMC elects to file, in each case pursuant to this Section 2.1(a).

(b) The Parties and their respective Affiliates shall elect to close the Tax Period of each member of the TEN Group member on the Distribution Date, to the extent permitted by applicable Tax Law without changing the fiscal year of such member of the TEN Group.

(c) TFMC shall submit to TEN a draft of the portions of any Joint Return that reflect a Tax liability allocated to TEN pursuant to Section 1.2(a). TFMC shall (i) use its commercially reasonable efforts to make such portions of a Joint Return available for review as required under this Section 2.1(c) sufficiently in advance of the due date for filing of such Joint Return to provide TEN with a meaningful opportunity to analyze and comment on such portions of such Joint Return but in no event less than twenty (20) days prior to the filing of such Joint Return and (ii) modify any such Joint Return to take into account any reasonable comments provided by TEN.

Section 2.2. TEN Separate Returns. TEN shall prepare and file (or cause to be prepared and filed), at TEN's expense, all TEN Separate Returns.

(a) *General Rule.* Except as provided in Section 2.3(b), TFMC shall prepare any Straddle Period Joint Return in accordance with past practices, permissible accounting methods, elections or conventions (“Past Practices”) used by the members of the TFMC Group and the members of the TEN Group prior to the Distribution Date with respect to such Tax Return to the extent permitted by applicable Law, and to the extent any items, methods or positions are not covered by Past Practices (or is not permitted under applicable Law to be prepared consistently with Past Practices), then TFMC shall prepare such Tax Return in accordance with reasonable Tax accounting practices selected by TFMC. With respect to any Tax Return that TEN has the obligation and right to prepare, or cause to be prepared, under this Article II, to the extent such Tax Return is for a Pre-Distribution Period or Straddle Period and could affect any member of the TFMC Group, or such Tax Return is for any other Tax Period and could reasonably be expected to adversely affect any member of the TFMC Group, such Tax Return shall be prepared in accordance with Past Practices used by the members of the TFMC Group and the members of the TEN Group prior to the Distribution Date with respect to such Tax Return (unless the Parties jointly determine that there is not at least “substantial authority,” within the meaning of Section 6662(d)(2)(B)(i) of the Code (or any corresponding or similar provision of state, local or foreign Law) (“Substantial Authority”), for the use of such Past Practices); provided, however, that to the extent any items, methods or positions are not covered by Past Practices (or in the event the Parties jointly determine that there is not Substantial Authority for the use of such Past Practices), such Tax Return shall be prepared in accordance with reasonable Tax accounting practices selected by TEN.

(b) *Consistency with Intended Tax Treatment.* The Parties shall prepare all Tax Returns consistent with (i) the Intended Tax Treatment and (ii) the Valuations unless, in each case, and then only to the extent, an alternative position is required pursuant to a Final Determination.

(c) *Shared Contracts and Shared Permits.* Each of TEN and TFMC shall, and shall cause the members of its Group to, (i) treat for all Tax purposes the portion of each Shared Contract and each Shared Permit inuring to its respective businesses as Assets owned by, and/or Liabilities or Taxes of, as applicable, such Party, or its Subsidiaries, as applicable, not later than the Effective Time, and (ii) neither report nor take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment (unless required by applicable Law).

(a) TEN agrees that, unless TFMC consents in writing (which consent may not be unreasonably withheld, conditioned, or delayed) or as required by Law, (i) no member of the TEN Group (nor its successors) shall file any Adjustment Request with respect to any Tax Return that could affect any Joint Return or any other Tax Return reflecting Taxes that are allocated to TFMC under Article I and (ii) any available elections to waive the right to claim any TEN Carryback in any Joint Return or any other Tax Return reflecting Taxes that are allocated to TFMC under Article I shall be made, and no affirmative election shall be made to claim any such TEN Carryback. In the event that TEN (or the appropriate member of the TEN Group) is prohibited by applicable Law from waiving or otherwise forgoing a TEN Carryback or TFMC consents to a TEN Carryback (which consent may not be unreasonably withheld, conditioned, or delayed), TFMC shall cooperate with TEN, at TEN's expense, in seeking from the appropriate Tax Authority such Tax Benefit as reasonably would result from such TEN Carryback, to the extent that such Tax Benefit is directly attributable to such TEN Carryback, and shall pay over to TEN the amount of such Tax Benefit within twenty (20) days after such Tax Benefit is actually realized by the TFMC Group; provided, however, that TEN shall, to the fullest extent permitted by law, indemnify, defend and hold harmless TFMC and each member of the TFMC Group from and against any and all collateral Tax consequences relating to, arising out of or resulting from, directly or indirectly, any such TEN Carryback, including the loss or postponement of any benefit from the use of Tax Attributes generated by a member of the TFMC Group if (i) such Tax Attributes expire unused, but would have been utilized but for such TEN Carryback, or (ii) the use of such Tax Attributes is postponed to a later Tax Period than the Tax Period in which such Tax Attributes would have been used but for such TEN Carryback.

(b) TFMC agrees that, unless TEN consents in writing (which consent may not be unreasonably withheld, conditioned, or delayed) or as required by Law, no member of the TFMC Group shall file any Adjustment Request with respect to any TEN Separate Return.

Section 2.5.

Apportionment of Tax Attributes.

(a) Tax Attributes arising in a Pre-Distribution Period will be allocated to (and the benefits and burdens of such Tax Attributes will inure to) the members of the TFMC Group and the members of the TEN Group in accordance with the Code, Treasury Regulations, and any other applicable Tax Law, and, in the absence of controlling legal authority or unless otherwise provided under this Agreement, including pursuant to Section 2.6, Tax Attributes shall be allocated to the legal entity that created such Tax Attributes.

(b) Except as provided in Section 2.6, as soon as reasonably practicable after the close of the Tax Period in which the Distribution Date occurs but in no event less than thirty (30) days prior to the filing of the applicable Joint Return allocating or apportioning any group basis Tax Attribute to the members of the TEN Group, TFMC shall deliver to TEN its determination in writing of the portion, if any, of any earnings and profits, Tax Attributes, overall foreign loss or other affiliated, consolidated, combined, unitary, fiscal unity or other group basis Tax Attribute which is allocated or apportioned to the members of the TEN Group in respect of such Joint Return under applicable Tax Law and this Agreement ("Proposed Allocation"). TEN shall review such Proposed Allocation and provide TFMC any comments with respect thereto no later than ten (10) days prior to filing any applicable Joint Return. TFMC shall accept any such comments that are reasonable, and such resulting determination will become final ("Final Allocation"). All members of the TFMC Group and TEN Group shall prepare all Tax Returns in accordance the Final Allocation. In the event of an adjustment to the earnings and profits, any Tax Attributes, overall foreign loss or other affiliated, consolidated, combined, unitary, fiscal unity or other group basis attribute, TFMC shall promptly notify TEN in writing of such adjustment. For the avoidance of doubt, TFMC shall not be liable to any member of the TEN Group for any failure of any determination under this Section 2.5(b) to be accurate under applicable Tax Law; provided such determination was made in good faith with reasonable communication and cooperation with TEN.

(c) Except as otherwise provided herein, to the extent that the amount of any Tax Attribute is later reduced or increased by a Tax Authority or Tax Proceeding, such reduction or increase shall be allocated to the Party to which such Tax Attribute was allocated pursuant to Section 2.5(a), as agreed by the Parties.

Section 2.6. Certain UK Tax Provisions.

(a) *UK Group Relief.*

(i) TFMC shall be responsible for determining the amounts for purposes of UK Group Relief available to be surrendered in accordance with and subject to applicable Law (A) by any member of the TFMC Group to any member of the TEN Group, or (B) by any member of the TEN Group to any member of the TFMC Group, as the case may be (save in respect of any UK Group Relief arrangements for any Pre-Distribution Period intended to be effective and notified between the Parties before the date of this Agreement, after taking account of any other UK Tax Relief available for use within (including between members of) the TFMC Group and within (including between members of) the TEN Group which shall be available for use in priority to surrenders available under clauses (A) and (B) of this Section 2.6(a)(i)).

(ii) Subject to both Parties agreeing to and consenting to such surrenders, the Parties shall make, or shall cause to be made, such elections and shall take such other actions that are necessary or appropriate to give effect to the surrender of any amounts referred to in Section 2.6(a)(i)(A) and (B), and to ensure that such surrenders are allowed in full by HM Revenue & Customs. For the avoidance of doubt, the Parties shall be treated as agreeing and consenting to any surrenders arising in respect of any UK Group Relief arrangements for any Pre-Distribution Period notified between the Parties before the date of this Agreement.

(iii) Unless otherwise agreed between the Parties, in consideration of such surrenders as are referred to in Section 2.6(a)(i)(A), TEN shall procure that the relevant member of the TEN Group shall pay to the relevant member of the TFMC Group such amount of UK corporation Tax as is saved by the relevant member of the TEN Group (including where UK corporation Tax previously paid has been refunded) as a result of the relevant surrender, such amount to be paid no later than the time which such UK corporation Tax saved would otherwise have been paid to a Tax Authority.

(iv) Unless otherwise agreed between the Parties, in consideration of such surrenders as are referred to in Section 2.6(a)(i)(B), TFMC shall procure that the relevant member of the TFMC Group shall pay to the relevant member of the TEN Group such amount of UK corporation Tax as is saved by the relevant member of the TFMC Group (including where UK corporation Tax previously paid has been refunded) as a result of the relevant surrender, such amount to be paid no later than the time which such UK corporation Tax saved would otherwise have been paid to a Tax Authority.

(b) *Preparation of Interest Restriction Returns.*

(i) Subject to Section 2.6(b)(v), The Parties agree that Technip UK Limited is and shall remain the reporting company for the purposes of Schedule 7A TIOPA in respect of members of the TEN Group and the TFMC Group for the purposes of Part 10 of TIOPA, for all Pre-Distribution Periods and for the Straddle Period.

(ii) Subject to Section 2.6(b)(v), Technip UK Limited shall have conduct of preparing and submitting to and agreeing with HM Revenue & Customs all interest restriction returns for the purposes of Schedule 7A TIOPA in respect of members of the TEN Group and the TFMC Group for the purposes of Part 10 of TIOPA, for all Pre-Distribution Periods and for the Straddle Period (the “Interest Restriction Returns”).

(iii) For the purposes of this Section 2.6(b):

- (1) a copy of each Interest Restriction Return shall be delivered by Technip UK Limited to TEN and TFMC.
- (2) TEN and TFMC shall afford (or procure the affordance) to Technip UK Limited or its duly authorised agents information and assistance which may reasonably be required to prepare, submit and agree all outstanding Interest Restriction Returns; and
- (3) TEN and TFMC must as soon as practicable deliver to Technip UK Limited copies of all correspondence sent to or received from HM Revenue & Customs in respect of any Interest Restriction Return.

(iv) No member of the TEN Group nor the TFMC Group shall, without the prior written consent of TEN or TFMC (as applicable), revoke or amend any Interest Restriction Return and no member of the TEN Group or the TFMC Group shall elect to become a non-consenting company for the purposes of schedule 7A TIOPA.

(v) TEN shall appoint its own reporting company for the purposes of schedule 7A TIOPA in respect of members of the TEN Group, and may be responsible for relevant Interest Restriction Returns, for that part of the Straddle Period ending after the Distribution Date.

Section 2.7. French Tax Consolidation. As a result of the Distribution, the French Tax resident members of the TEN Group that are members of the French Tax consolidated group set-up by TFMC in accordance with the provisions of Article 223 *A et seq.* of the *Code général des impôts* will exit from such Tax consolidated group with effect as from January 1, 2021. The French Tax consequences of such exit will be governed by the provisions of the French Tax Group Exit Agreements attached hereto as Exhibit A. To the extent that any of the terms of this Agreement are inconsistent with the terms of the French Group Exit Agreements, the terms of the French Group Exit Agreements shall control.

Section 2.8. Equity Compensation. Tax deductions with respect to TFMC Equity Compensation Awards and TEN Equity Compensation Awards shall be allocated to the members of the TFMC Group and the members of the TEN Group in accordance with the Code, Treasury Regulations, and any other applicable Tax Law.

ARTICLE III
TAX PAYMENTS

Section 3.1. Taxes Shown on Tax Returns. TFMC shall pay (or cause to be paid) to the proper Tax Authority the Tax shown as due on any Tax Return that a member of the TFMC Group is responsible for preparing under Article II, and TEN shall pay (or cause to be paid) to the proper Tax Authority the Tax shown as due on any Tax Return that a member of the TEN Group is responsible for preparing under Article II. At least three (3) Business Days prior to any Payment Date for any Straddle Period Joint Return, TEN shall pay to TFMC the amount TEN is responsible for under the provisions of Article I as calculated pursuant to this Agreement.

Section 3.2. Adjustments Resulting in Underpayments. In the case of any adjustment pursuant to a Final Determination with respect to any Tax, the Party to which such Tax is allocated pursuant to this Agreement shall pay to the applicable Tax Authority when due any additional Tax required to be paid as a result of such adjustment or, if the other Party is required under applicable Law to make such payment, to reimburse the paying Party with respect to such adjustment.

Section 3.3. Indemnification Payments.

(a) Except as provided in the last sentence of Section 3.1, if any Party (the “Payor”) is required under applicable Tax Law to pay to a Tax Authority a Tax that another Party (the “Required Party”) is liable for or required to indemnify the Payor for under this Agreement, the Required Party shall reimburse the Payor within thirty (30) Business Days of delivery by the Payor to the Required Party of an invoice for the amount due, accompanied by evidence of payment and a statement detailing the Taxes paid and describing in reasonable detail the particulars relating thereto. Except as otherwise provided in the following sentence, the Required Party shall also pay to the Payor any reasonable costs and expenses related to the foregoing (including reasonable attorneys’ fees and expenses) within thirty (30) Business Days after the Payor’s written demand therefor. Notwithstanding the foregoing, if TFMC or TEN disputes in good faith the fact or the amount of its obligation hereunder, then no payment of the amount in dispute shall be required until any such good faith dispute is resolved in accordance with Section 11.1 hereof.

(b) All indemnification payments under this Agreement shall be made by TFMC directly to TEN and by TEN directly to TFMC; provided, however, that if the Parties mutually agree for administrative convenience with respect to any such indemnification payment, any member of the TFMC Group, on the one hand, may make such indemnification payment to any member of the TEN Group, on the other hand, and vice versa.

ARTICLE IV
TAX BENEFITS

Section 4.1. Tax Refunds. TFMC shall be entitled (subject to the provisions in Section 2.4) to any refund (and any interest thereon received from the applicable Tax Authority) of Taxes for which TFMC is liable hereunder, and TEN shall be entitled (subject to the provisions in Section 2.4) to any refund (and any interest thereon received from the applicable Tax Authority) of Taxes for which TEN is liable hereunder. A Party receiving a refund to which another Party is entitled hereunder shall pay over such refund to such other Party within thirty (30) Business Days after such refund is received.

(a) If a member of the TEN Group or TFMC Group actually realizes any Tax Benefit, as a result of any liability, obligation, loss or payment (each, a “Loss”) for which a member of one Party’s Group is required to indemnify any member of the other Party’s Group pursuant to this Agreement, the Separation Agreement or any Ancillary Agreement (in each case, without duplication of any amounts payable or taken into account under this Agreement, the Separation Agreement or any Ancillary Agreement), and such Tax Benefit would not have arisen but for such adjustment or Loss (determined on a “with and without” basis), the Party whose Group actually realizes such Tax Benefit, shall make a payment to the other Party in an amount equal to the amount of such actually realized Tax Benefit in cash within twenty (20) Business Days of actually realizing such Tax Benefit. To the extent that any Tax Benefit (or portion thereof) in respect of which any amounts were paid over pursuant to the foregoing provisions of this Section 4.2(a) is subsequently disallowed by the applicable Tax Authority, the Party that received such amounts shall promptly repay such amounts (together with any penalties, interest or other charges imposed by the relevant Tax Authority) to the other Party.

(b) No later than twenty (20) Business Days after a Tax Benefit described in Section 4.2(a) is actually realized by a member of the TFMC Group or a member of the TEN Group, TFMC or TEN, as the case may be, shall provide the other Party with a written calculation of the amount payable to such other Party pursuant to Section 4.2(a). In the event that TFMC or TEN, as the case may be, disagrees with any such calculation described in this Section 4.2(b), such Party shall so notify the other Party in writing within twenty (20) Business Days of receiving such written calculation. The Parties shall endeavor in good faith to resolve such disagreement, and, failing that, the amount payable under this Section 4.2 shall be determined in accordance with Section 11.1.

ARTICLE V
ADDITIONAL COVENANTS

Section 5.1. Assistance and Cooperation.

(a) The Parties shall cooperate (and cause their respective Affiliates to cooperate) with each other and with each other's agents, including accounting firms and legal counsel, in connection with Tax matters relating to the Parties and their Affiliates, including (i) preparation and filing of Tax Returns, (ii) determining the liability for and amount of any Taxes due (including estimated Taxes) or the right to and amount of any refund of Taxes, (iii) examinations of Tax Returns, and (iv) any administrative or judicial proceeding in respect of Taxes assessed or proposed to be assessed. Such cooperation shall include making all information and documents in their possession relating to any other Party and its Affiliates reasonably available to such other Party as provided in Article VI. Each of the Parties shall also make available to any other Party, as reasonably requested and available, personnel (including officers, directors, employees and agents of the Parties or their respective Affiliates) responsible for preparing, maintaining, and interpreting information and documents relevant to Taxes, and personnel reasonably required as witnesses or for purposes of providing information or documents in connection with any administrative or judicial proceedings relating to Taxes. TEN and each other member of the TEN Group shall cooperate with TFMC and take any and all actions reasonably requested by TFMC in connection with obtaining the Tax Opinions (including, by making any new representation or covenant, confirming any previously made representation or covenant or providing any materials or information requested by any Tax Advisor; provided that neither TEN nor any other member of the TEN Group shall be required to make or confirm any representation or covenant that is inconsistent with historical facts or as to future matters or events over which it has no control).

(b) Any information or documents provided under this Agreement shall be kept confidential by the Party receiving the information or documents, except as may otherwise be necessary in connection with the filing of Tax Returns or in connection with any administrative or judicial proceedings relating to Taxes. In addition, in the event that TFMC determines that the provision of any information or documents to TEN or any TEN Affiliate, or TEN determines that the provision of any information or documents to TFMC or any TFMC Affiliate, could be commercially detrimental, violate any Law or agreement or waive any Privilege, the Parties shall use commercially reasonable efforts to permit each other's compliance with its obligations under this Article V in a manner that avoids any such harm or consequence.

Section 5.2. Tax Return Information. Each of TFMC and TEN acknowledges, and shall cause each member of their respective Group to acknowledge, that time is of the essence in relation to any request for information, assistance or cooperation made pursuant to Section 5.1 or this Section 5.2. Each of TFMC and TEN, and each member of their respective Group, acknowledges that failure to conform to the reasonable deadlines set by the Party making such request could cause irreparable harm. Each Party shall provide to the other Party information and documents relating to its Group reasonably required by the other Party to prepare Tax Returns, including any pro forma returns required by the Responsible Party for purposes of preparing such Tax Returns. Any information or documents the Responsible Party requires to prepare such Tax Returns shall be provided in such form as the Responsible Party reasonably requests and at or prior to the time reasonably specified by the Responsible Party so as to enable the Responsible Party to file such Tax Returns on a timely basis.

Section 5.3. Reliance by TFMC. If any member of the TEN Group supplies information to a member of the TFMC Group in connection with a Tax liability and an officer of a member of the TFMC Group signs a statement or other document under penalties of perjury in reliance upon the accuracy of such information, then upon the written request of such member of the TFMC Group identifying the information being so relied upon, the chief financial officer of TEN (or any officer of TEN as designated by the chief financial officer of TEN) shall certify in writing that to his or her knowledge (based upon consultation with appropriate employees) the information so supplied is accurate and complete. TEN shall, to the fullest extent permitted by Law, indemnify, defend and hold harmless TFMC and each member of the TFMC Group and each of their respective past, present and future directors, officers, employees and agents, in each case in their respective capacities as such, and each of the heirs, executors, successors and assigns of any of the foregoing from and against any Liability relating to, arising out of or resulting from, directly or indirectly, a member of the TEN Group having supplied, pursuant to this Article V, a member of the TFMC Group with inaccurate or incomplete information in connection with a Tax liability.

Section 5.4. Reliance by TEN. If any member of the TFMC Group supplies information to a member of the TEN Group in connection with a Tax liability and an officer of a member of the TEN Group signs a statement or other document under penalties of perjury in reliance upon the accuracy of such information, then upon the written request of such member of the TEN Group identifying the information being so relied upon, the chief financial officer of TFMC (or any officer of TFMC as designated by the chief financial officer of TFMC) shall certify in writing that to his or her knowledge (based upon consultation with appropriate employees) the information so supplied is accurate and complete. TFMC shall, to the fullest extent permitted by Law, indemnify, defend and hold harmless TEN and each member of the TEN Group and each of their respective past, present and future directors, officers, employees and agents, in each case in their respective capacities as such, and each of the heirs, executors, successors and assigns of any of the foregoing from and against any Liability relating to, arising out of or resulting from, directly or indirectly, a member of the TFMC Group having supplied, pursuant to this Article V, a member of the TEN Group with inaccurate or incomplete information in connection with a Tax liability.

Section 5.5. Separation Taxes. As soon as reasonably practicable after the close of the Tax Period in which the Distribution Date occurs but in no event more than one hundred and eighty (180) days after the close of such Tax Period, TFMC shall deliver to TEN a schedule showing in reasonable detail acceptable to TEN the estimated calculation of Separation Taxes. No later than thirty (30) days prior to the filing of any Joint Return on which such Separation Taxes are reported, TFMC shall deliver to TEN a final calculation of Separation Taxes reported on such Joint Return. TEN shall review such schedule of Separation Taxes and provide TFMC any comments with respect thereto no later than ten (10) days prior to filing any such applicable Joint Return. TFMC shall accept any such comments that are reasonable, and such resulting determination will become final. TEN shall (and shall cause its Affiliates to) reasonably cooperate with TFMC to correct any errors in the chronology or completion of any transactions intended to facilitate, or otherwise effectuated in connection with, the Separation, and take any and all commercially reasonable actions requested by TFMC to minimize any Separation Taxes.

Section 5.6. Quarterly Meetings. Executives designated by the Parties responsible for Tax matters of each respective Party shall meet in person or by teleconference or video conference at or promptly after the conclusion of each calendar quarter beginning with the first quarter following the Distribution Date to discuss issues relating to Tax matters of the Parties and the administration of this Agreement, except as otherwise agreed by the Parties (whether by electronic mail, telephone or otherwise).

ARTICLE VI
TAX RECORDS

Section 6.1. Retention of Tax Records. Each of TFMC and TEN shall preserve and keep all Tax Records exclusively relating to the assets and activities of its Group for Pre-Distribution Periods, and TFMC shall preserve and keep all other Tax Records relating to Taxes of the TFMC Group and TEN Group for Pre-Distribution Periods, for so long as the contents thereof may be or become material in the administration of any matter under the Code or other applicable Tax Law, but in any event until the later of (i) the expiration of any applicable statutes of limitations, or (ii) seven (7) years after the Distribution Date (such later date, the “Retention Date”). After the Retention Date, each of TFMC and TEN may dispose of such Tax Records upon sixty (60) Business Days’ prior written notice to the other Party. If, prior to the Retention Date, (a) TFMC or TEN reasonably determines that any Tax Records which it would otherwise be required to preserve and keep under this Article VI are no longer material in the administration of any matter under the Code or other applicable Tax Law and the other Party agrees, then such first Party may dispose of such Tax Records upon sixty (60) Business Days’ prior notice to the other Party. Any notice of an intent to dispose given pursuant to this Section 6.1 shall include a list of the Tax Records to be disposed of describing in reasonable detail each file, book, or other record accumulation being disposed. The notified Parties shall have the opportunity, at their cost and expense, to copy or remove, within such sixty (60) Business Day period, all or any part of such Tax Records. If, at any time prior to the Retention Date, a Party or any of its Affiliates determines to decommission or otherwise discontinue any computer program or information technology system used to access or store any Tax Records, then such program or system may be decommissioned or discontinued upon ninety (90) Business Days’ prior notice to the other Party and the other Party shall have the opportunity, at its cost and expense, to copy, within such ninety (90) Business Day period, all or any part of the underlying data relating to the Tax Records accessed by or stored on such program or system.

Section 6.2. Access to Tax Records. The Parties shall, and shall cause their respective Affiliates to, make available to each other for inspection and copying during normal business hours upon reasonable notice all Tax Records (and, for the avoidance of doubt, any pertinent underlying data accessed or stored on any computer program or information technology system) in their possession pertaining to (a) in the case of any Tax Return of the TFMC Group, the portion of such return that relates to Taxes for which the TEN Group may be liable pursuant to this Agreement or (b) in the case of any Tax Return of the TEN Group, the portion of such return that relates to Taxes for which the TFMC Group may be liable pursuant to this Agreement, and shall permit the other Party and its Affiliates, authorized agents and representatives and any representative of a Tax Authority or other Tax auditor direct access, at the cost and expense of the requesting Party, during normal business hours upon reasonable notice to any computer program or information technology system used to access or store any Tax Records, in each case to the extent reasonably required by the other Party in connection with the preparation of Tax Returns or financial accounting statements, audits, litigation, or the resolution of items under this Agreement.

Section 6.3. Preservation of Privilege. The Parties shall, and shall cause their respective Affiliates to, not provide access to, copies of, or otherwise disclose to any Person any documentation relating to Taxes existing prior to the Distribution Date to which Privilege may reasonably be asserted without the prior written consent of the Party that may assert a claim of Privilege in respect of such documentation, which such consent may be withheld or conditioned in the sole and absolute discretion of such Party so long as such claim of Privilege may be reasonably asserted.

ARTICLE VII
TAX CONTESTS

Section 7.1. Notice. A Party shall provide prompt notice to the other Party of any written communication from a Tax Authority regarding any pending Tax audit, assessment or proceeding or other Tax Contest of which it becomes aware, which notice shall in no event be later than thirty (30) days after receipt of such written communication (provided that any failure on a Party to so notify the other Party shall not limit any of the obligations of such other Party under this Agreement except to the extent such failure materially prejudices the defense of any Tax audit, assessment or proceeding or other Tax Contest), (a) related to Taxes for Tax Periods for which it is indemnified by the other Party hereunder or for which it may be required to indemnify the other Party hereunder, (b) relating to a TEN Separate Return for a Pre-Distribution Period or Straddle Period that could reasonably be expected to adversely affect any member of the TFMC Group or for any other Tax Period that could reasonably be expected to materially adversely affect any member of the TFMC Group, or (c) otherwise relating to the Intended Tax Treatment or the Separation (including the resolution of any Tax Contest relating thereto). Such notice shall attach copies of the pertinent portion of any written communication from a Tax Authority and contain factual information (to the extent known) describing any asserted Tax liability in reasonable detail and shall be accompanied by copies of any notice and other documents received from any Tax Authority in respect of any such matters. If an indemnified Party has knowledge of an asserted Tax liability with respect to a matter for which it is to be indemnified hereunder and such Party fails to give the indemnifying Party prompt notice of such asserted Tax liability and the indemnifying Party is entitled under this Agreement to contest the asserted Tax liability, then (i) to the extent the indemnifying Party is precluded from contesting the asserted Tax liability in any forum as a result of the failure to give prompt notice, the indemnifying Party shall have no obligation to indemnify the indemnified Party for any Taxes arising out of such asserted Tax liability, and (ii) to the extent the indemnifying Party is not precluded from contesting the asserted Tax liability in any forum, but such failure to give prompt notice results in a material monetary detriment to the indemnifying Party, then any amount which the indemnifying Party is otherwise required to pay the indemnified Party pursuant to this Agreement shall be reduced by the amount of such detriment.

Section 7.2. Control of Tax Contests.

(a) *TFMC Control.* Notwithstanding anything in this Agreement to the contrary, TFMC shall have the right to control any Tax Contest with respect to any Tax matters relating to; (i) a Joint Return, (ii) a TFMC Separate Return and (iii) Separation Taxes. Subject to Section 7.2(c) and Section 7.2(d), TFMC shall have absolute discretion with respect to any decisions to be made, or the nature of any action to be taken, with respect to any such Tax Contest.

(b) *TEN Control.* Except as otherwise provided in this Section 7.2, TEN shall have the right to control any Tax Contest with respect to any TEN Separate Return. Subject to Section 7.2(c) and Section 7.2(d), TEN shall have reasonable discretion, after consultation with TFMC, with respect to any decisions to be made, or the nature of any action to be taken, with respect to any such Tax Contest relating to a TEN Separate Return for a Pre-Distribution Period or Straddle Period that could reasonably be expected to adversely affect any member of the TFMC Group or for any other Tax Period that could reasonably be expected to materially adversely affect any member of the TFMC Group, and absolute discretion with respect to any decisions to be made, or the nature of any action to be taken, with respect to any other such Tax Contest.

(c) *Settlement Rights.* The Controlling Party shall have the sole right to contest, litigate, compromise and settle any Tax Contest without obtaining the prior consent of the Non-Controlling Party; provided, that to the extent any such Tax Contest (i) could give rise to a claim for indemnity by the Controlling Party or its Affiliates against the Non-Controlling Party or its Affiliates under this Agreement, or (ii) is with respect to a TEN Separate Return for a Pre-Distribution Period or Straddle Period and could reasonably be expected to adversely affect any member of the TFMC Group or for any other Tax Period that could reasonably be expected to materially adversely affect any member of the TFMC Group, then the Controlling Party shall not settle any such Tax Contest without the Non-Controlling Party's prior written consent (which consent may not be unreasonably withheld, conditioned, or delayed). Subject to Section 7.2(e), and unless waived by the Parties in writing, in connection with any potential adjustment in a Tax Contest as a result of which adjustment the Non-Controlling Party may reasonably be expected to become liable to make any indemnification payment to the Controlling Party under this Agreement: (A) the Controlling Party shall keep the Non-Controlling Party informed in a timely manner of all actions taken or proposed to be taken by the Controlling Party with respect to such potential adjustment in such Tax Contest; (B) the Controlling Party shall timely provide the Non-Controlling Party copies of any written materials relating to such potential adjustment in such Tax Contest received from any Tax Authority; (C) the Controlling Party shall timely provide the Non-Controlling Party with copies of any correspondence or filings submitted to any Tax Authority or judicial authority in connection with such potential adjustment in such Tax Contest; (D) the Controlling Party shall consult with the Non-Controlling Party and offer the Non-Controlling Party a reasonable opportunity to comment before submitting any written materials prepared or furnished in connection with such potential adjustment in such Tax Contest; and (E) the Controlling Party shall defend such Tax Contest diligently and in good faith. The failure of the Controlling Party to take any action specified in the preceding sentence with respect to the Non-Controlling Party shall not relieve the Non-Controlling Party of any liability and/or obligation which it may have to the Controlling Party under this Agreement except to the extent that the Non-Controlling Party was actually harmed by such failure, and in no event shall such failure relieve the Non-Controlling Party from any other liability or obligation which it may have to the Controlling Party. In the case of any Tax Contest described in this Article VII, "Controlling Party," means the Party entitled to control the Tax Contest under such Section and "Non-Controlling Party" means (x) TFMC if TEN is the Controlling Party and (y) TEN if TFMC is the Controlling Party.

(d) *Tax Contest Participation.* Subject to Section 7.2(e), and unless waived by the Parties in writing, the Controlling Party shall provide the Non-Controlling Party with written notice reasonably in advance of, and the Non-Controlling Party shall have the right to attend and participate in, any formally scheduled meetings with Tax Authorities or hearings or proceedings before any judicial authorities in connection with any potential adjustment in a Tax Contest (i) pursuant to which the Non-Controlling Party may reasonably be expected to become liable to make any indemnification payment to the Controlling Party under this Agreement or (ii) that is with respect to a TEN Separate Return for a Pre-Distribution Period or Straddle Period and could reasonably be expected to adversely affect any member of the TFMC Group or for any other Tax Period that could reasonably be expected to materially adversely affect any member of the TFMC Group. The failure of the Controlling Party to provide any notice specified in this Section 7.2(d) to the Non-Controlling Party shall not relieve the Non-Controlling Party of any liability or obligation which it may have to the Controlling Party under this Agreement except to the extent that the Non-Controlling Party was actually harmed by such failure, and in no event shall such failure relieve the Non-Controlling Party from any other liability or obligation which it may have to the Controlling Party.

(e) *Joint Returns.* Notwithstanding anything in this Article VII to the contrary, in the case of a Tax Contest related to a Joint Return, the rights of TEN and its Affiliates under Section 7.2(c) and Section 7.2(d) shall be limited in scope to the portion of such Tax Contest relating to Taxes for which TEN may reasonably expected to become liable to make any indemnification payment to TFMC under this Agreement.

(f) *Power of Attorney.* Each member of the TEN Group shall execute and deliver to TFMC (or such member of the TFMC Group as TFMC shall designate) any power of attorney or other similar document reasonably requested by TFMC (or such designee) in connection with any Tax Contest (as to which TFMC is the Controlling Party) described in this Article VII. Each member of the TFMC Group shall execute and deliver to TEN (or such member of the TEN Group as TEN shall designate) any power of attorney or other similar document requested by TEN (or such designee) in connection with any Tax Contest (as to which TEN is the Controlling Party) described in this Article VII.

ARTICLE VIII SURVIVAL OF OBLIGATIONS

Section 8.1. Survival of Obligations. The representations, warranties, covenants and agreements set forth in this Agreement shall be unconditional and absolute and shall remain in effect without limitation as to time.

ARTICLE IX TAX TREATMENT OF INTEREST

Section 9.1. Tax Treatment of Interest. Anything herein or in the Separation Agreement to the contrary notwithstanding, to the extent one Party makes a payment of interest to the other Party under this Agreement with respect to the period from the date that the Party receiving the interest payment made a payment of Tax to a Tax Authority to the date that the Party making the interest payment reimbursed the Party receiving the interest payment for such Tax payment, the interest payment shall be treated as interest expense to the Party making such payment (deductible to the extent provided by Law) and as interest income by the Party receiving such payment (includible in income to the extent provided by Law). The amount of the payment shall not be adjusted to take into account any associated Tax Benefit to the Party making such payment or increase in Tax to the Party receiving such payment.

ARTICLE X GROSS-UP OF INDEMNIFICATION PAYMENTS

Section 10.1. Gross-Up of Indemnification Payments. Except to the extent provided in Section 9.1, any Tax indemnity payment made by a Party under this Agreement shall be increased as necessary so that after making all payments in respect to Taxes imposed on or attributable to such indemnity payment, the recipient Party receives an amount equal to the sum it would have received had no such Taxes been imposed.

ARTICLE XI
DISPUTE RESOLUTION

Section 11.1. Dispute Resolution. Any and all disputes, controversies and claims arising hereunder, including with respect to (i) the validity, interpretation, performance, breach or termination of this Agreement or (ii) the proper treatment of any Tax not specifically characterized in this Agreement (collectively, “Tax Matters Disputes”) shall be resolved through the procedures provided in Article VI of the Separation Agreement, with Tax Matters Disputes included within the meaning of the term “Dispute” for purposes of Article VI of the Separation Agreement.

ARTICLE XII
MISCELLANEOUS

Section 12.1. Termination. In the event the Separation Agreement is terminated, this Agreement shall automatically become null and void and no Party, nor any Party’s directors, officers or employees, shall have any Liability of any kind to any Person by reason of this Agreement. After the Distribution, this Agreement may not be terminated except by an agreement in writing signed by TFMC and TEN.

Section 12.2. Corporate Power.

(a) TFMC represents on behalf of itself and each other member of the TFMC Group, and TEN represents on behalf of itself and each other member of the TEN Group, as follows:

(i) each such Person has the requisite corporate or other power and authority and has taken all corporate or other action necessary in order to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby; and

(ii) this Agreement has been or will be duly executed and delivered by it and constitutes or will constitute a valid and binding agreement of it enforceable in accordance with the terms thereof.

(b) Each Party acknowledges that it and each other Party may execute this Agreement by facsimile, stamp or mechanical signature. Each Party expressly adopts and confirms each such facsimile, stamp or mechanical signature made in its respective name as if it were a manual signature, agrees that it shall not assert that any such signature is not adequate to bind such Party to the same extent as if it were signed manually and agrees that at the reasonable request of any other Party at any time it shall as promptly as reasonably practicable cause this Agreement to be manually executed (any such execution to be as of the date of the initial date thereof).

Section 12.3. Modifications or Amendments. Subject to the provisions of applicable Law, and except as otherwise provided in this Agreement, this Agreement may be amended, modified or supplemented only by written instrument signed by the authorized representative of the Party against whom it sought to enforce such waiver, amendment, supplement or modification is sought to be enforced; provided, at any time prior to the Effective Time, the terms and conditions of this Agreement, including terms relating to the Transactions, may be amended, modified or abandoned by and in the sole and absolute discretion of the TFMC Board without the approval of any Person, including TFMC or TEN.

Section 12.4. Waivers of Default. Waiver by a Party of any default by the other Party of any provision of this Agreement shall not be deemed a waiver by the waiving Party of any subsequent or other default, nor shall it prejudice the rights of the other Party. No failure or delay by a Party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall a single or partial exercise thereof prejudice any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 12.5. Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or by electronic delivery in .pdf format shall be sufficient to bind the parties to the terms and conditions of this Agreement.

Section 12.6. Governing Law. This Agreement (and any claims or Tax Matters Disputes arising out of or related hereto or to the transactions contemplated hereby or to the inducement of any Party to enter herein, whether for breach of contract, tortious conduct or otherwise and whether predicated on common law, statute or otherwise) shall be governed by and construed and interpreted in accordance with the Laws of the State of New York, irrespective of the choice of laws principles of the State of New York, including all matters of validity, construction, effect, enforceability, performance and remedies.

Section 12.7. Notices. Any notice, request, instruction or other document to be given hereunder by any party to the others shall be in writing and delivered personally or sent by registered or certified mail, postage prepaid or by prepaid overnight courier (providing written proof of delivery), or by electronic mail (with confirmed receipt), addressed as follows:

Section 12.8. Entire Agreement. This Agreement (including any exhibits hereto), the Separation Agreement and the other Ancillary Agreements constitute the entire agreement, and supersede all other prior agreements, understandings, representations and warranties both written and oral, among the parties, with respect to the subject matter hereof; for the avoidance of doubt, the preceding clause shall apply to all other agreements, whether or not written, in respect of any Tax between or among any member or members of the TFMC Group, on the one hand, and any member or members of the TEN Group, on the other hand, which agreements shall be of no further effect between the parties thereto and any rights or obligations existing thereunder shall be fully and finally settled, calculated as of the date hereof. Except as expressly set forth in the Separation Agreement or any Ancillary Agreement: (i) all matters relating to Taxes and Tax Returns of the Parties and their respective Subsidiaries, to the extent such matters are the subject of this Agreement, shall be governed exclusively by this Agreement; and (ii) for the avoidance of doubt, in the event of any conflict between the Separation Agreement or any Ancillary Agreement, on the one hand, and this Agreement, on the other hand, with respect to such matters, the terms and conditions of this Agreement shall govern.

Section 12.9. No Third-Party Beneficiaries. Except for the indemnification rights under this Agreement of any TFMC Indemnitee or TEN Indemnitee in their respective capacities as such: (a) the provisions of this Agreement are solely for the benefit of the Parties and are not intended to confer upon any Person (including any shareholders of TFMC or shareholders of TEN) except the Parties hereto any rights or remedies hereunder; and (b) there are no third-party beneficiaries of this Agreement and this Agreement shall not provide any third Person (including any shareholders of TFMC or shareholders of TEN) with any remedy, claim, reimbursement, claim of action or other right in excess of those existing without reference to this Agreement.

Section 12.10. Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability or the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

Section 12.11. Interpretation. The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, Schedule or Exhibit, such reference shall be to a Section of, Schedule to or Exhibit to this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” For purposes of this Agreement, whenever the context requires the singular number shall include the plural, and vice versa. All references in this Agreement to “\$” are intended to refer to United States dollars and all references to “EUR” are to the lawful currency of the European Union. Any reference to a particular Law means such Law as amended, modified or supplemented (including all rules and regulations promulgated thereunder) and, unless otherwise provided, as in effect from time to time.

Section 12.12. Defined Terms. Capitalized terms used and not otherwise defined herein shall have the meanings specified or referred to in Annex I.

Section 12.13. Assignment. Neither this Agreement, nor any of the rights, interests or obligations under this Agreement, shall be assigned, in whole or in part, by either Party without the prior written consent of the other Party. Any attempted or purported assignment in violation of the preceding sentence shall be null and void and of no effect whatsoever. Subject to the preceding two sentences, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assigns.

Section 12.14. Specific Performance.

(a) The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the specific terms hereof or were otherwise breached. It is accordingly agreed that prior to the termination of this Agreement in accordance with Section 12.1, the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (without necessity of posting bond or other security (any requirements therefor being expressly waived)), this being in addition to any other remedy to which they are entitled at Law or in equity.

(b) Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief as provided herein on the basis that (i) the other Party has an adequate remedy at Law or (ii) an award of specific performance is not an appropriate remedy for any reason at Law or equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 12.15. Payment Terms.

(a) Except as otherwise expressly provided to the contrary in this Agreement, any amount to be paid or reimbursed by a Party (where applicable, or a member of such Party's Group) to the other Party (where applicable, or a member of such other Party's Group) under this Agreement shall be paid or reimbursed hereunder within sixty (60) days after presentation of an invoice or a written demand therefor, in either case setting forth, or accompanied by, reasonable documentation or other reasonable explanation supporting such amount.

(b) Except as expressly provided to the contrary in this Agreement, any amount not paid when due pursuant to this Agreement (and any amount billed or otherwise invoiced or demanded and properly payable that is not paid within sixty (60) days of such bill, invoice or other demand) shall bear interest at a rate per annum equal to the Prime Rate, from time to time in effect, plus two percent (2%), calculated for the actual number of days elapsed, accrued from the date on which such payment was due up to the date of the actual receipt of payment.

(c) Without the consent of the Party receiving any payment under this Agreement specifying otherwise, all payments to be made by either TFMC or TEN under this Agreement shall be made in U.S. dollars or in Euros, as requested by the recipient Party. Except as expressly provided herein, any payment required to be made pursuant to Section 3.1 and Section 3.2 which is not expressed in either U.S. dollars or Euros shall be converted into U.S. dollars or Euros, as the case may be, by using the applicable exchange rate used by the recipient Party for financial reporting or accounting purposes for the month in which the applicable Tax Return is filed or in which any applicable Final Determination is made. In the event that any payment required to be made hereunder other than pursuant to the preceding sentence is denominated in a currency other than U.S. dollars or Euros, the amount of such payment shall be converted into U.S. dollars or Euros, as requested by the indemnified Party, using the applicable exchange rate used by the recipient Party for financial reporting or accounting purposes for the month in which notice of the claim is given to the indemnifying Party.

Section 12.16. Survival of Covenants. Except as expressly set forth in this Agreement, the covenants, representations and warranties contained in this Agreement, and liability for the breach of any obligations contained herein, shall survive the Transactions and shall remain in full force and effect in accordance with their terms.

Section 12.17. Construction. This Agreement shall be construed as if jointly drafted by the Parties and no rule of construction or strict interpretation shall be applied against either Party. The Parties represent that this Agreement is entered into with full consideration of any and all rights which the Parties may have. 1.2 TEN Group Employee Liabilities. Except as specifically provided in this Employee Matters Agreement, a Country Schedule, or required by applicable local Law, the TEN Group will be solely responsible for (i) all employment, compensation and employee benefits Liabilities relating to TEN Employees and Former TEN Employees, (ii) all Liabilities relating to or arising under each TEN Benefit Plan, and (iii) any other Liabilities expressly assigned or allocated to a TEN Group member under this Employee Matters Agreement, whether arising before, on or after the Distribution Date, whether based on facts occurring before, on or after the Distribution Date and irrespective of which Person such Liabilities are asserted against or which Person such Liabilities attached to as a matter of applicable Law or contract (collectively, “TEN Employee Liabilities”).

ARTICLE II.
EMPLOYEES AND EMPLOYEE TRANSFERS

2.1 Assignment and Transfer of Employees.

(a) Effective as of no later than the Distribution Date, and except as otherwise agreed by the Parties, the applicable members of the TFMC Group and the TEN Group shall have taken such actions as are necessary to ensure that (i) each individual who the parties have agreed will be treated as a TEN Employee is employed by a TEN Entity as of such date and (ii) each individual who the parties have agreed will be treated as a TFMC Employee is employed by a TFMC Entity as of such date. The Parties agree to execute, and to seek to have the applicable employees execute, such documentation, if any, as may be necessary to reflect such assignment or transfer.

(b) All transfers of employment will be accomplished in accordance with applicable Laws, and each Party will use commercially reasonable efforts to (i) transfer employees upon the same terms and conditions as such employee enjoyed immediately prior to such transfer or upon the same terms and conditions as other similarly situated employees of the employing entity into which such employee is transferred, and (ii) effectuate such transfers in a manner that does not result in the payment of severance, end of service gratuities or similar amounts, unless otherwise required by Law.

(c) To the extent that (i) the applicable Law of any jurisdiction, (ii) any applicable Collective Bargaining Agreement or other applicable agreement with a works council or economic committee, or (iii) any applicable employment agreement would require either Party to provide terms of employment to any transferred Employee that are more favorable than those otherwise provided for in this Employee Matters Agreement in connection with the Distribution, then such Party will or will cause a member of its Group to provide such Employee with such more favorable terms.

(d) For purposes of this Employee Matters Agreement, with respect to any former employee who provided services to both the TEN Business and the TFMC Business as a shared services employee, and whose employment terminated prior to the Distribution Date, then such former employee will be treated as either a Former TEN Employee or a Former TFMC Employee based on the following principles: (i) such employee will be allocated to the business for which he or she performed a majority of his or services, as reasonably determined by the Parties working in good faith, or (ii) if it cannot be determined that such former employee performed a majority of his or her services for one of the businesses, then such former employee will be treated as a former employee of the entity from which he or she terminated employment.

(c) unless otherwise required by applicable Law, any employee who was on an approved long-term or short-term disability leave on the Distribution Date and who returns to active service within eighteen (18) months after the Distribution Date (or such other period required by applicable Law), with such transfer occurring immediately upon the employee returning to active service); or

(d) any employee who transfers employment before, or at the expiration of, the applicable period of the Transition Services Agreement under which such employee provides services, as mutually determined between TFMC and TEN.

(e) Notwithstanding anything herein to the contrary, no employee will be considered a Delayed Transfer Employee unless the mutual agreement with respect to, and the Delayed Transfer Date of, the Delayed Transfer Employee occurs on or before the end of the maximum period during which the transfer is permitted to occur, as detailed above.

2.4 Collective Bargaining Agreements.

(a) Unless otherwise required by applicable local Law, the Parties agree that if Employees are being transferred into a newly formed entity pursuant to this Article 2, then (a) the Collective Bargaining Agreements that are applicable to any such TEN Employees will have effect after the applicable Employment Transfer Date as if originally made between such TEN Entity (or a union, works council, or trade organization of which a TEN Group entity is a member) and the other parties to the Collective Bargaining Agreement, subject to the terms of such Collective Bargaining Agreement, and (ii) the Collective Bargaining Agreements that are applicable to any such TFMC Employees will have effect after the Employment Transfer Date as if originally made between a TFMC Entity (or a union, works council, or trade organization of which a TFMC Group entity is a member) and the other parties to the Collective Bargaining Agreement, subject to the terms of such Collective Bargaining Agreement.

(a) As of the Plan Split Date, or, if later, the applicable Employment Transfer Date, TEN will use commercially reasonable efforts to cause the TEN Spinoff Welfare Plans to recognize all amounts applied to deductibles, co-payments and out-of-pocket maximums with respect to TEN Employees (and Former TEN Employees and Plan Payees, if applicable) under the corresponding Split TFMC Welfare Plan during the plan year in which the Distribution or Delayed Transfer Date occurs, to the same extent recognized under the corresponding Split TFMC Welfare Plan prior to the Plan Split Date or the applicable Employment Transfer Date, and the TEN Spinoff Welfare Plans will not impose any limitations on coverage for preexisting conditions other than such limitations as were applicable under the corresponding Split TFMC Welfare Plan prior to the Plan Split Date or the applicable Employment Transfer Date. 6.5 Workers' Compensation. If a workers' compensation claim relating to an employee transferred under Section 2 is insured, then the party holding the insurance (the "Insured Party") that covers such workers' compensation claim will be responsible for such claim, regardless of when the Workers' Compensation Events to which such claims relate occurred. To the extent any such Losses are payable under an insurance policy held by the Insured Party, then the Insured Party will use reasonable best efforts to take all actions necessary to obtain payment of such Losses under the applicable insurance policy. The Insured Party will have sole authority for administering, making decisions with respect to, and paying covered workers' compensation claims with respect to Workers' Compensation Events occurring before the Employment Transfer Date, subject to the prior consent of the other Party, which consent shall not be unreasonably withheld. The consent described in the immediately preceding sentence will be evidenced in writing with respect to any decision relating to (a) the settlement of a workers' compensation claim, (b) the designation of an "allowed condition," or (c) the administration of ongoing litigation. (a) Effective immediately prior to the Distribution, subject to the terms of this Article VII (including Section 7.6), each TFMC Equity Compensation Award that is held by a TFMC Participant and is outstanding as of immediately prior to the Distribution will be adjusted as follows:

(i) TFMC Time-Based RSUs held by each TFMC Participant will be adjusted, effective as of the Distribution Date and immediately prior to the Distribution, pursuant to the adjustment provisions of the TFMC LTIP, to be Adjusted TFMC Time-Based RSUs. Subject to the adjustment provisions of the TFMC LTIP, the Adjusted TFMC Time-Based RSUs will be subject to substantially similar vesting and payment terms that were applicable to the respective TFMC Time-Based RSUs immediately prior to the Distribution Date. The number of such Adjusted TFMC Time-Based RSUs that will be held by each such TFMC Participant immediately following such adjustment will be equal to the product (rounded down to the nearest whole unit) of (A) the number of such TFMC Time-Based RSUs held by such TFMC Participant immediately prior to the Distribution and (B) the TFMC Adjustment Ratio.

(ii) TFMC Performance-Based RSU held by each TFMC Participant will be adjusted, effective as of the Distribution Date and immediately prior to the Distribution, pursuant to the adjustment provisions of the applicable TFMC LTIP, to be Adjusted TFMC Performance-Based RSUs. Subject to the adjustment provisions of the TFMC LTIP, the Adjusted TFMC Performance-Based RSUs will be subject to substantially similar vesting and payment terms that were applicable to the respective TFMC Performance-Based RSUs immediately prior to the Distribution Date, except that each Adjusted TFMC Performance-Based RSU granted in 2019 and 2020 will be modified to remove all performance-based vesting conditions (such that each Adjusted TFMC Performance-Based RSU granted in 2019 and 2020 will vest following the Distribution Date solely upon the satisfaction of time-based vesting conditions). The number of such Adjusted TFMC Performance-Based RSUs that will be held by each such TFMC Participant immediately following such adjustment will be equal to the product (rounded down to the nearest whole unit) of (A) the target number of such TFMC Performance-Based RSUs held by such TFMC Participant immediately prior to the Distribution and (B) the TFMC Adjustment Ratio.

(iii) TFMC Options, whether vested or unvested, held by each TFMC Participant will be adjusted, effective as of the Distribution Date and immediately prior to the Distribution, pursuant to the adjustment provisions of the TFMC LTIP, to be Adjusted TFMC Options. Subject to the adjustment provisions of the TFMC LTIP, the Adjusted TFMC Options will be subject to substantially similar vesting, exercise and payment terms that were applicable to the respective TFMC Options immediately prior to the Distribution Date. The number of such Adjusted TFMC Options that will be held by each such TFMC Participant will be equal to the product (rounded down to the nearest whole share) of (A) the number of such TFMC Options held by such TFMC Participant immediately prior to the Distribution and (B) the TFMC Adjustment Ratio. The exercise price per Adjusted TFMC Option will be equal to the quotient (rounded up to the nearest whole cent) of (I) the exercise price of the respective TFMC Option *divided by* (II) the TFMC Adjustment Ratio.

(b) Effective immediately prior to the Distribution, subject to the terms of this Article VII (including Section 7.6), each TFMC Equity Compensation Award that is held by a TEN Participant and is outstanding as of immediately prior to the Distribution will be adjusted as follows:

(i) After giving effect to Section 7.6, each TFMC Time-Based RSU held by each TEN Participant will be cancelled for no consideration on the Distribution Date. On or as soon as practicable following the Distribution, TEN shall grant to each TEN Participant whose TFMC Time-Based RSUs were cancelled TEN Time-Based RSUs equal to the product (rounded down to the nearest whole unit) of (A) the number of such TFMC Time-Based RSUs held by such TEN Participant immediately prior to the Distribution Date and (B) the TEN Adjustment Ratio. The TEN Time-Based RSUs granted under this Section 7.1(b)(i) will be subject to substantially similar vesting and payment terms (subject to any changes made by TEN that are consistent with the TEN LTIP and that do not otherwise require participant consent) that were applicable to the corresponding TFMC Time-Based RSUs immediately prior to the Distribution Date.

(ii) After giving effect to Section 7.6, each TFMC Performance-Based RSU held by each TEN Participant will be cancelled for no consideration on the Distribution Date. On or as soon as practicable following the Distribution, TEN will grant TEN RSUs (either as TEN Time-Based RSUs or TEN Performance-Based RSUs as described below) to each TEN Participant whose TFMC Performance-Based RSUs were cancelled with the number of such TEN RSUs equal to the product (which will be rounded down to the nearest whole unit) of (A) the target number of such TFMC Performance-Based RSUs held by such TEN Participant immediately prior to the Distribution and (B) the TEN Adjustment Ratio. Each TEN RSU granted under this Section 7.1(b)(ii) in replacement of TFMC Performance Based RSUs granted in 2019 and 2020 will be granted as a TEN Time-Based RSU which will vest solely upon the satisfaction of the service or time-based vesting conditions and will have payment terms (subject to any changes made by TEN that are consistent with the TEN LTIP and that do not otherwise require participant consent) that were applicable to the corresponding TFMC Performance-Based RSUs immediately prior to the Distribution Date. Each TEN RSU granted under this Section 7.1(b)(ii) that is not in replacement of TFMC Performance Based RSUs granted in 2019 and 2020 will be granted as a TEN Performance-Based RSU, subject to substantially similar vesting and payment terms (subject to any changes made by TEN that are consistent with the TEN LTIP and that do not otherwise require participant consent) that were applicable to the corresponding TFMC Performance-Based RSUs immediately prior to the Distribution Date.

(iii) Each TFMC Option that is vested as of immediately prior to the Distribution (after giving effect to Section 7.6) and is held by a TEN Participant will be adjusted, effective as of the Distribution Date and immediately prior to the Distribution, pursuant to the adjustment provisions of the TFMC LTIP, to be Adjusted TFMC Options. The Adjusted TFMC Options will be subject to substantially similar exercise and payment terms that were applicable to the respective TFMC Options immediately prior to the Distribution Date. The number of such Adjusted TFMC Options that will be held by each such TEN Participant will be equal to the product (rounded down to the nearest whole share) of (A) the number of vested TFMC Options held by such by a TEN Participant immediately prior to the Distribution and (B) the TFMC Adjustment Ratio. The exercise price per Adjusted TFMC Option will be equal to the quotient (rounded up to the nearest whole cent) of (I) the exercise price of the respective TFMC Option *divided by* (II) the TFMC Adjustment Ratio. From and after the Distribution, each of TFMC and TEN shall cooperate in good faith to facilitate the orderly administration of the Adjusted TFMC Options held by TEN Participants, including, without limitation, the sharing of information relating to tax withholding, remittance and reporting and compliance with applicable Law.

(iv) Each TFMC Option held by a TEN Participant that is not vested on the Distribution Date will be cancelled for no consideration on the Distribution Date. On or as soon as practicable following the Distribution, TEN will grant TEN Options to each TEN Participant whose TFMC Options were cancelled with the number of such TEN Options to be equal to the product (rounded down to the nearest whole share) of (A) the number of unvested TFMC Options held by such TEN Participant immediately prior to the Distribution and (B) the TEN Adjustment Ratio. The exercise price per TEN Option will be equal to the quotient (rounded up to the nearest whole cent) of (I) the exercise price of the respective TFMC Option *divided by* (II) the TEN Adjustment Ratio. The TEN Options will be subject to substantially similar vesting and payment terms (subject to any changes made by TEN that are consistent with the TEN LTIP and that do not otherwise require participant consent) that were applicable to the respective TFMC Options immediately prior to the Distribution Date.

(v) Each TFMC Time-Based RSU held by each TEN Director will be cancelled for no consideration on the Distribution Date. As soon as practical following the Distribution, TEN shall grant each TEN Director TEN Time-Based RSUs in accordance with TEN's director remuneration policy in payment of all director equity grants for service to both TEN and TFMC in 2021. Each TFMC Vested Director RSU will be settled either (a) after a period of one (1) to ten (10) years from the grant date or (b) upon the applicable TEN Director's separation of service from the TFMC board, as previously elected by the applicable TEN Director in accordance with the terms of the TFMC Vested Director RSUs.

(c) Prior to the Distribution Date, TEN will establish equity compensation plans, including the TEN LTIP, so that upon the Distribution, TEN will have in effect an equity compensation plan that allows grants of equity compensation awards subject to substantially the same terms as those that apply to the applicable TFMC Equity Compensation Awards (including the TEN Time-Based RSUs and TEN Options, as contemplated by Section 7.1(b) above). From and after the Distribution Date, each TEN Equity Compensation Award will be subject to the terms of the applicable TEN equity compensation plan, the award agreement and such other applicable writings governing such TEN Equity Compensation Award and any Employment Agreement to which the applicable holder is a party. From and after the Distribution Date, (i) TEN will retain, pay, perform, fulfill and discharge all Liabilities arising out of or relating to the TEN Equity Compensation Awards, which will constitute TEN Employee Liabilities for purposes of this Employee Matters Agreement, and (ii) TFMC will retain, pay, perform, fulfill and discharge all Liabilities arising out of or relating to the TFMC Equity Compensation Awards, which will constitute TFMC Employee Liabilities for purposes of this Employee Matters Agreement.

7.2 Conformity with Laws. Notwithstanding anything to the contrary in this Employee Matters Agreement, (i) to the extent any of the provisions in this Article VII (or any equity award described herein) do not conform with applicable Laws (including provisions for the collection of withholding taxes), such provisions shall be modified to the extent necessary to conform with such Laws in such manner as is equitable and to preserve the intent hereof, as determined by the parties in good faith, and (ii) the provisions of this Article VII may be modified, as mutually agreed by the parties, to the extent necessary to avoid undue cost or administrative burden arising out of the application of this Article VII to awards subject to Laws.

7.3 Tax Withholding and Reporting.

(a) Except as otherwise required by applicable Law, the appropriate member of the TFMC Group will be responsible for all payroll taxes, withholding and reporting with respect to TFMC Equity Compensation Awards held by TFMC Employees, Former TFMC Employees, TEN Employees and Former TEN Employees. Except as otherwise required by applicable Law, the appropriate member of the TEN Group will be responsible for all payroll taxes, withholding and reporting with respect to TEN Equity Compensation Awards held by TEN Employees.

(b) If TFMC or TEN determines in its reasonable judgment that any action required under this Article VII will not achieve the intended tax, accounting and legal results, including, without limitation, the intended results under Code Section 409A or FASB ASC Topic 718 – Stock Compensation, then at the request of TFMC or TEN, as applicable, TFMC and TEN will mutually cooperate in taking such actions as are necessary or appropriate to achieve such results, or most nearly achieve such results if the originally-intended results are not fully attainable.

(c) Tax deductions with respect to TFMC Equity Compensation Awards and TEN Equity Compensation Awards will be allocated in accordance with the Tax Matters Agreement.

7.4 Employment Treatment.

(a) On the Distribution Date each TEN Employee and Former TEN Employee, other than a TEN Transferee will be deemed to have terminated employment with the TFMC Group and will cease vesting in any TFMC Equity Compensation Award. For purposes of this Article VII only, if an individual is a TEN Transferee, such individual's employment will be considered to have terminated his or her employment on his or her Delayed Transfer Date.

(b) If, after the Distribution Date, TFMC or TEN identifies an administrative error in the individuals identified as holding TFMC Equity Compensation Awards and TEN Equity Compensation Awards, the amount of such awards so held, the forfeiture of any such awards, vesting level of such awards, or any other similar error, TFMC and TEN will mutually cooperate in taking such actions as are necessary or appropriate to place, as nearly as reasonably practicable, the individual and TFMC and TEN in the position in which they would have been had the error not occurred.

7.5 Registration. TEN will register the TEN Shares relating to the TEN Equity Compensation Awards and make any necessary filings with the appropriate Governmental Entities as required under securities Laws.

7.6 Accelerated Vesting. The transfer of assets will be in cash or in kind (as determined by TFMC) and include outstanding loan balances in accordance with Code Section 414(l) and Treasury Regulation Section 1.414(l)-1 and Section 208 of ERISA.

(c) On or as soon as reasonably practicable following the Delayed Transfer Date (if later than the DC Plan Split Date) (but not later than 30 days thereafter), a TEN Entity will cause the accounts, related Liabilities, and related Assets in the TEN 401(k) Plan attributable to any TFMC Transferees and their respective Plan Payees (including any outstanding loan balances) to be transferred in cash in accordance with Code Section 414(l) and Treasury Regulation Section 1.414(l)-1 and Section 208 of ERISA to the applicable TEN Plan. TFMC or another member of the TFMC Group will cause the TFMC 401(k) Plan to accept such transfer of accounts, liabilities and assets.

(a) On or as soon as reasonably practicable following the DC Plan Split Date (but not later than 30 days thereafter), TEN or another member of the TEN Group will cause the Technip USA Executive Retirement Plan (the “TEN Executive Retirement Plan”) to transfer to the TechnipFMC Non-Qualified Savings and Investment Plan (the “TFMC Excess Benefit Plan”), and TFMC or another member of the TFMC Group will cause such TFMC Excess Benefit Plan to accept the transfer of, the accounts, Liabilities and related assets in the TEN Executive Retirement Plan attributable to TFMC Employees and Former TFMC Employees, if applicable, and their respective Plan Payees. The transfer of any assets will be in cash and, once transferred, such accounts, Liabilities and related assets will vest in accordance with the terms of the TFMC Excess Benefit Plan as non-elective contributions thereunder.

(b) From and after the DC Plan Split Date, except as specifically provided in paragraph (a) above, (i) TEN and the TEN Group will be solely and exclusively responsible for all obligations and liabilities with respect to, or related to, benefits under the TEN Executive Retirement Plan, whether accrued before, on or after the DC Plan Split Date and (ii) TFMC and the TFMC Group will be solely and exclusively responsible for all obligations and liabilities with respect to, or related to, benefits under the TFMC Excess Benefit Plan, whether accrued before, on or after the DC Plan Split Date.

6.1 Flexible Spending Account Treatment

The parties will cooperate in good faith to cause the TEN Flexible Account Plan to give effect to the elections of TEN Employees (and Former TEN Employees, if applicable) that were in effect under the corresponding TFMC Flexible Account Plan as of the US Plan Split Date or, if later, the Delayed Transfer Date, subject to the terms of the TEN Flexible Account Plan. Notwithstanding the foregoing, if a Delayed Transfer Employee returning from disability leave has no election in place under the TFMC Flexible Account Plan, such employee may make a new election under the TEN Flexible Account Plan as of the Delayed Transfer Date, subject to the terms of the TEN Flexible Account Plan.

(b) The parties shall take all actions reasonably necessary or appropriate so that the account balances (positive or negative) under the TFMC Flexible Account Plan of each TEN Employee (or Former TEN Employee, if applicable) who has elected to participate therein in the year in which the Distribution Date or the applicable Delayed Transfer Date occurs shall be transferred, effective as of the US Plan Split date or, if later, the Delayed Transfer Date, as applicable, from the TFMC Flexible Account Plan to the corresponding TEN Flexible Account Plan. As soon as practicable after the end of the TFMC Flexible Account Plan’s plan year TFMC shall pay TEN the net aggregate amount of such transferred account balances, if such amount is positive, and TEN shall pay TFMC the net aggregate amount of such transferred account balances, if such amount is negative.

6.6 COBRA. Effective as of the US Plan Split Date or, if later, the Delayed Transfer Date, a TEN Entity will assume or will cause the TEN Spinoff Welfare Plans to assume sole responsibility for compliance with the continuation coverage requirements under Code Section 4980B and ERISA Sections 601-608 (“COBRA”) after the US Plan Split Date or, if later, the Delayed Transfer Date for all TEN Employees and their “qualified beneficiaries” for whom a “qualifying event” occurs on or after the Distribution Date or the Delayed Transfer Date; provided, however, that a TFMC Entity will be responsible for furnishing any election notice required under COBRA to any TEN Transferee. TFMC, the TFMC Group, or a Split Welfare Plan will remain solely responsible for compliance with COBRA before, on and after the US Plan Split Date or, if later, the Delayed Transfer Date for TFMC Employees, Former TFMC Employees, Former TEN Employees and their “qualified beneficiaries”; provided, however, that a TEN Entity will be responsible for furnishing any election notice required under COBRA to any TFMC Transferee. The terms “qualified beneficiaries” and “qualifying event” will have the meanings given to them under Code Section 4980B and ERISA Sections 601-608. For the avoidance of doubt, Section 5.1(a) of the Employee Matters Agreement will govern whether the TEN Spinoff Welfare Plans or Split Welfare Plans are responsible for claims incurred by TEN Employees or their qualified beneficiaries while receiving continuation coverage under COBRA. The parties agree that neither the Separation, the Distribution nor any assignment or transfer of the employment or services of any Employee as contemplated under this Employee Matters Agreement shall constitute a “qualifying event” for any purpose of COBRA.

TRANSITION SERVICES AGREEMENT

This TRANSITION SERVICES AGREEMENT (this “Agreement”), is entered into effective as of February 15, 2021 (“Effective Date”), by and between TechnipFMC plc, a public limited company formed under the Laws of England and Wales (“TFMC”) and Technip Energies N.V., a public limited liability company formed under the laws of the Netherlands and wholly owned subsidiary of TFMC (“TEN”). TFMC and TEN are each a “Party” and are sometimes referred to herein collectively as the “Parties.”

RECITALS

WHEREAS, TFMC, acting together with its subsidiaries, currently conducts the TFMC Business and the TEN Business;

WHEREAS, TFMC and TEN have entered into that certain Separation and Distribution Agreement, dated as of January 7, 2021 (the “Separation Agreement”) pursuant to which the Separation will be consummated; and

WHEREAS, following the Separation, the Parties have agreed that each Party, either itself or through its Subsidiaries, will provide to the other Party and its Subsidiaries certain services on a transitional basis to allow the other Party the time to develop the capability to perform such services for itself or to outsource such services to a third-party service provider;

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements, provisions and covenants contained in this Agreement, the Parties hereby agree as follows:

ARTICLE I. SERVICES

1.1 Provision of Services.

(a) Services Provided by TFMC. Subject to the terms and conditions of this Agreement, TFMC agrees to provide, or cause to be provided, to TEN and its Subsidiaries the Services described on Annex I, solely for purposes of the continued operation of the TEN Business by TEN and its Subsidiaries in the ordinary course consistent with how the TEN Business was operated during the one-year period prior to the Effective Date.

(b) Services Provided by TEN. Subject to the terms and conditions of this Agreement, TEN agrees to provide, or cause to be provided, to TFMC and its Subsidiaries the Services described on Annex II, solely for purposes of the continued operation of the TFMC Business by TFMC and its Subsidiaries in the ordinary course consistent with how the TFMC Business was operated during the one-year period prior to the Effective Date.

(c) Scope of Services. For the avoidance of doubt, any tasks necessary to accomplish the Services, even if such tasks are not expressly set forth in Annex I or Annex II, shall be deemed to be part of the “Services” to be performed by the applicable Provider pursuant to this Agreement, provided that such tasks are an inherent part of the Services described on Annex I or Annex II, as applicable.

(d) Required Consents. Provider shall use commercially reasonable efforts to obtain any third-party consents, approvals or amendments to Provider's existing third-party agreements that are necessary to allow Provider to provide the Services to Recipient (the "Consents"). Recipient shall pay, or, at Provider's request, reimburse Provider for, the cost of obtaining the Consents and any fees or charges associated with the Consents, including, but not limited to, any additional license, sublicense, access or transfer fees. Recipient acknowledges that there can be no assurance that Provider will be able to obtain the Consents. In the event that any Consents are not obtained, upon Recipient's request, Provider will reasonably cooperate with Recipient to identify, and if commercially feasible, to implement, a work-around or other alternative arrangement for any affected Service(s), provided that (i) Recipient shall be responsible for all fees and costs associated with any such work-around or alternative arrangement, and (ii) Recipient acknowledges that any such work-around or alternative arrangement may adversely impact the Service Standards, and Provider shall not be liable for any breach of the Service Standards that results from the adoption of any such work-around or alternative arrangement. If no commercially feasible alternative for a Service is available or capable of being reasonably implemented, Provider shall be relieved of its obligations to provide such Service.

(e) Cutover. Recipient shall be responsible for planning and preparing the transition to its own internal organization or other third-party service providers of the provision of each of the Services provided to it hereunder (the "Cutover"). At Recipient's request, Provider shall meet with Recipient within ten (10) calendar days following such request to assist Recipient with the initial development of a plan for Cutover (the "Cutover Plan") and shall provide Recipient with all information reasonably requested by it in connection with the development and implementation of the Cutover Plan. Recipient shall, with Provider's reasonable assistance, prepare a Cutover Plan with sufficient lead time in order to achieve a timely Cutover. Once the Cutover Plan is prepared, Recipient shall promptly provide Provider a copy of the Cutover Plan, and Provider shall reasonably cooperate and shall use commercially reasonable efforts to cause its third-party vendors to reasonably cooperate, at Recipient's expense, in a timely implementation of the Cutover Plan.

(f) Service and Project Managers. Each Party will appoint a manager for each Service (each a "Service Manager"), who shall be responsible for managing the provision of such Service and who shall be the primary contact for any issues relating to that Service. The Parties' initial Service Managers for each Service are set forth in Annex I and Annex II. In addition, each Party will appoint a project manager, who shall oversee the Service Managers and ultimately be responsible for all day-to-day matters arising hereunder, and who shall be the primary contact for the other Party for any issues arising hereunder that are not covered or resolved by the Service Managers (each a "Project Manager"). The Project Managers shall meet (in person or by telephone) at the request of either Project Manager, in order to ensure the provision of the Services in accordance with the terms hereof, as well as the orderly transition of those Services at the end of the applicable Service Term. TFMC's initial Project Manager shall be Stevan Verkin and TEN's initial Project Manager shall be Charles Cessot. Each Party may change its designated Project Manager upon notice to the other Party's Project Manager. Each Party may change any of its Service Managers upon notice to the other Party's Project Manager and applicable Service Manager.

(a) Changes. During the Term, the Parties may, in accordance with the procedures specified in this Section 1.2: (i) agree to modify the terms and conditions relating to the performance of a previously agreed-upon Service in order to reflect, among other things, new procedures or processes for providing such Service (a “Service Modification”), or (ii) agree upon terms and conditions related to the provision of services that are in addition to any of the previously agreed-upon Services and that were utilized in the conduct of the TEN Business or the TFMC Business (as appropriate), prior to Closing (an “Additional Service”).

(b) Change Requests. In the event either of the Parties desires a Service Modification or an Additional Service (in each case, a “Change”), the Party requesting the Change will deliver a written description of the proposed Change (a “Change Request”) to the other Party as follows: (i) in the case of a Change Request by Provider, to Recipient’s Project Manager; and (ii) in the case of a Change Request by Recipient, to Provider’s Project Manager.

(c) Meeting of the Parties. Unless the Party receiving the Change Request agrees to implement the Change Request as proposed, the Project Managers will meet in person or by telephone to discuss the Change Request no later than ten (10) Business Days after delivery of the Change Request to the other Party.

(d) Approval of Recipient Change Requests. All Recipient Change Requests must be approved by Provider’s Project Manager in writing before the Change may be implemented in accordance with Section 1.2(f) below, such approval not to be unreasonably withheld, conditioned, or delayed. For the purposes of the preceding sentence, the Parties agree that it is not unreasonable to: (i) withhold such consent to the extent that such proposed Change would increase the resources required for Provider to provide the Services after giving effect to the Change Request, (ii) withhold such consent if Provider determines that it would have to hire any new resources in order to provide the Services following implementation of the Change, whether due to lack of available personnel, lack of expertise of existing available personnel, or otherwise, (iii) condition such consent on Recipient agreeing to bear any increases in Provider’s cost of performance (including, if applicable, Fully Burdened Costs of personnel) resulting from such Change, or (iv) condition such consent on the Parties, acting in good faith, reaching an agreement on the pricing of the applicable Service following the Change.

(e) Approval of Provider Change Requests. All Provider Change Requests must be approved by Recipient’s Project Manager in writing before the Change may be implemented in accordance with Section 1.2(f) below. Such consent will not be unreasonably withheld, conditioned or delayed. For the purposes of the preceding sentence, the Parties agree that it is not unreasonable to: (i) withhold such consent to the extent that such proposed Change would materially adversely affect Provider’s performance of the Services after giving effect to the Change Request, (ii) condition such consent on Provider agreeing not to pass to Recipient any increases in Provider’s cost of performance resulting from such Change, or (iii) condition such consent on Provider agreeing to reimburse Recipient for any costs incurred by Recipient to implement or accommodate such Change in order to continue to receive the Services.

(f) Implementation of Approved Change. If a Change Request is approved in accordance with this Section 1.2, then Annex I or Annex II, as applicable, will be amended in accordance with Section 10.2 to reflect the implementation of the Change Request and any other agreed-upon terms or conditions relating to the Change.

1.3 Service Standards.

(a) Service Quality. Except to the extent otherwise expressly provided in Annex I or Annex II, as applicable, Provider shall provide, or cause to be provided, the Services with at least the same degree of care, quality, priority, timeliness, and skill as its past practice in performing the Services for itself and/or the Recipient's Business during the one-year period prior to the Effective Date (the "Service Standards"). For the avoidance of doubt, nothing herein shall be construed to require Provider to maintain the employment of any particular individual(s), or any number of individual(s), and Provider shall be free to hire and terminate its personnel and its contractors in its sole and absolute discretion.

(b) Maintenance. Notwithstanding anything to the contrary in Section 1.3(a), Provider shall have the right to shut down its facilities and/or systems used in providing the Services in accordance with scheduled maintenance windows that have been set by Provider and communicated in advance to Recipient's Project Manager; provided, however, that Provider shall not shut down any such facilities and/or systems during critical operating periods. The scheduled maintenance windows shall always be planned to be performed outside customary business hours, or if not possible, be planned so that such shut down shall not materially and adversely affect Recipient's operations. In the event maintenance is nonscheduled, Provider shall, whenever possible notify Recipient twenty-four (24) hours in advance. Unless not feasible under the circumstances, this notice shall be given in writing or by email to the Recipient's Project Manager. Where written notice is not feasible, Provider shall give prompt oral notice, which notice shall be promptly confirmed in writing by Provider. Provider shall be relieved of its obligations to provide Services only for the period of time that its facilities are so shut down but shall use commercially reasonable efforts to minimize each period of shutdown for such purpose and to schedule such shutdowns so as not to inconvenience or disrupt the conduct of the business of the Recipient. Provider shall consult with Recipient prior to temporary shutdowns to the extent reasonably practicable or, if not reasonably practicable, immediately thereafter in order to establish alternative sources for such Services. To the extent commercially reasonable, Provider will afford Recipient the benefit of any arrangements for substitute services that Provider makes on its own behalf.

ARTICLE II. FEES AND PAYMENT

2.1 Fees. In consideration of the Services, Recipient shall pay to Provider the Fees associated with the Services provided to Recipient and its Subsidiaries hereunder. The Fees for each Service will be determined as specified for such Service in Annex I and Annex II; provided that, if no Fees are specified for a Service in the applicable Annex, then the Fees for such Service shall be equal to Provider's Fully Burdened Cost for providing such Service (the "Fees"). In addition, without duplication of any expenses included in the Fees and unless specified otherwise in Annex I or Annex II, Recipient shall reimburse Provider for all reasonable out-of-pocket fees, costs and expenses incurred by Provider in the provision of the Services ("Expenses").

2.2 Payment Terms.

(a) Invoices. Except as otherwise provided in Annex I or Annex II with respect to any Service, promptly following the end of each calendar month during the Term, Provider shall deliver to Recipient or its nominated designee an invoice setting forth the Fees and Expenses for the Services provided by Provider during the prior month. All invoices or other demands for payment delivered pursuant to this Agreement shall set forth, or be accompanied by, reasonable documentation or other reasonable explanation supporting the amounts invoiced.

(b) Payment. Except as otherwise expressly provided to the contrary in this Agreement, any amount to be paid or reimbursed by a Party (where applicable, or a member of such Party's Group) to the other Party (where applicable, or a member of such other Party's Group) under this Agreement shall be paid or reimbursed hereunder within thirty (30) days after presentation of an invoice or a written demand therefor in accordance with Section 2.2(a). All payments under this Agreement shall be made by electronic funds transfer of immediately available funds to the bank account specified by the Party receiving the payment.

(c) Disputed Amounts. In the event that Recipient disputes in good faith the accuracy of any portion of an invoice, Recipient shall deliver to the Provider Project Manager notice of the dispute (which shall constitute an "Initial Notice" for purposes of the dispute resolution provisions incorporated by reference herein pursuant to Article IX), along with a reasonably detailed explanation of the basis of the dispute, on or prior to the applicable due date, and shall pay all undisputed portions of the applicable invoice in a timely manner in accordance with Section 2.2(b). The Project Managers shall attempt to resolve the dispute in a prompt manner. If the Project Managers are unable to resolve the dispute within ten (10) days from the date of the Initial Notice, either Party may, upon notice to the other Party, escalate the dispute to the "Dispute Committee" specified in Section 6.2(b) of the Separation Agreement, and thereafter, the dispute shall be resolved in accordance with Article IX hereof (and Article VI of the Separation Agreement).

(d) Late Payment Charge. Except as expressly provided to the contrary in this Agreement, any amount not paid when due pursuant to this Agreement (and any amount billed or otherwise invoiced or demanded and properly payable that is not paid within thirty (30) days of such bill, invoice or other demand) shall bear interest at a rate per annum equal to the Prime Rate, from time to time in effect, plus two percent (2%), calculated for the actual number of days elapsed, accrued from the date on which such payment was due up to the date of the actual receipt of payment.

(e) Currency Conversion. Without the consent of the Party receiving any payment under this Agreement specifying otherwise, all payments to be made by either Provider or Recipient under this Agreement shall be made in U.S. dollars. Except as expressly provided herein, any amount which is not expressed in U.S. dollars shall be converted into U.S. dollars by using the exchange rate published on Bloomberg at 5:00 pm, Eastern time, on the day before the relevant date, or in *The Wall Street Journal* on such date if not so published on Bloomberg.

2.3 Taxes. All sums payable under this Agreement are exclusive of value added tax, sales tax, service tax and turnover tax that may be levied in any jurisdiction (collectively, “Service Taxes”) which shall (if and to the extent applicable with respect to a Service) be payable by the Recipient of such Service to the extent that the Recipient bears primary liability for such Service Taxes under applicable Law. Except to the extent provided in the Tax Matters Agreement, each Party shall be liable for its own Taxes that are imposed on (or measured by) net income or net profits, however denominated, and any interest, penalties, additions to Tax or additional amounts in respect of the foregoing. If any Taxes are required to be deducted or withheld from any payments made by one Party (the “Payor”) to another Party (the “Payee”) hereunder, then such Payor shall (i) withhold or deduct the required amount and promptly pay such Taxes to the applicable Tax authority, and (ii) pay additional amounts to such Payee so that the net amount actually received by such Payee after such withholding or deduction of Tax is equal to the amount that such Payee would have received had no such withholding or deduction been required. If the Payor makes a payment pursuant to this Section 2.3 in respect of which a Payee obtains and is entitled to retain an actual cash refund of Tax or an actual reduction in a Tax liability (including by virtue of the Payee obtaining a deduction for Tax purposes in respect of the cost, liability or expense for which the Payee was subsequently reimbursed by the Payor) then the relevant Payee shall reimburse the Payor for an amount equal to the lower of the amount of: (i) such refund or such actual reduction, after deducting any Tax thereon and after deducting the reasonable costs and expenses incurred in obtaining such refund or reduction; and (ii) the relevant payment in respect of which such refund or actual reduction arises. Payor and Payee shall make commercially reasonable efforts to cooperate to the extent necessary to obtain any exemption relating to, or reduced rate of, deduction or withholding for or on account of Tax.

ARTICLE III. TERM AND TERMINATION

3.1 Term. This Agreement is effective as of the Effective Date and shall continue until the termination or expiration of all Services (the “Term”); provided, however, in the event the Separation Agreement is terminated, this Agreement shall automatically become null and void and no Party, nor any Party’s directors, officers or employees, shall have any Liability of any kind to any Person by reason of this Agreement. After the Distribution, this Agreement may not be terminated except as otherwise provided in this Article III, or by an agreement in writing signed by the Parties.

3.2 Service Terms; Extensions. The term for each Service is specified for that Service on Annex I and Annex II (each a “Service Term”). Except as otherwise provided in Annex I or Annex II with respect to any Service, upon notice from Recipient to Provider at least forty-five (45) days prior to the expiration of a Service Term, Recipient shall have the right to extend the Service Term for the applicable Service for up to six (6) additional months; provided that (i) in the event the Service to be extended is contingent upon the provision of another Service, both Services must be extended; (ii) Recipient shall be required to pay any additional fees or costs (including retention costs, if applicable) incurred by Provider in order to extend the Service Term for the applicable Service(s); (iii) during the extended Service Term, the Fees for the applicable Service shall be increased by twenty-five (25) percent; and (iv) the total aggregate Service Term (including any extension) for the applicable Service does not exceed twenty-four (24) months. For the avoidance of doubt, to the extent that any extension to a Service Term would result in the aggregate Service Term for the applicable Service exceeding twenty-four (24) months, such extension must be mutually agreed in writing between the Parties in accordance with Section 10.2.

3.3 Early Termination. Except as otherwise provided in Annex I or Annex II, Recipient may terminate this Agreement in respect of any or all of the Services, effective on the first day of any calendar month, by providing a minimum of thirty (30) days prior written notice Provider (an “Early Termination Notice”); provided, however, Recipient may not terminate a particular Service if such Service is interdependent with other Services, unless all such interdependent Services are simultaneously terminated. Recipient shall reimburse Provider for Stranded Costs, if any, resulting from any such early termination as set forth in Annex I or Annex II, as applicable.

3.4 Termination for Default.

(a) Termination for Non-Payment. A Provider may terminate this Agreement, with respect to all or any applicable Services it provides hereunder, if the Recipient fails to pay undisputed amounts due in accordance with Article II, and the Recipient fails to cure such payment default within thirty (30) days of receipt of notice of the payment default from the Provider.

(b) Termination for Material Breach. A Recipient may terminate this Agreement, with respect to all or any applicable Services it receives hereunder, if the Provider is in material breach of this Agreement with respect to its provision of Services hereunder, and the Provider fails to cure such material breach within thirty (30) days of receipt of notice of such material breach from the Recipient.

3.5 Effect of Termination.

(a) Upon the expiration or termination of this Agreement or the termination of the provision of any Services hereunder, the Parties shall pay all costs and other sums owed to the other for the terminated Services provided or reimbursement of excess payments through the date of such expiration or termination on the payment terms set forth in Article II. Unless Recipient is in default of its payment obligations hereunder, Provider will, at Recipient’s reasonable expense, provide such cooperation as may reasonably be requested by Recipient, in order to transition the terminated Services to Recipient or a third party service provider (the “Termination Services”). Notwithstanding anything to the contrary, the Recipient will pay Provider its Fully Burdened Cost for providing the Termination Services (including, without duplication, reimbursement of all Expenses), which will be invoiced and payable in the same manner as set forth for Expenses in Article II above.

(b) The provisions of Article I Section 1.1(f), this Section 3.5, Article V, Article VI, Article VIII, Article IX, and Article X shall survive the expiration or the termination of this Agreement. The remaining provisions shall survive to the extent such provisions are applicable to any amounts due for Services provided prior to termination or expiration, or are applicable to any Termination Services (including payment therefor).

ARTICLE IV.
COOPERATION AND ACCESS

4.1 Cooperation by Recipient. Subject to the terms and conditions set forth in this Agreement, Recipient shall use commercially reasonable efforts to make available, as reasonably requested by Provider, sufficient resources and timely decisions, approvals and acceptances in order that Provider may accomplish its obligations under this Agreement in a timely and efficient manner.

4.2 Access to Premises and Systems. Each Party agrees that it shall, without charge, provide such reasonable access to its premises, personnel and/or computer systems or information stores, and such reasonable assistance, as may be required to the other Party for the other Party to perform their obligations or receive the Services under this Agreement. Unless otherwise agreed to in writing by the Parties, each Party will: (i) use the premises, computer systems and information stores of the other Party solely for the purpose of providing or receiving the Services; (ii) limit such access to those of its representatives with a bona fide need to have such access in connection with the Services and who, if required by the provisions of this Agreement, have been duly approved to have such access, and (iii) comply, and cause its employees, subcontractors and third-party providers to comply, with all policies and procedures governing access to and use of such premises, computer systems and/or information stores made known to such Party in advance. All user identification numbers and passwords disclosed by a Party to the other Party and any information obtained by either Party as a result of such Party's access to and use of the other Party's computer systems shall be deemed to be, and treated as, Confidential Information of the disclosing Party hereunder in accordance with the provisions set forth in Article VIII, with the same degree of care as such receiving Party uses for its own information of a similar nature, but in no event a lower standard than a reasonable standard of care. The Parties shall cooperate in the investigation of any apparent unauthorized access to any premises, computer system and/or information stores of any Party. These provisions concerning access to premises, personnel and/or computer systems or information stores shall apply equally to any access and use by a Party of the other Party's electronic mail system, electronic switched network, either directly or via a direct inward service access or calling card feature, data network or any other property, equipment or service of the other Party, and any software that may be accessible by either Party in connection with this Agreement.

4.3 Compliance with Third Party Vendor Agreements. Recipient shall comply with the terms of all third-party vendor agreements, copies of which Recipient has been provided, which are used by Provider in providing the Services.

ARTICLE V.
INTELLECTUAL PROPERTY

5.1 Ownership of Intellectual Property. Except as otherwise expressly set forth herein, as between the Parties, each Party shall remain the exclusive owner of all right, title and interest throughout the world in and to its Intellectual Property, whether provided to one another in the performance or receipt of the Services, or in any other context given the relationships of the Parties under this Agreement. Without limiting the foregoing and for the avoidance of doubt, ownership of any Intellectual Property that is developed or generated after the Effective Date in connection with any Service will vest, as between the Parties, in the Provider of such Service, except for any Intellectual Property generated by Recipient's use of a Service in the ordinary course of operating the relevant business (e.g., copyrights in reports, documents or data generated through Recipient's use of a Service).

5.2 No Implied License. Each Party acknowledges that no license or conveyance of any rights to any Intellectual Property is granted to the receiving Party by the disclosure of Confidential Information pursuant to this Agreement. Except as otherwise provided in the Separation Agreement or this Agreement, Recipient further acknowledges that it will acquire no right, title or interest (including any license rights or rights of use) in any firmware or software, and the licenses therefor which are owned by Provider by reason of Provider's provision of the Services provided hereunder.

ARTICLE VI.
NO WARRANTIES; LIMITATION OF LIABILITY

6.1 No Warranties. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, BUT WITHOUT LIMITING ANY REPRESENTATIONS OR WARRANTIES IN THE SEPARATION AGREEMENT, (A) ALL SERVICES ARE PROVIDED "AS IS," AND (B) PROVIDER PROVIDES NO WARRANTY IN CONNECTION WITH THE SUBJECT MATTER OF THIS AGREEMENT AND HEREBY DISCLAIMS ANY AND ALL IMPLIED OR STATUTORY WARRANTIES, INCLUDING ALL IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE REGARDING SUCH SUBJECT MATTER. To the extent that Provider may not as a matter of applicable law disclaim any implied warranty, the scope and duration of such warranty will be the minimum permitted under such law.

6.2 Limitation of Liability. WITH THE EXCEPTION OF CLAIMS ARISING FROM A PROVIDER'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, THE PROVIDER SHALL NOT BE LIABLE TO THE RECIPIENT FOR ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF ITS ACTS OR OMISSIONS AS A PROVIDER HEREUNDER. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW, NEITHER PARTY, NOR ITS AFFILIATES, CONTRACTORS, SUPPLIERS OR AGENTS, SHALL HAVE ANY LIABILITY HEREUNDER FOR, AND DAMAGES SHALL NOT INCLUDE, ANY PUNITIVE, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES, OR DAMAGES CALCULATED BASED UPON LOST PROFITS, LOSS IN VALUE OR MULTIPLE OF EARNINGS. ANY CLAIM OR CAUSE OF ACTION REQUESTING OR CLAIMING SUCH DAMAGES IS SPECIFICALLY WAIVED AND BARRED, WHETHER OR NOT SUCH DAMAGES WERE FORESEEABLE OR A PARTY WAS NOTIFIED IN ADVANCE OF THE POSSIBILITY OF SUCH DAMAGES.

ARTICLE VII.
FORCE MAJEURE

7.1 Force Majeure. In case a Party shall be hindered, delayed or prevented from performing its obligations under this Agreement (other than its payment obligation), or if such performance is rendered impossible by reason of fire, explosion, earthquake, storm, flood, drought, embargo, pandemic, wars or other hostilities, strike, lockout or other labor disturbance, mechanical breakdown, governmental action, or any other cause that is beyond the reasonable control of a Party (a "Force Majeure Event"), then the Party so hindered, delayed or prevented shall not be liable to the other Party for the resulting delay or failure to carry out its obligations hereunder. In any such event, such Party's affected obligations hereunder shall be postponed for such time as its performance is suspended or delayed on account thereof. The affected Party will promptly notify the other Party, either orally or in writing, upon learning of the occurrence of such Force Majeure Event. If the Force Majeure Event affects the provision of Services by Provider hereunder, Provider shall use commercially reasonable efforts to remove such Force Majeure Event as soon as and to the extent reasonably possible and, in any event, will treat the Recipient the same as any other internal or external service recipient of the affected Services, if any. Upon the cessation of the Force Majeure Event, the affected Party will use commercially reasonable efforts to resume its performance with the least possible delay. Notwithstanding the foregoing, and notwithstanding anything to the contrary in this Agreement, Recipient shall not be required to pay for the affected Services during the pendency of a Force Majeure Event. If any Services are interrupted or suspended for more than ten (10) consecutive days, Recipient may immediately terminate the affected Services upon written notice to Provider.

ARTICLE VIII.
CONFIDENTIALITY

8.1 Confidentiality. Each of the Parties agrees that any Confidential Information of the other Party received in the course of performance under this Agreement shall be kept strictly confidential by the Parties, except that Provider may disclose Recipient's Confidential Information for the sole purpose of providing Services pursuant to this Agreement to any Affiliate of Provider or to third parties that provide such Services in accordance with the terms set forth in Section 10.16; provided, that Provider shall ensure that any such Affiliate or third party is bound in writing by obligations of confidentiality at least as strict as those contained herein. Provider shall be responsible for any such Affiliate or third party keeping confidential such Confidential Information of Recipient. The Party receiving Confidential Information further agrees (i) not to use the disclosing Party's Confidential Information except as necessary to perform its obligations under this Agreement, and (ii) to take the same care with the disclosing Party's Confidential Information as it does with its own, but in no event less than a reasonable degree of care. Upon the termination of this Agreement, each Party shall return to the other Party or destroy all of such other Party's Confidential Information. Each of the Parties shall treat the terms of this Agreement as if they were the Confidential Information of the other Party and shall not disclose the terms of this Agreement without the other Party's prior written consent, except as required by applicable Law, by the rules of any national stock exchange with respect to a Party's publicly-traded securities or as otherwise permitted under this Agreement.

8.2 Government Order. If the receiving Party is requested to disclose any of the disclosing Party's Confidential Information pursuant to any judicial or governmental order, the receiving Party will promptly notify the disclosing Party of such order so that the disclosing Party, in its sole discretion, may seek an appropriate protective order and/or take any other action to prevent or minimize the breadth of such disclosure.

ARTICLE IX.
DISPUTE RESOLUTION

9.1 Dispute Resolution. Any and all disputes, controversies and claims arising hereunder, including with respect to the validity, interpretation, performance, breach or termination of this Agreement shall be resolved through the procedures provided in Article VI of the Separation Agreement.

ARTICLE X.
MISCELLANEOUS PROVISIONS

10.1 Corporate Power.

(a) TFMC represents on behalf of itself and each other member of the TFMC Companies, and TEN represents on behalf of itself and each other member of the TEN Companies, as follows:

(i) each such Person has the requisite public limited company, public limited liability company or other power and authority and has taken all public limited company, public limited liability company or other action necessary in order to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby; and

(ii) this Agreement has been duly executed and delivered by it and constitutes a valid and binding agreement of it enforceable in accordance with the terms hereof.

(b) Each Party acknowledges that it and each other Party may execute this Agreement by facsimile, stamp or mechanical signature. Each Party expressly adopts and confirms each such facsimile, stamp or mechanical signature made in its respective name as if it were a manual signature, agrees that it shall not assert that any such signature is not adequate to bind such Party to the same extent as if it were signed manually and agrees that at the reasonable request of any other Party at any time it shall as promptly as reasonably practicable cause this Agreement to be manually executed (any such execution to be as of the date of the initial date thereof).

10.2 Modification or Amendments. Subject to the provisions of applicable Law, and except as otherwise provided in this Agreement, this Agreement may be amended, modified or supplemented only by written instrument signed by the authorized representative of the Party against whom it sought to enforce such waiver, amendment, supplement or modification is sought to be enforced; provided, at any time prior to the Effective Date, the terms and conditions of this Agreement, including terms relating to the Transactions, may be amended, modified or abandoned by and in the sole and absolute discretion of the TFMC Board without the approval of any Person, including TFMC or TEN.

10.3 Waivers of Default. Waiver by a Party of any default by the other Party of any provision of this Agreement shall not be deemed a waiver by the waiving Party of any subsequent or other default, nor shall it prejudice the rights of the other Party. No failure or delay by a Party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall a single or partial exercise thereof prejudice any other or further exercise thereof or the exercise of any other right, power or privilege.

10.4 Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or by electronic delivery in .pdf format shall be sufficient to bind the parties to the terms and conditions of this Agreement.

10.5 Governing Law. 10.10 Interpretation. The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, Schedule, Exhibit or Annex, such reference shall be to a Section of, Schedule to, Exhibit to or Annex to this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” For purposes of this Agreement, whenever the context requires the singular number shall include the plural, and vice versa. All references in this Agreement to “\$” are intended to refer to United States dollars and all references to “EUR” are to the lawful currency of the European Union. Any reference to a particular Law means such Law as amended, modified or supplemented (including all rules and regulations promulgated thereunder) and, unless otherwise provided, as in effect from time to time.

10.11 Defined Terms. Capitalized terms used and not otherwise defined herein shall have the meanings specified or referred to in Annex III, or if not defined therein, in the Separation Agreement.

10.12 Expenses. Except as otherwise expressly provided herein, each Party shall pay its own expenses incident to this Agreement and the transactions contemplated herein.

10.14 Specific Performance; Other Equitable Relief.

(a) Subject to Article IX, the Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the specific terms hereof or were otherwise breached. It is accordingly agreed that prior to the termination of this Agreement in accordance with Article III, the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (without necessity of posting bond or other security (any requirements therefor being expressly waived)), this being in addition to any other remedy to which they are entitled at Law or in equity.

(b) Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief as provided herein on the basis that (i) it has an adequate remedy at Law or (ii) an award of specific performance is not an appropriate remedy for any reason at Law or equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

The Parties are not relying upon any representations or statements made by the other Party, or such other Party’s employees, agents, representatives or attorneys, regarding this Agreement, except to the extent such representations are expressly set forth or incorporated in this Agreement. The Parties are not relying upon a legal duty, if one exists, on the part of the other Party (or such other Party’s employees, agents, representatives or attorneys) to disclose any information in connection with the execution of this Agreement or their preparation, it being expressly understood that neither Party shall ever assert any failure to disclose information on the part of the other Party as a ground for challenging this Agreement.

10.16 Assignment; Successors and Assigns; No Third Party Beneficiaries. Neither this Agreement nor the rights or obligations hereunder shall be assignable by either Party, by operation of law or otherwise, without the prior written consent of the other Party, and any purported assignment or delegation in violation of this paragraph shall be null and void; provided, however, that (a) either Party may, without the consent of any other Party, assign any or all of its rights and interests, and delegate any or all of its obligations, to an Affiliate, provided that no such assignment or delegation shall relieve the assigning or delegating Party of its obligation to ensure performance by such Affiliate of its delegated obligations, (b) nothing in this Section 10.16 will restrict Provider from subcontracting the provision of Services to an Affiliate or to any third parties to the extent such third parties are used to provide such Services or similar services to other businesses of Provider and its Affiliates, and (c) a Party may assign its applicable rights, obligations and interests to a third party hereunder in conjunction with (i) the change in control of such Party, (ii) the sale of all or substantially all of the assets of such Party, or (iii) the sale or divestiture of any of the product lines, operating units, subsidiaries or business divisions of such Party, provided that (x) such assigning Party shall remain responsible for all liability of such Party accrued hereunder as of the date of such assignment, (y) the assignee agrees in writing to assume all applicable obligations of the assigning Party accruing hereunder after such assignment (whereupon the assigning Party will be relieved of all liability and obligations hereunder to the extent accruing after such assignment), and (z) as of the date of such assignment, such assignee has commercially reasonably financial wherewithal to assume all applicable obligations. Neither Party shall have the right to bind the other Party to any obligations to third parties.

10.19 Performance. Each Party shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth herein to be performed by any Subsidiary or Affiliate of such Party.

ANNEX IV
Costing Methodology

The term “Fully Burdened Cost” represents the total cost to provide a Service. The intent is to assign to the Service all direct costs (including direct labor at average labor rates, direct supervision, benefits, travel and related costs, service-related training and any direct third party costs incurred to provide the Service) as well as a relevant portion of overhead. Overhead includes the necessary costs to support the provision of a Service including indirect labor, building occupancy costs, depreciation, information technology costs, site costs, and supplies. Average departmental labor rates are normally used to charge direct labor to a product or Service. Actual material purchase prices are used to charge direct materials to a product or Service.

I. Methodology. Provider will use a methodology similar to the following to calculate the Fully Burdened Cost to provide a Service: The Service to be performed will be defined (e.g., Accounts Payable, Accounts Receivable).

A. Direct costs to provide the Service are charged directly to the applicable Provider providing this Service. These costs generally include direct labor, direct supervision, employee benefits, travel and related costs, service-related training, Taxes, permits, and any direct third party costs incurred to provide the Service.

B. Direct costs will be allocated to the Service being provided using appropriate and available cost drivers or based on an effort study to determine the portion of the total effort of the relevant Provider utilized to provide the defined Service in A. above.

C. An allocation of overhead to the Service being provided will be determined by first identifying relevant overhead costs necessary to support the Service. Second, an appropriate and available cost driver will be used to relate the overhead to the Service being provided.

D. Fully Burdened Cost is equal to the sum of direct costs as determined in B and allocated overhead as determined in C. The unit charge rate for each Service provided is determined by dividing the total cost by the forecast/actual units (e.g., direct hours, etc.).

II. Example Overhead Costs. The overhead portion of Fully Burdened Cost attributable to a Service shall include (but is not limited to) costs such as:

A. Information technology costs including voice communication, data communication, desktop hardware and software, desktop support, application support, data center and related hardware costs and administration.

- B. Related costs including rent, property and related Taxes, insurance and depreciation.
- C. Maintenance.
- D. Utilities.
- E. Security costs.
- F. Office administration and supplies.

III. Examples of Overhead Costs Not Included in Overhead Calculations. The following costs will not be includable in the overhead portion of Fully Burdened Cost:

- A. Costs for corporate executives, including the CEO and those overseeing the following functions: Finance, Human Resources, Information Technology, Supply, Chain Management and Logistics, Corporate Marketing, and Corporate Research and Development.
 - B. Corporate marketing costs.
 - C. Any cost that does not directly or indirectly support the Service being provided.

5.3 Waivers of Default. Waiver by a Party of any default by the other Party of any provision of this Agreement shall not be deemed a waiver by the waiving Party of any subsequent or other default, nor shall it prejudice the rights of the other Party. No failure or delay by a Party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall a single or partial exercise thereof prejudice any other or further exercise thereof or the exercise of any other right, power or privilege.

5.4 Counterparts. This Agreement may be executed in one or more counterparts, and by the different Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or by electronic delivery in .pdf format shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

5.5 Governing Law. This Agreement (and any claims arising out of or related hereto or to the transactions contemplated hereby or to the inducement of any Party to enter herein, whether for breach of contract, tortious conduct or otherwise and whether predicated on common law, statute or otherwise) shall be governed by and construed and interpreted in accordance with the Laws of the State of New York, irrespective of the choice of laws principles of the State of New York, including all matters of validity, construction, effect, enforceability, performance and remedies.

5.7 Entire Agreement. This Agreement (including any annexes hereto), together with the Separation Agreement and the other Ancillary Agreements constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties both written and oral, among the Parties, with respect to the subject matter hereof.

5.8 No Third-Party Beneficiaries. Except for the applicability of the licenses contained in Section 1.1 and Section 1.2 to Subsidiaries of the Licensees: (a) the provisions of this Agreement are solely for the benefit of the Parties and are not intended to confer upon any Person (including, without limitation, any shareholders of TFMC or shareholders of TEN) except the Parties hereto any rights or remedies hereunder; and (b) there are no third-party beneficiaries of this Agreement, and this Agreement shall not provide any third Person (including, without limitation, any shareholders of TFMC or shareholders of TEN) with any remedy, claim, reimbursement, claim of action or other right in excess of those existing without reference to this Agreement.

5.9 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability or the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

5.10 Interpretation. The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, Schedule, Annex or Exhibit, such reference shall be to a Section of, Schedule to, Annex to or Exhibit to this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” For purposes of this Agreement, whenever the context requires the singular number shall include the plural, and vice versa. All references in this Agreement to “\$” are intended to refer to United States dollars and all references to “EUR” are to the lawful currency of the European Union. Any reference to a particular Law or Contract means such Law or Contract as amended, modified or supplemented (including, with respect to any such Law, all rules and regulations promulgated thereunder) and, unless otherwise provided, as in effect from time to time.

5.11 Defined Terms. Capitalized terms used and not otherwise defined herein shall have the meanings specified or referred to in Annex I, or if not defined therein, in the Separation Agreement.

(a) Nothing herein shall restrict a Party from assigning or transferring any Patents it owns and licenses to the other Party hereunder to any Person (whether by Contract, by operation of Law, by virtue of a merger or consolidation with any surviving entity, or otherwise); provided that any such assignment or transfer (or deemed assignment or transfer) shall have no effect on the licenses granted hereunder, and the assigned or transferred Patents shall remain subject to, and the applicable assignee or transferee agrees in writing to be bound by the terms and conditions of, this Agreement.

(b) Subject to and without limiting subsection (a) above, neither Party may assign this Agreement, or any of its respective rights and obligations under this Agreement to any Person and any attempt to do so shall be void. Notwithstanding the foregoing, either Party may (i) transfer all or a part of their respective rights and obligations under this Agreement, or sublicense any of the licenses granted hereunder, to their respective Affiliates; (ii) transfer all or part of their respective rights and obligations under this Agreement to any third party in connection with an acquisition of such Party (whether by merger, consolidation, sale of assets, sale or exchange of stock, by operation of Law or otherwise and whether in a single or multiple transactions); and (iii) transfer all or part of its respective rights and obligations under this Agreement to any third party in connection with an acquisition of a discrete business unit or division of such Party (whether by merger, consolidation, sale of assets, sale or exchange of stock, or otherwise), provided that business unit or division is capable of being operated on a standalone basis, and provided that the license shall not extend beyond the business unit or division being sold; and provided further that, in each of the above cases, such transferee, assignee or successor agrees to be bound by the terms of this Agreement. Notwithstanding anything to the contrary herein, neither this Agreement, nor any of the licenses hereunder, shall be assigned or otherwise transferred in whole or in part by either Party to any Competitor of the other Party without the other Party's prior written consent, which shall not be unreasonably withheld, delayed or conditioned. Further, each Party may collaterally assign its rights under this Agreement to its lenders or other financing sources, provided that, upon foreclosure, (A) any assignee or transferee of all or part of this Agreement agrees to be bound by the terms of this Agreement, and (B) neither this Agreement, nor any of the licenses hereunder, shall be assigned or otherwise transferred in whole or in part in connection with such foreclosure to any Competitor of the other Party without the other Party's prior written consent, which shall not be unreasonably withheld, delayed or conditioned.

(c) Subject to subparagraphs (a) and (b) above, this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors (whether by Contract, operation of Law or otherwise) and permitted assigns.

5.13 Specific Performance; Other Equitable Relief. Each Party hereby acknowledges and agrees that (i) irreparable damage would occur if any provision of this Agreement were not performed in accordance with the specific terms hereof or were otherwise breached, and (ii) remedies at Law for any breach or threatened breach of this Agreement, including monetary damages, are inadequate compensation for any loss that any other Party would suffer as a result. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (without necessity of posting bond or other security (any requirements therefor being expressly waived)), this being in addition to any other remedy to which they are entitled at Law or in equity. Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief as provided herein on the basis that (i) the other Party has an adequate remedy at Law or (ii) an award of specific performance is not an appropriate remedy for any reason at Law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

5.14 Construction. This Agreement shall be construed as if jointly drafted by the Parties and no rule of construction or strict interpretation shall be applied against either Party. The Parties represent that this Agreement is entered into with full consideration of any and all rights which the Parties may have. The Parties have conducted such investigations they thought appropriate, and have consulted with such advisors as they deemed appropriate regarding this Agreement and their rights and asserted rights in connection therewith. The Parties are not relying upon any representations or statements made by the other Party, or such other Party's employees, agents, representatives or attorneys, regarding this Agreement, except to the extent such representations are expressly set forth or incorporated in this Agreement, the Separation Agreement or any of the other Ancillary Agreements. The Parties are not relying upon a legal duty, if one exists, on the part of the other Party (or such other Party's employees, agents, representatives or attorneys) to disclose any information in connection with the execution of this Agreement or their preparation, it being expressly understood that neither Party shall ever assert any failure to disclose information on the part of the other Party as a ground for challenging this Agreement.

5.15 Performance. Each Party shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth herein to be performed by any Subsidiary or Affiliate of such Party.

5.16 Other Agreements. Except as expressly set forth herein, this Agreement is not intended to address, and should not be interpreted to address, the matters specifically and expressly covered by the Separation Agreement or the other Ancillary Agreements.

TFMC and TEN are each a “Party” and are sometimes referred to herein collectively as the “Parties”.

RECITALS

WHEREAS, TFMC plc, acting together with its Subsidiaries, currently conducts the TFMC Business and the TEN Business;

WHEREAS, TFMC and TEN have entered into that certain Separation and Distribution Agreement, dated as of January 7, 2021 (the “Separation Agreement”) pursuant to which TEN will be separated from the rest of TFMC and will be established as a separate, publicly-traded company to operate the TEN Business;

WHEREAS, TFMC, together with its Affiliates, owns a family of Marks containing the element TECHNIP, including TECHNIP, TECHNIP FMC, and TECHNIP UMBILICALS, which were used in connection with both the TFMC Business and the TEN Business prior to the Separation;

WHEREAS, following the Separation, TFMC intends to continue to use the Technip-Formative Marks set forth in Annex II (the “TFMC Marks”) in connection with the TFMC Business; and TEN wishes to own and use the Technip-Formative Marks set forth in Annex III (the “TEN Marks”) in connection with the TEN Business, but has agreed to cease all use of the TFMC Marks, except as expressly set forth herein or in the Separation Agreement;

WHEREAS, in order to maintain the strength of the TFMC Marks and the TEN Marks, and in order to avoid any likelihood of confusion as to the source of their respective goods and services, the Parties have agreed to abide by certain restrictions in connection with the use and exploitation of the TFMC Marks and the TEN Marks, respectively, as specified in this Agreement;

WHEREAS, TFMC also owns certain Loading Arms Marks, and TEN desires (i) to use the Loading Arms Marks following the Separation on a transitional basis in connection with its marketing and sale of certain Loadings Arms Products, and (ii) to permit the continued use by Tokyo Boeki of the Loading Arms Marks following the Separation in accordance with the Tokyo Boeki License Agreement; and TFMC consents to the limited and transitional use of the Loading Arms Marks as specified in this Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements, provisions and covenants contained in this Agreement, the Parties hereby agree as follows:

1.1 Ownership.

(a) TFMC Marks. TEN acknowledges that, as between the Parties, TFMC is the sole and exclusive owner of all right, title and interest in and to the TFMC Marks and any rights related thereto. TEN acknowledges and agrees that nothing in this Agreement shall give any member of the TEN Group any right, title, or interest in the TFMC Marks.

(b) TEN Marks. TFMC acknowledges that, as between the Parties, TEN is the sole and exclusive owner of all right, title and interest in and to the TEN Marks and any rights related thereto. TFMC acknowledges and agrees that nothing in this Agreement shall give any member of the TFMC Group any right, title, or interest in the TEN Marks. To the extent any of the TEN Marks are not owned as of the Effective Date by a member of the TEN Group, TFMC, on behalf of itself and the other members of the TFMC Group, hereby irrevocably assigns, conveys and transfers to TEN all right, title and interest in and to all TEN Marks, together with all goodwill associated therewith and the right to sue or recover and retain damages and costs and attorneys' fees for past, present and future infringement, dilution, passing off, misappropriation or other violation of the TEN Marks. TFMC shall, and shall cause all other members of the TFMC Group to, as applicable, execute and deliver all documents and take all other actions reasonably requested by TEN to effect the terms of this assignment, including recordation thereof in the applicable state and national trademark offices.

1.2 No Inconsistent Action.

(a) TFMC Marks. Without limiting TEN's right to enforce the terms of this Agreement (including its right to use all TEN Marks and all variations, adaptations, translations, combinations and derivatives thereof as permitted in this Agreement), TEN shall not, and shall cause each other member of the TEN Group to not, directly or indirectly: (a) assert any claim of right in or ownership of the TFMC Marks, contest the validity or enforceability of the TFMC Marks or challenge TFMC's right, title, interest in, or ownership of, the TFMC Marks, its registrations therefor or TFMC's right to license the same; (b) interfere with, oppose or challenge any of TFMC's applications for or registrations of the TFMC Marks (including domain name registrations) or interfere with, oppose or challenge the exploitation of the TFMC Marks by or on behalf of TFMC; (c) apply for, or assist or cause any other entity to apply for, the registration of any logo, symbol, trademark, service mark, company or corporate name, product name, domain name or commercial slogan that creates a likelihood of confusion with TFMC's use of the TFMC Marks, as permitted hereunder; or (d) intentionally take any action that would have a material adverse effect on the value, reputation or goodwill of the TFMC Marks or tarnish the TFMC Marks or materially harm TFMC's valuable goodwill in the TFMC Marks.

(b) TEN Marks. Without limiting TFMC's right to enforce the terms of this Agreement, TFMC shall not, and shall cause each other member of the TFMC Group to not, directly or indirectly: (a) assert any claim of right in or ownership of the TEN Marks, contest the validity or enforceability of the TEN Marks or challenge TEN's right, title, interest in, or ownership of, the TEN Marks, its registrations therefor or TEN's right to license the same; (b) interfere with, oppose or challenge any of TEN's applications for or registrations of the TEN Marks (including domain name registrations) or interfere with, oppose or challenge the exploitation of the TEN Marks by or on behalf of TEN; (c) apply for, or assist or cause any other entity to apply for, the registration of any logo, symbol, trademark, service mark, company or corporate name, product name, domain name or commercial slogan that creates a likelihood of confusion with TEN's use of the TEN marks, as permitted hereunder; or (d) intentionally take any action that would have a material adverse effect on the value, reputation or goodwill of the TEN Marks or tarnish the TEN Marks or materially harm TEN's valuable goodwill in the TEN Marks.

1.3 No Likelihood of Confusion. The Parties acknowledge and agree that there is no likelihood of confusion between the use of the TFMC Marks by any member of the TFMC Group and the use of the TEN Marks by any member of the TEN Group, in each case as permitted hereunder or under the Separation Agreement. In the event that any member of the TFMC Group seeks to register a TFMC Mark or any member of the TEN Group seeks to register a TEN Mark, as permitted hereunder, and the U.S. Patent and Trademark Office or applicable foreign or multinational intellectual property office (an “Applicable Trademark Office”) issues an office action with respect to any such application, or refuses to register or otherwise raises an issue or an objection with respect to the registration or ownership of such TFMC Mark or TEN Mark as a result of the ownership or use of Technip-Formative Marks by any member of the Group of the other Party, such other Party shall, and shall cause each other member of its Group to, upon request, reasonably cooperate in responding to the Applicable Trademark Office and provide any other reasonable assistance with respect thereto.

1.4 No License Granted. No license to or rights in any of the TFMC Marks have been conveyed or licensed to any member of the TEN Group under this Agreement or otherwise (except as expressly set forth in the Separation Agreement). No license to or rights in any of the TEN Marks have been conveyed or licensed to any member of the TFMC Group under this Agreement or otherwise.

ARTICLE II. USE RESTRICTIONS

2.1 Restrictions on TEN. TEN and its Affiliates (a) without limiting clauses (b) or (c) hereof, shall not use, and shall not permit any third party to use, any of the TEN Marks or any other Technip-Formative Marks with respect to any of the TEN Restricted Activities from the date hereof until the fifth (5th) anniversary of the Distribution Date, (b) will not use the TFMC Marks for any purpose (except as expressly set forth in the Separation Agreement), and (c) will not adopt or use the Technip Standalone Mark for any purpose (except as expressly set forth in the Separation Agreement). Notwithstanding anything to the contrary herein, TEN and its Affiliates shall have the right to (i) use the TEN Marks in the form shown in Annex III, (ii) combine the TEN Marks with any other Marks or word elements and (iii) adopt or use any variation, adaptation, translation, combination or derivative of any Mark in the foregoing clauses (i) and (ii), including altering the color of or stylizing any such Mark, or using any such Mark as part of a logo that includes additional word or design elements, so long as, in the case of each of the foregoing clauses (ii) and (iii), any such combination, variation, adaptation, translation, combination, derivative, colorization, stylization, or logo is not confusingly similar to any TFMC Marks or any colorization, stylization, or logo that is then in use by any member of the TFMC Group with any TFMC Marks (or is the subject of a pending intent-to-use application) (it being understood that the use of “TECHNIP” in any of the Marks permitted to be used hereunder in and of itself shall not be considered to be confusingly similar to any TFMC Marks or any colorization, stylization, or logo that is then in use by any member of the TFMC Group with any TFMC Marks (or is the subject of a pending intent-to-use application)).

2.2 Restrictions on TFMC. TFMC and its Affiliates (a) without limiting clauses (b) or (c) hereof, shall not use, and shall not permit any third party to use, any of the TFMC Marks or any other Technip-Formative Marks with respect to any of the TFMC Restricted Activities from the date hereof until the fifth (5th) anniversary of the Distribution Date, (b) will not use or adopt the TEN Marks for any purposes, and (c) will not use or adopt the Technip Standalone Mark for any purpose. Notwithstanding anything to the contrary herein, TFMC and its Affiliates shall have the right to (i) use the TFMC Marks in the form shown in Annex II, (ii) combine the TFMC Marks with any other Marks or word elements and (iii) adopt or use any variation, adaptation, translation, combination or derivative of any Mark in the foregoing clauses (i) and (ii), including altering the color of or stylizing any of such Mark, or using any such Mark as part of a logo that includes additional word or design elements, so long as, in the case of each of the foregoing clauses (ii) and (iii), any such combination, variation, adaptation, translation, combination, derivative, colorization, stylization, or logo is not confusingly similar to any TEN Marks or any colorization, stylization, or logo that is then in use by any member of the TEN Group with any TEN Marks (or is the subject of a pending intent-to-use application) (it being understood that the use of “TECHNIP” in any of the Marks permitted to be used hereunder in and of itself shall not be considered to be confusingly similar to any TEN Marks or any colorization, stylization, or logo that is then in use by any member of the TEN Group with any TEN Marks (or is the subject of a pending intent-to-use application)).

ARTICLE III.

PROSECUTION AND ENFORCEMENT

ARTICLE IV. TRANSITIONAL USE OF LOADING ARMS MARKS

4.1 Ownership. Notwithstanding any inference or prior course of conduct to the contrary and except as provided below, in no event shall TEN or any of its Subsidiaries acquire or have any right to use or any other right, title or interest in or to the Loading Arms Marks, or anything confusingly similar thereto, all rights to which, and the goodwill represented thereby, shall be retained by TFMC.

4.2 Transitional Use. Following the Effective Date, TEN shall use commercially reasonable efforts to cease all use of the Loading Arms Marks. 4.3 **Liability; Loading Arms Indemnity.** TEN acknowledges that, except as expressly set forth in Section 4.2, nothing in this Agreement shall give TEN any right, title or interest in the Loading Arms Marks and that any use by TEN, its Affiliates or Tokyo Boeki of the Loading Arms Marks following the Effective Date is at TEN's risk, without representation or warranty of any kind. DISPUTE RESOLUTION

6.1 Dispute Resolution. Any and all disputes, controversies and claims arising hereunder, including with respect to the validity, interpretation, performance, breach or termination of this Agreement shall be resolved through the procedures provided in Article VI of the Separation Agreement.

ARTICLE VII.
MISCELLANEOUS

7.1 Corporate Power.

(a) TFMC represents on behalf of itself and each other member of the TFMC Companies, and TEN represents on behalf of itself and each other member of the TEN Companies, as follows:

(i) each such Person has the requisite corporate or other power and authority and has taken all corporate or other action necessary in order to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby; and

(ii) this Agreement has been duly executed and delivered by it and constitutes a valid and binding agreement of it enforceable in accordance with the terms hereof.

(b) Each Party acknowledges that it and each other Party may execute this Agreement by facsimile, stamp or mechanical signature. Each Party expressly adopts and confirms each such facsimile, stamp or mechanical signature made in its respective name as if it were a manual signature, agrees that it shall not assert that any such signature is not adequate to bind such Party to the same extent as if it were signed manually and agrees that at the reasonable request of any other Party at any time it shall as promptly as reasonably practicable cause this Agreement to be manually executed (any such execution to be as of the date of the initial date thereof).

7.2 Modification or Amendments. Subject to the provisions of applicable Law, and except as otherwise provided in this Agreement, this Agreement may be amended, modified or supplemented only by written instrument signed by the authorized representative of the Party against whom it sought to enforce such waiver, amendment, supplement or modification is sought to be enforced; provided, at any time prior to the Effective Time, the terms and conditions of this Agreement, including terms relating to the Transactions, may be amended, modified or abandoned by and in the sole and absolute discretion of the TFMC Board without the approval of any Person, including TFMC or TEN.

7.3 Waivers of Default. Waiver by a Party of any default by the other Party of any provision of this Agreement shall not be deemed a waiver by the waiving Party of any subsequent or other default, nor shall it prejudice the rights of the other Party. No failure or delay by a Party in exercising any right, power or privilege under this Agreement shall operate as a waiver thereof nor shall a single or partial exercise thereof prejudice any other or further exercise thereof or the exercise of any other right, power or privilege.

7.4 Counterparts. This Agreement may be executed in one or more counterparts, and by the different Parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or by electronic delivery in .pdf format shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

7.5 Governing Law. This Agreement (and any claims arising out of or related hereto or to the transactions contemplated hereby or to the inducement of any Party to enter herein, whether for breach of contract, tortious conduct or otherwise and whether predicated on common law, statute or otherwise) shall be governed by and construed and interpreted in accordance with the Laws of the State of New York, irrespective of the choice of laws principles of the State of New York, including all matters of validity, construction, effect, enforceability, performance and remedies.

7.7 Entire Agreement. This Agreement (including any annexes hereto), together with the Separation Agreement and the other Ancillary Agreements constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties both written and oral, among the Parties, with respect to the subject matter hereof.

7.8 No Third-Party Beneficiaries. The provisions of this Agreement are solely for the benefit of the Parties and are not intended to confer upon any Person (including, without limitation, any shareholders of TFMC or shareholders of TEN) except the Parties hereto any rights or remedies hereunder. There are no third-party beneficiaries of this Agreement, and this Agreement shall not provide any third Person (including, without limitation, any shareholders of TFMC or shareholders of TEN) with any remedy, claim, reimbursement, claim of action or other right in excess of those existing without reference to this Agreement.

7.9 Severability. The provisions of this Agreement shall be deemed severable, and the invalidity or unenforceability of any provision shall not affect the validity or enforceability or the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision and (b) the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of such provision, or the application thereof, in any other jurisdiction.

7.10 Interpretation. The table of contents and headings herein are for convenience of reference only, do not constitute part of this Agreement and shall not be deemed to limit or otherwise affect any of the provisions hereof. Where a reference in this Agreement is made to a Section, Schedule, Annex or Exhibit, such reference shall be to a Section of, Schedule to, Annex to or Exhibit to this Agreement unless otherwise indicated. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” For purposes of this Agreement, whenever the context requires the singular number shall include the plural, and vice versa. All references in this Agreement to “\$” are intended to refer to United States dollars and all references to “EUR” are to the lawful currency of the European Union. Any reference to a particular Law or Contract means such Law or Contract as amended, modified or supplemented (including, with respect to any such Law, all rules and regulations promulgated thereunder) and, unless otherwise provided, as in effect from time to time.

7.11 Defined Terms. Capitalized terms used and not otherwise defined herein shall have the meanings specified or referred to in Annex I, or if not defined therein, in the Separation Agreement.

7.12 Assignment.

(a) TEN shall not assign or transfer any of the TEN Marks to any Competitor of TFMC without TFMC’s prior written consent, and TFMC shall not assign or transfer any of the TFMC Marks to any Competitor of TEN without TEN’s prior written consent. Subject to the foregoing, nothing herein shall restrict a Party from assigning or transferring any Marks it owns (whether by Contract, by operation of Law, by virtue of a merger or consolidation with any surviving entity, or otherwise); provided that the assigned or transferred Marks shall remain subject to, and the applicable assignee or transferee agrees in writing to be bound by the terms and conditions of, this Agreement.

(b) Subject to and without limiting subsection (a) above, neither Party may assign this Agreement to any Person and any attempt to do so shall be void. Notwithstanding the foregoing, either Party may (i) transfer all or a part of their respective rights and obligations under this Agreement to their respective Affiliates; (ii) transfer all or part of their respective rights and obligations under this Agreement to any third party in connection with an acquisition of such Party (whether by merger, consolidation, sale of assets, sale or exchange of stock, by operation of Law or otherwise and whether in a single or multiple transactions); and (iii) transfer all or part of its respective rights and obligations under this Agreement to any third party in connection with an acquisition of a discrete business unit or division of such Party (whether by merger, consolidation, sale of assets, sale or exchange of stock, or otherwise), provided that business unit or division is capable of being operated on a standalone basis, and provided that the coexistence terms hereunder shall not extend beyond the business unit or division being sold; and provided that, in each of the above cases, such transferee, assignee or successor agrees to be bound by the terms of this Agreement. This Agreement shall not be assigned or otherwise transferred in whole or in part by either Party to any Competitor of the other Party without the other Party’s prior written consent, which may not be unreasonably withheld, delayed or conditioned. Further, each Party may collaterally assign its rights under this Agreement to its lenders or other financing sources, provided that, upon foreclosure, (A) any assignee or transferee of all or part of this Agreement agrees to be bound by the terms of this Agreement, and (B) this Agreement shall not be assigned or otherwise transferred in whole or in part in connection with such foreclosure to any Competitor of the other Party without the other Party’s prior written consent, which may not be unreasonably withheld, delayed or conditioned.

(c) Subject to subparagraphs (a) and (b) above, this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors (whether by Contract, operation of Law or otherwise) and permitted assigns.

7.13 Specific Performance; Other Equitable Relief. Each Party hereby acknowledges and agrees that (i) irreparable damage would occur if any provision of this Agreement were not performed in accordance with the specific terms hereof or were otherwise breached, and (ii) remedies at Law for any breach or threatened breach of this Agreement, including monetary damages, are inadequate compensation for any loss that any other Party would suffer as a result. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement (without necessity of posting bond or other security (any requirements therefor being expressly waived)), this being in addition to any other remedy to which they are entitled at Law or in equity. Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief as provided herein on the basis that (i) the other Party has an adequate remedy at Law or (ii) an award of specific performance is not an appropriate remedy for any reason at Law or equity. Any party seeking an injunction or injunctions to prevent breaches of the Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

7.14 Construction. This Agreement shall be construed as if jointly drafted by the Parties and no rule of construction or strict interpretation shall be applied against either Party. The Parties represent that this Agreement is entered into with full consideration of any and all rights which the Parties may have. The Parties have conducted such investigations they thought appropriate, and have consulted with such advisors as they deemed appropriate regarding this Agreement and their rights and asserted rights in connection therewith. The Parties are not relying upon any representations or statements made by the other Party, or such other Party's employees, agents, representatives or attorneys, regarding this Agreement, except to the extent such representations are expressly set forth or incorporated in this Agreement, the Separation Agreement or any of the other Ancillary Agreements. The Parties are not relying upon a legal duty, if one exists, on the part of the other Party (or such other Party's employees, agents, representatives or attorneys) to disclose any information in connection with the execution of this Agreement or their preparation, it being expressly understood that neither Party shall ever assert any failure to disclose information on the part of the other Party as a ground for challenging this Agreement.

7.15 Performance. Each Party shall cause to be performed, and hereby guarantees the performance of, all actions, agreements and obligations set forth herein to be performed by any Subsidiary or Affiliate of such Party.

7.16 Other Agreements. Except as expressly set forth herein, this Agreement is not intended to address, and should not be interpreted to address, the matters specifically and expressly covered by the Separation Agreement or the other Ancillary Agreements.

ARTICLE I

Definitions

SECTION 1.01. Defined Terms. As used in this Agreement, the following terms have the meanings specified below:

“ABR,” when used in reference to any Loan or Borrowing, refers to whether such Loan, or the Loans comprising such Borrowing, are bearing interest at a rate determined by reference to the Alternate Base Rate.

SECTION 1.06. Exchange Rates; Currency Equivalents

(a) Not later than 1:00 p.m., New York time, on each Revaluation Date, the Administrative Agent shall (x) determine the Exchange Rate as of such Revaluation Date with respect to each applicable Alternative Currency and (y) give notice thereof to each applicable Issuing Bank and the Company. The Exchange Rates so determined shall become effective (i) in the case of the initial Revaluation Date, on the Effective Date and (ii) in the case of each subsequent Revaluation Date, on the first Business Day immediately following such Revaluation Date (a “Reset Date”), shall remain effective until the next succeeding Reset Date, and shall for all purposes of this Agreement (other than any provision expressly requiring the use of a current exchange rate) be the Exchange Rates employed in converting any amounts between dollars and any Alternative Currency.

(b) Solely for purposes of Article II and related definitional provisions to the extent used therein, the applicable amount of any currency (other than dollars) for purposes of the Loan Documents shall be such Dollar Equivalent amount as determined by the Administrative Agent and notified to the applicable Issuing Bank and the Company in accordance with Section 1.06(a). If any basket is exceeded solely as a result of fluctuations in the applicable Exchange Rate after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in the applicable Exchange Rate. Amounts denominated in an Alternative Currency will be converted to dollars for the purposes of (A) testing the Financial Covenants, at the Exchange Rate as of the last day of the fiscal quarter for which such measurement is being made, and (B) calculating the Interest Coverage Ratio and the Total Leverage Ratio (other than for purposes of determining compliance with the Financial Covenants), at the Exchange Rate as of the date of calculation, and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Hedging Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar Equivalent of such Indebtedness.

(c) For purposes of Section 6.01, the amount of any Indebtedness denominated in any currency other than dollars shall be calculated based on the applicable Exchange Rate, in the case of such Indebtedness incurred or committed, on the date that such Indebtedness was incurred or committed, as applicable; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than dollars, and such refinancing would cause the applicable dollar-denominated restriction to be exceeded if calculated at the applicable Exchange Rate on the date of such refinancing, such dollar-denominated restrictions shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the sum of (i) the outstanding or committed principal amount, as applicable, of such Indebtedness being refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses incurred in connection with such refinancing.

(d) For purposes of Sections 6.02, 6.04, 6.05 and 6.08, the amount of any Liens, investments, asset sales and Restricted Payments, as applicable, denominated in any currency other than dollars shall be calculated based on the applicable Exchange Rate.

SECTION 1.07. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.08. Interest Rates; LIBOR Notification. The interest rate on a Loan denominated in dollars or an Alternative Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, a Term ESTR Transition Event or an Early Opt-In Election, Sections 2.14(b) and 2.14(c) provide a mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Company, pursuant to Section 2.14(e), of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” (or “EURIBOR Rate”, as applicable) or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Sections 2.14(b) or 2.14(c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, a Term ESTR Transition Event or an Early Opt-In Election and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate (or the EURIBOR Rate, as applicable) or have the same volume or liquidity as did the London interbank offered rate (or the euro interbank offered rate, as applicable) prior to its discontinuance or unavailability.

ARTICLE II

The Credits

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, each Lender agrees to make Revolving Loans denominated in dollars or in any Alternative Currency to the Borrowers from time to time, in each case during the Availability Period, in an aggregate principal amount that will not result in such Lender’s Revolving Exposure exceeding such Lender’s Commitment. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Loans.

SECTION 2.02. Loans and Borrowings

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Type made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender’s failure to make Loans as required.

(b) Subject to Section 2.16, (i) each Borrowing denominated in dollars shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrowers may request in accordance herewith and (ii) each Borrowing denominated in any Alternative Currency shall be comprised entirely of Eurocurrency Loans. Each Lender at its option may make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the applicable Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurocurrency Borrowing that results from a continuation of an outstanding Eurocurrency Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than the Borrowing Minimum. Borrowings of more than one Type may be outstanding at the same time; provided that there shall not be more than a total of 10 Eurocurrency Borrowings in the aggregate at any time outstanding. Notwithstanding anything to the contrary herein, an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unused balance of the Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e).

SECTION 2.03. Requests for Borrowings. To request a Revolving Borrowing, a Borrower shall notify the Administrative Agent of such request by submitting a Borrowing Request (a) in the case of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing; provided that no such notice shall be required for any deemed request of an ABR Revolving Borrowing to finance the reimbursement of an LC Disbursement denominated in dollars as contemplated by Section 2.05(e). Each such Borrowing Request shall be irrevocable and shall be signed by a Responsible Officer of the applicable Borrower. Each such Borrowing Request shall specify the following information (to the extent applicable, in compliance with Sections 2.01 and 2.02):

- (i) the Borrower to which the requested Borrowing is to be made;
- (ii) the currency and the aggregate amount of such Borrowing;
- (iii) the requested date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(vi) the location and number of the applicable Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06(a), or, if the Borrowing is being requested to finance the reimbursement of an LC Disbursement denominated in dollars in accordance with Section 2.05(e), the identity of the Issuing Bank that made such LC Disbursement; and

(vii) that as of the requested date of such Borrowing, (A) if such date shall be the Effective Date, the conditions set forth in Section 4.01(o) will be satisfied and (B) if such date is after the Effective Date, Sections 4.02(a), 4.02(b) and 4.02(c) will be satisfied.

If no election as to the Type of Borrowing is specified, other than with respect to Borrowings denominated in an Alternative Currency, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then such Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency is specified with respect to any requested Revolving Loan, the Company shall be deemed to have selected dollars. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved]

SECTION 2.05. Letters of Credit

(a) General. Subject to the terms and conditions set forth herein, a Borrower may request the issuance of Letters of Credit for its own account (or for the account of any Subsidiary so long as a Borrower is a joint and several co-applicant in respect of such Letter of Credit), denominated in dollars or in an Alternative Currency and in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Availability Period. All Existing Letters of Credit shall be deemed, without further action by any party hereto, to have been issued on the Effective Date pursuant to this Agreement, and the Revolving Lenders shall thereupon acquire participations in the Existing Letters of Credit as if so issued without further action by any party hereto. Notwithstanding anything contained in any letter of credit application or other agreement (other than this Agreement or any Security Document) submitted by a Borrower to, or entered into a Borrower with, any Issuing Bank relating to any Letter of Credit, (i) all provisions of such letter of credit application or other agreement purporting to grant Liens in favor of such Issuing Bank to secure obligations in respect of such Letter of Credit shall be disregarded, it being agreed that such obligations shall be secured to the extent provided in this Agreement and in the Security Documents, (ii) in the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of such letter of credit application or such other agreement, as applicable, the terms and conditions of this Agreement shall control, and (iii) an Issuing Bank shall be under no obligation to issue any Letter of Credit if the issuance of such Letter of Credit would violate (x) any Requirement of Law or (y) such Issuing Bank's internal policies.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than any automatic renewal permitted pursuant to paragraph (c) of this Section), a Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by such Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the requested date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the currency and amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be requested by the applicable Issuing Bank as necessary to enable such Issuing Bank to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, such Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the applicable Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the LC Exposure shall not exceed \$450,000,000, (ii) the Total Revolving Exposure shall not exceed the Total Commitments, (iii) the aggregate amount of Letters of Credit issued by any Issuing Bank shall not exceed its Specified LC Sublimit and (iv) no Lender's Revolving Exposure shall exceed its Commitment. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall have given to the Administrative Agent written notice thereof as required under paragraph (l) of this Section.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date; provided, however, that (x) any Letter of Credit may, upon the request of a Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional consecutive periods of one year or less (but not beyond the date that is five Business Days prior to the Maturity Date unless such Letter of Credit is cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the relevant Issuing Bank) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed and (y) any Issuing Bank may agree to issue a Letter of Credit with expiry date beyond the date set forth in clause (i) in its sole discretion (but not beyond the date that is five Business Days prior to the Maturity Date unless such Letter of Credit is cash collateralized or backstopped pursuant to arrangements reasonably satisfactory to the relevant Issuing Bank).

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, the Issuing Bank that is the issuer of such Letter of Credit hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to such Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit, the occurrence and continuance of a Default or any reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender further acknowledges and agrees that, in issuing, amending, renewing or extending any Letter of Credit, the applicable Issuing Bank shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of a Borrower deemed made pursuant to Section 4.02 unless, at least one Business Day prior to the time such Letter of Credit is issued, amended, renewed or extended (or, in the case of an automatic renewal permitted pursuant to paragraph (c) of this Section, at least one Business Day prior to the time by which the election not to extend must be made by the applicable Issuing Bank), the Required Lenders shall have notified the applicable Issuing Bank (with a copy to the Administrative Agent) in writing that, as a result of one or more events or circumstances described in such notice, one or more of the conditions precedent set forth in Section 4.02(a) or 4.02(b) would not be satisfied if such Letter of Credit were then issued, amended, renewed or extended (it being understood and agreed that, in the event any Issuing Bank shall have received any such notice, no Issuing Bank shall have any obligation to issue, amend, renew or extend any Letter of Credit until and unless it shall be satisfied that the events and circumstances described in such notice shall have been cured or otherwise shall have ceased to exist).

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, then the applicable Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than (i) if such Borrower shall have received notice of such LC Disbursement prior to 12:00 noon, Local Time, on any Business Day, then 5:00 p.m., Local Time, on such Business Day, or (ii) otherwise, 10:00 a.m., Local Time, on the Business Day immediately following the day that such Borrower receives such notice; provided that, unless such Borrower has notified the applicable Issuing Bank that it will reimburse such LC Disbursement by the required date and time, such Borrower shall, subject to the conditions to borrowing set forth herein, be deemed to have requested, and such Borrower does hereby request in such event that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. In the case of any such reimbursement in dollars with respect to a Letter of Credit denominated in an Alternative Currency, the applicable Issuing Bank shall notify such Borrower of the Dollar Equivalent of the amount of the draft so paid promptly following the determination thereof. If such Borrower fails to reimburse any LC Disbursement by the time specified above in this paragraph, then the Administrative Agent shall notify each Revolving Lender, as the case may be, of the applicable LC Disbursement, the currency and amount of the payment then due from such Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof, as applicable. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the amount then due from such Borrower in the currency of the applicable LC Disbursement, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders under this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from a Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of an ABR Revolving Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the applicable Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrowers' obligations to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision thereof or hereof, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, a Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to a Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by a Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(g) Disbursement Procedures. The Issuing Bank for any Letter of Credit shall, within the time allowed by applicable law or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. Such Issuing Bank shall promptly after such examination notify the Administrative Agent and the applicable Borrower by telephone (confirmed by telecopy or electronic mail) of such demand for payment if such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the applicable Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (e) of this Section.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the applicable Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the such Borrower reimburses such LC Disbursement in full, at (i) in the case of any LC Disbursement denominated in dollars, the rate per annum then applicable to ABR Revolving Loans and (ii) in the case of an LC Disbursement denominated in any Alternative Currency, a rate per annum determined by the applicable Issuing Bank (which determination will be conclusive absent manifest error) to represent its cost of funds plus the Applicable Rate used to determine interest applicable to Eurocurrency Revolving Loans; provided that, if the applicable Borrower fails to reimburse such LC Disbursement in full when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the applicable Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day on which the Company receives notice from the Administrative Agent or the Required Lenders, the Borrowers shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash and in the currency of each applicable Letter of Credit equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause (h) or (i) of Section 7.01. The Borrowers also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.11(b) or 2.20(c). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrowers under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrowers' risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding the terms of any Security Document, moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrowers for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of the Required Lenders and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy other obligations of the Borrowers under this Agreement. If the Borrowers are required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers within three Business Days after all Events of Default have been cured or waived. If the Borrowers are required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers to the extent that, after giving effect to such return, the Total Revolving Exposure would not exceed the Total Commitments and no Default shall have occurred and be continuing. If the Borrowers are required to provide an amount of cash collateral hereunder pursuant to Section 2.11(c), such amount shall be returned to the Borrowers to the extent that, after giving effect to such return, the Consolidated Cash Balance as of the end of the month would not exceed \$225,000,000. If the Borrowers are required to provide an amount of cash collateral hereunder pursuant to Section 2.20(c), such amount (to the extent not applied as aforesaid) shall be returned to the Borrowers to the extent that, after giving effect to such return, no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Commitments of the non-Defaulting Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing.

(j) Designation of Additional Issuing Banks. The Company may, at any time and from time to time, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld), designate as additional Issuing Banks one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent, executed by the Borrowers, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank, as applicable, under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(k) Termination or Resignation of an Issuing Bank. The Borrowers may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the tenth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit. Any Issuing Bank may resign at any time by giving 30 days prior notice to the Administrative Agent, the Revolving Lenders, and the Borrowers. After the resignation of an Issuing Bank hereunder, the retiring Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit or to extend, renew or increase any existing Letter of Credit.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount of such LC Disbursement, (iv) on any Business Day on which a Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the currency and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

(n) Applicability of ISP and UCP; Governing Law. Unless otherwise expressly agreed by the applicable Issuing Bank and the applicable Borrower when a Letter of Credit is issued, (i) the rules of the ISP or UCP shall apply to each standby Letter of Credit, (ii) the rules of the UCP shall apply to each commercial Letter of Credit and (iii) each Letter of Credit shall be governed by, and construed in accordance with, the law of the State of New York.

SECTION 2.06. Funding of Borrowings

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 noon, Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the applicable Borrower by promptly crediting the amounts so received, in like funds, to an account of such Borrower and designated by such Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement denominated in dollars as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and such Borrower severally agrees to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the such Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) in the case of Loans denominated in dollars, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of Loans denominated in an Alternative Currency, the rate determined by the Administrative Agent to be the cost to it of funding such amount (which determination will be conclusive absent manifest error) or (ii) in the case of the Borrowers, the interest rate applicable to (A) in the case of Loans denominated in dollars, ABR Loans and (B) in the case of Loans denominated in an Alternative Currency, the interest rate applicable to the subject Loan pursuant to Section 2.13. If the applicable Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.07. Interest Elections

(a) Each Revolving Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the applicable Borrower may elect to convert such Borrowing to a Borrowing of a different Type (provided that Eurocurrency Borrowings denominated in an Alternative Currency may not be converted into ABR Borrowings) or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Company may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the applicable Borrower shall notify the Administrative Agent of such election by the time that a Borrowing Request would be required under Section 2.03 if the Company was requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be signed by a Responsible Officer of such Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then such Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If a Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Eurocurrency Borrowing denominated in dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Eurocurrency Borrowing denominated in an Alternative Currency, such Borrowing shall be continued as a Borrowing of the applicable Type for an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default under clause (h) or (i) of Section 7.01 has occurred and is continuing with respect to a Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders has notified the Borrowers of the election to give effect to this sentence on account of such other Event of Default, then, in each such case, so long as such Event of Default is continuing, (i) no outstanding Borrowing denominated in dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Eurocurrency Borrowing denominated in an Alternative Currency shall be continued as a Eurocurrency Borrowing, with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments

(a) Unless previously terminated, the Commitments shall automatically terminate on the Maturity Date.

(b) The Company may at any time terminate, or from time to time permanently reduce, the Commitments; provided that (i) each partial reduction of the Commitments shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$10,000,000 and (ii) the Company shall not terminate or reduce the Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Total Revolving Exposure would exceed the Total Commitments.

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section shall be irrevocable; provided that a notice of termination or reduction of the Commitments delivered under this paragraph may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments shall be permanent. Each reduction of the Commitments shall be made ratably among the Lenders in accordance with their respective Commitments.

SECTION 2.09. Repayment of Loans; Evidence of Debt

(a) Each Borrower hereby unconditionally promise to pay to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan of such Revolving Lender on the Maturity Date.

(b) The records maintained by the Administrative Agent and the Lenders shall be *prima facie* evidence of the existence and amounts of the obligations of each Borrower in respect of Loans, LC Disbursements, interest and fees due or accrued hereunder; provided that the failure of the Administrative Agent or any Lender to maintain such records or any error therein shall not in any manner affect the obligation of the Borrowers to pay any amounts due hereunder in accordance with the terms of this Agreement.

(c) Any Lender may request that Loans made by it be evidenced by a Note. In such event, the applicable Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender in substantially the form of Exhibit J attached hereto (each, a “Note”). Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by a Note in such form payable to such payee and its registered assigns.

SECTION 2.10. [Reserved]

SECTION 2.11. Prepayment of Loans

(a) Each Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, subject to Section 2.16.

(b) In the event and on each occasion that (i) the Total Revolving Exposure exceeds the Total Commitments (other than as a result of any revaluation of the Dollar Equivalent of Revolving Loans or the LC Exposure on any Revaluation Date in accordance with Section 1.06) or (ii) the Total Revolving Exposure exceeds 105% of the Total Commitments solely as a result of any revaluation of the Dollar Equivalent of Revolving Loans or the LC Exposure on any Revaluation Date in accordance with Section 1.06, the Borrowers shall prepay Revolving Borrowings (or, if no such Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.05(i)) in an aggregate amount equal to such excess.

(c) If, at any time while Revolving Loans are outstanding, the Consolidated Cash Balance exceeds \$225,000,000 as of the last calendar day of any month, then the Borrowers shall, within three (3) Business Days, prepay Revolving Borrowings in an aggregate amount equal to such excess, and if any excess remains after prepaying all outstanding Revolving Borrowings as a result of LC Exposure, the Borrowers shall deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.05(i) in an amount equal to such excess.

(d) Prior to any optional or mandatory prepayment of Borrowings under this Section, the Borrowers shall, subject to the next sentence, select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment delivered pursuant to paragraph (e) of this Section.

(e) The Company and/or the applicable Borrower shall notify the Administrative Agent by telephone (confirmed by hand delivery, facsimile or other electronic imaging) of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that if a notice of optional prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

SECTION 2.12. Fees

(a) The Borrowers agree to pay to the Administrative Agent for the account of each Revolving Lender for the period from and including the Effective Date to but excluding the date on which the Commitments terminate (or are otherwise reduced to zero), a commitment fee which shall accrue at the Applicable Rate on the average daily unused amount of the Commitment of such Revolving Lender. Such accrued commitment fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which all the Commitments terminate, commencing on the first such date to occur after the Effective Date. For purposes of computing commitment fees, a Commitment shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(b) The Borrowers agree to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate then used to determine the interest rate applicable to Eurocurrency Revolving Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.20% on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of all the Commitments and the date on which there ceases to be any such LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the Effective Date; provided that all such fees shall be payable on the date on which all the Commitments terminate and any such fees accruing after the date on which all the Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within the time periods separately agreed by the applicable Borrower and such Issuing Bank.

(c) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(e) All commitment fees, participation fees and fronting fees payable pursuant to this Section 2.12 shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.13. Interest

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest in the case of a Eurocurrency Revolving Loan, at the Adjusted LIBO Rate or the Adjusted EURIBOR Rate, as applicable, for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, (i) upon the occurrence of an Event of Default described in Section 7.01(h) or 7.01(i) or (ii) if any principal of or interest on any Loan or any fee or other amount payable by a Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section. Payment or acceptance of the increased rates of interest provided for in this paragraph (c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Issuing Bank or any Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and upon termination of the Commitments; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of a Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest computed by reference to the LIBO Rate (other than with respect to Loans denominated in Sterling) or the EURIBOR Rate hereunder shall be computed on the basis of a year of 360 days. Interest computed by reference to the LIBO Rate (with respect to Loans denominated in Sterling only) or the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate, LIBO Rate, Adjusted EURIBOR Rate or EURIBOR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

SECTION 2.14. Alternate Rate of Interest

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.14, if prior to the commencement of any Interest Period for a Eurocurrency Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate, the LIBO Rate, the Adjusted EURIBOR Rate or the EURIBOR Rate, as applicable (including, without limitation, because the Relevant Screen Rate is not available or published on a current basis), for the applicable Agreed Currency and such Interest Period, provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders (or, in the case of a Eurocurrency Competitive Loan, the Lender that is required to make such Loan) that the Adjusted LIBO Rate, the LIBO Rate, the Adjusted EURIBOR Rate or the EURIBOR Rate, as applicable, for the applicable Agreed Currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable Agreed Currency and such Interest Period;

then the Administrative Agent shall give notice thereof to the Company and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Revolving Borrowing to, or continuation of any Revolving Borrowing as, a Eurocurrency Borrowing shall be ineffective and (B) if any Borrowing Request requests a Eurocurrency Revolving Borrowing in dollars, such Borrowing shall be made as an ABR Borrowing and (C) if any Borrowing Request requests a Eurocurrency Borrowing in an Alternative Currency, then such request shall be ineffective. Furthermore, if any Eurocurrency Loan in any Agreed Currency is outstanding on the date of the Company's receipt of the notice from the Administrative Agent referred to in this Section 2.14(a) with respect to a Relevant Rate applicable to such Eurocurrency Loan, then until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Eurocurrency Loan is denominated in dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in dollars on such day and (ii) if such Eurocurrency Loan is denominated in any Agreed Currency other than dollars, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Company's election prior to such day: (A) be prepaid by the applicable Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Eurocurrency Loan, such Eurocurrency Loan denominated in any Agreed Currency other than dollars shall be deemed to be a Eurocurrency Loan denominated in dollars and shall accrue interest at the same interest rate applicable to Eurocurrency Loans denominated in dollars at such time.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Hedging Agreement shall be deemed not to be a “Loan Document” for purposes of this Section 2.14), if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (3) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, (x) with respect to a Loan denominated in dollars, if a Term SOFR Transition Event and its related Benchmark Replacement Date or (y) with respect to a Loan denominated in Euros, if a Term ESTR Transition Event and its related Benchmark Replacement Date, as applicable, have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Company a Term SOFR Notice or a Term ESTR Notice, as applicable. For the avoidance of doubt, the Administrative Agent shall not be required to deliver any (x) Term SOFR Notice after the occurrence of a Term SOFR Transition Event or (y) Term ESTR Notice after the occurrence of a Term ESTR Transition Event, and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Company and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR, Term ESTR, LIBO Rate or EURIBOR Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period, the applicable Borrower may revoke any request for a Eurocurrency Borrowing of, conversion to or continuation of Eurocurrency Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) such Borrower will be deemed to have converted any request for a Eurocurrency Borrowing denominated in dollars into a request for a Borrowing of or conversion to ABR Loans or (y) any Eurocurrency Borrowing denominated in an Alternative Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Eurocurrency Loan in any Agreed Currency is outstanding on the date of the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Eurocurrency Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.14, (i) if such Eurocurrency Loan is denominated in dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in dollars on such day or (ii) if such Eurocurrency Loan is denominated in any Agreed Currency other than dollars, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Company’s election prior to such day: (A) be prepaid by the applicable Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Eurocurrency Loan, such Eurocurrency Loan denominated in any Agreed Currency other than dollars shall be deemed to be a Eurocurrency Loan denominated in dollars and shall accrue interest at the same interest rate applicable to Eurocurrency Loans denominated in dollars at such time.

SECTION 2.15. Increased Costs

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate or the Adjusted EURIBOR Rate, as applicable) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes and (C) Connection Income Taxes) in respect of its loans, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender, such Issuing Bank or such other Recipient, the Borrowers will pay to such Lender, such Issuing Bank or such other Recipient, as applicable, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as applicable, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon the request of such Lender or such Issuing Bank, the Borrowers will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section and the calculation thereof shall be delivered to the Company and shall be conclusive absent manifest error. The Borrowers shall pay such Lender or such Issuing Bank, as applicable, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 180 days prior to the date that such Lender or such Issuing Bank, as applicable, notifies the Company of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision of this Section, no Lender shall demand compensation for any increased cost or reduction pursuant to this Section unless such Lender has certified in writing to the Company that it is the general policy or practice of such Lender to demand such compensation in similar circumstances from similarly-situated borrowers.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked in accordance with the terms hereof) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate or the Adjusted EURIBOR Rate, as applicable, that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the London interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section, and showing the calculation thereof, shall be delivered to the Company and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

SECTION 2.17. Taxes

(a) Payment Free of Taxes. All payments by or on account of any obligation of any Loan Party under this Agreement or any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.17) the applicable Lender (or, in the case of a payment made to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Company by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any other Loan Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding; *provided*, however, that a Lender that is not qualified for full exemption from U.S. withholding tax at the time it becomes a Lender shall not be entitled to any gross-up or indemnity for any U.S. withholding tax resulting from any change in law. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e)(ii)(A), 2.17(e)(ii)(B) or 2.17(e)(ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding Tax;

(B) each Foreign Lender, to the extent it is legally entitled to do so, shall deliver to the Company and the Administrative Agent on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), two of whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E (as applicable) establishing an exemption from U.S. federal withholding Tax pursuant to such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10-percent shareholder” of the Borrowers within the meaning of Section 871(h)(3)(B) of the Code or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E (as applicable); or

(4) to the extent a Foreign Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a participating Lender), executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E (as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9 and/or another certification document from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally eligible to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from, or a reduction in, U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under this Agreement or any other Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Effective Date.

Each Lender agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Company and the Administrative Agent in writing of its legal ineligibility to do so. Notwithstanding any other provision of this Section 2.17, a Lender shall not be required to provide any documentation pursuant to this Section 2.17(e) that such Lender is not legally eligible to provide.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 2.17(e).

(f) Additional United Kingdom Withholding Tax Matters.

(i) Subject to (ii) below, each UK Treaty Lender and each UK Borrower which makes a payment to such UK Treaty Lender shall cooperate in completing any procedural formalities necessary for such UK Borrower to obtain authorization to make such payment without UK Withholding Tax.

(ii) (a) A Lender which becomes a Lender hereunder on the Effective Date that (x) holds a passport under the HM Revenue & Customs DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Borrower and the Administrative Agent in Schedule 2.01 hereto; and

(B) a Lender which becomes a Lender hereunder after the day on which this Agreement closes that (x) holds a passport under the HM Revenue & Customs DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Borrower and the Administrative Agent in the documentation which it executes on becoming a party as a Lender, and

(C) Upon satisfying either clause (A) or (B) above, such Lender shall have satisfied its obligation under paragraphs (e)(i) and (f)(i) above.

(iii) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (f)(ii) above, each UK Borrower shall make a Borrower DTTP Filing with respect to such Lender; provided that, if:

(A) each UK Borrower making a payment to such Lender has not made a Borrower DTTP Filing in respect of such Lender; or

(B) each UK Borrower making a payment to such Lender has made a Borrower DTTP Filing in respect of such Lender but:

(1) such Borrower DTTP Filing has been rejected by HM Revenue & Customs; or

(2) HM Revenue & Customs has not given such UK Borrower authority to make payments to such Lender without UK Withholding Tax within 60 days of the date of such Borrower DTTP Filing; or

(3) HM Revenue & Customs has given the Borrower authority to make payments to that Lender without UK Withholding Tax but such authority has subsequently been revoked or expired,

and in each case, such UK Borrower has notified that Lender in writing of either (A), (B)(1), (B)(2) or (B)(3) above, then such Lender and such UK Borrower shall co-operate in completing any additional procedural formalities necessary for such UK Borrower to obtain authorization to make that payment without UK Withholding Tax.

(iv) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (f)(ii) above, no UK Borrower shall make a Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment(s) or its participation in any Loan unless the Lender otherwise agrees.

(v) Each UK Borrower shall, promptly on making a Borrower DTTP Filing, deliver a copy of such Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.

(vi) A UK Non-Bank Lender which is a party to this Agreement on the Effective Date shall give a UK Tax Confirmation in Schedule 2.01. A UK Non-Bank Lender which becomes a party to this Agreement after the Effective Date shall give a UK Tax Confirmation in the documentation which it executes on becoming a party. A UK Non-Bank Lender shall promptly notify any UK Borrower and the Administrative Agent if there is any change in the position from that set out in the UK Tax Confirmation.

(vii) Each UK Treaty Lender shall notify the Borrowers and Administrative Agent if it determines in its sole discretion that it ceases to be entitled to claim the benefits of UK Treaty with respect to payments made by any UK Borrower hereunder.

(viii) Each Lender shall indicate, in Schedule 2.01 or, as the case may be, the documentation which it executes on becoming a Lender, which of the following categories it falls in in respect of a UK Borrower:

- (A) Not a Qualifying Lender;
- (B) A Qualifying Lender (other than a UK Treaty Lender or a UK Non-Bank Lender);
- (C) A UK Non-Bank Lender; or
- (D) A UK Treaty Lender (on the assumption that all procedural formalities have been completed).

If a Lender fails to indicate its status in accordance with this paragraph (viii), then such Lender shall be treated for the purposes of this Agreement (including by each UK Borrower) as if it is not a Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform each UK Borrower).

(ix) Notwithstanding anything to the contrary herein, if a Lender assigns or transfers any of its rights or obligations with respect to a Loan or changes its lending office in respect of such Loan, and as a result of circumstances existing at the date the assignment, transfer or change occurs, a Loan Party would be obliged to make a payment to the successor or assign or Lender acting through its new lending office under Section 2.15 in respect of a UK Withholding Tax, then such successor or assign or Lender acting through its new lending office is only entitled to receive payment under that Section to the same extent as the assigning or transferring Lender or Lender acting through its previous lending office would have been if the assignment, transfer or change had not occurred. This paragraph (ix) shall not apply in respect of an assignment or transfer made in the ordinary course of the primary syndication of the credit facilities provided for herein.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.17 (including by the payment of additional amounts paid pursuant to this Section 2.17), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph, in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this paragraph the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted or withheld and the indemnification payments or additional amounts in respect of such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Each party's obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all Loan Document Obligations.

(i) VAT

(i) All amounts expressed to be payable under a Loan Document by any party to a Credit Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to paragraph (ii) below, if VAT is or becomes chargeable on any supply made by any Credit Party to any party under a Loan Document and such Credit Party is required to account to the relevant tax authority for the VAT, that party must pay to such Credit Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Credit Party must promptly provide an appropriate VAT invoice to that party).

(ii) If VAT is or becomes chargeable on any supply made by any Credit Party (the "Supplier") to any other Credit Party (the "Recipient") under a Loan Document, and any party other than the Recipient (the "Relevant Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (A) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any party to reimburse or indemnify a Credit Party for any cost or expense, that party shall reimburse or indemnify (as the case may be) such Credit Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Credit Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this clause Section 2.17(i) to any party shall, at any time when such party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

(v) In relation to any supply made by a Credit Party to any party under a Loan Document, if reasonably requested by such Credit Party, that party must promptly provide such Credit Party with details of that party’s VAT registration and such other information as is reasonably requested in connection with such Credit Party’s VAT reporting requirements in relation to such supply.

(j) For purposes of this Section 2.17, the term “Lender” includes any Issuing Bank and the term “applicable law” includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs; Application of Proceeds.

(a) The Borrowers shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 1:00 p.m., New York City time), on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account or accounts as may be specified by the Administrative Agent, except that payments required to be made directly to any Issuing Bank shall be so made, payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under this Agreement or any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan or LC Disbursement shall, except as otherwise expressly provided herein, be made in the currency of such Loan or LC Disbursement; all other payments hereunder and under each other Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall notify the Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Revolving Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the aggregate amount of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by a Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any Eligible Assignee. The Borrowers consent to the foregoing and agree, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Company prior to the date on which any payment is due to the Administrative Agent for the account of any of the Lenders or the Issuing Banks hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the applicable Lenders or the Issuing Banks, as applicable, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the applicable Lenders or the Issuing Banks, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) [Reserved].

(f) All proceeds of Collateral and all other amounts received by the Administrative Agent after an Event of Default has occurred and is continuing and all or any portion of the Loans shall have been accelerated hereunder pursuant to Section 7.01, shall, upon election by the Administrative Agent or at the direction of the Required Lenders, be applied, first, on a *pro rata* basis, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent, second, to pay interest due and payable in respect of any Loans, on a *pro rata* basis, third, to the payment of any other Obligation due to the Administrative Agent or any Secured Party on a *pro rata* basis, and fourth, to the Borrowers or as the Borrowers shall direct.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if any Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Company) use commercially reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not be inconsistent with its internal policies or otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby agree to pay all reasonable and documented costs and expenses incurred by any Lender in connection with any such designation or assignment and delegation.

(b) If (i) any Lender has requested compensation under Section 2.15, (ii) the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or (iii) any Lender has become a Defaulting Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Company shall have received the prior written consent of the Administrative Agent (and, if a Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee or the Borrowers, (C) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (D) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (E) such assignment does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Company to require such assignment and delegation have ceased to apply.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) in the case of a Defaulting Lender that is a Revolving Lender, commitment fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Loans and Commitments of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(c) in the case of a Defaulting Lender that is a Revolving Lender, if any LC Exposure exists at the time such Revolving Lender becomes a Defaulting Lender, then:

(i) all or any part of the LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Sections 2.05(e) and 2.05(f)) of such Defaulting Lender shall be reallocated among the Non-Defaulting Revolving Lenders in accordance with their respective Applicable Percentages but only to the extent that the sum of all Non-Defaulting Revolving Lenders' Revolving Exposures plus such Defaulting Lender's LC Exposure does not exceed the sum of all Non-Defaulting Revolving Lenders' Commitments; provided that no reallocation under this clause (ii) shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Revolving Lender as a result of such Non-Defaulting Revolving Lender's increased exposure following such reallocation;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuing Banks the portion of such Defaulting Lender's LC Exposure that has not been reallocated in accordance with the procedures set forth in Section 2.05(i) for so long as such LC Exposure is outstanding;

(iii) if the Borrowers cash collateralize any portion of such Defaulting Lender's LC Exposure pursuant to clause (ii) above, the Borrowers shall not be required to pay participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such portion of such Defaulting Lender's LC Exposure for so long as such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if any portion of the LC Exposure of such Defaulting Lender is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted to give effect to such reallocation; and

(v) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure attributable to Letters of Credit issued by each Issuing Bank) until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Lender is a Defaulting Lender, in the case of a Defaulting Lender that is a Revolving Lender, no Issuing Bank shall be required to issue, amend, renew or extend any Letter of Credit unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be fully covered by the Commitments of the Non-Defaulting Revolving Lenders and/or cash collateral provided by the Borrowers in accordance with Section 2.20(c), and participating interests in any such issued, amended, renewed or extended Letter of Credit will be allocated among the Non-Defaulting Revolving Lenders in a manner consistent with Section 2.20(c)(i) (and such Defaulting Lender shall not participate therein).

In the event that (i) a Bankruptcy Event or a Bail-In Action with respect to a direct or indirect parent company of a Lender shall occur following the Effective Date and for so long as such Bankruptcy Event or Bail-In Action shall continue or (ii) any applicable Issuing Bank has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, such Issuing Bank shall not be required to issue, amend, renew or extend any Letter of Credit, unless such Issuing Bank shall have entered into arrangements with the applicable Borrower or the applicable Revolving Lender, satisfactory to such Issuing Bank to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Company and each applicable Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused the applicable Lender to be a Defaulting Lender, then the LC Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Revolving Loans of the other Revolving Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Loans in accordance with its Applicable Percentage; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while such Lender was a Defaulting Lender; provided, further that, except as otherwise expressly agreed by the affected parties, no change hereunder from a Defaulting Lender to a non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

SECTION 3.07. Compliance with Laws. Each Borrower and each of its Restricted Subsidiaries is in compliance with all laws, regulations and orders of any Governmental Authority applicable to it or its property and all indentures, agreements and other instruments binding upon it or its property, except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Anti-Terrorism Laws; Anti-Corruption Laws

(a) To the extent applicable, the Borrowers and the Restricted Subsidiaries are in compliance, in all material respects, with (i) the Trading with the Enemy Act, as amended, and each of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) and any other enabling legislation or executive order relating thereto, and (ii) the USA PATRIOT Act.

(b) The Borrowers have implemented and maintain in effect policies and procedures designed to ensure compliance by the Borrowers, their Subsidiaries and their respective directors, officers, employees and agents (in each case, in their capacity related to the Borrowers or their Subsidiaries) with Anti-Corruption Laws and applicable Sanctions, and the Borrowers, their Subsidiaries and their respective officers and directors and to the Knowledge of the Borrowers their employees and agents (in each case, in their capacity related to the Borrowers or their Subsidiaries), are in compliance with Anti-Corruption Laws and applicable Sanctions in all material respects and are not knowingly engaged in any activity that would reasonably be expected to result in a Borrower being designated as a Sanctioned Person. (b) As of the Effective Date, to the best knowledge of the Borrowers, the information included in the Beneficial Ownership Certification provided on or prior to the Effective Date to any Lender in connection with this Agreement is true and correct in all respects.

(b) Each Mortgage and Vessel Deed of Covenants, upon execution and delivery thereof by the parties thereto, will create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in all the applicable mortgagor's right, title and interest in and to the Collateral Vessels and Mortgaged Properties, as applicable, subject thereto and the proceeds thereof, and when the Mortgages have been filed or (as applicable) registered in the jurisdictions specified therein, the Mortgages will constitute a fully perfected security interest in all right, title and interest of the mortgagors in the Collateral Vessels and Mortgaged Properties, as applicable, and the proceeds thereof, prior and superior in right to any other Person, but subject to Liens permitted under Section 6.02.

(d) Each Security Document delivered after the Effective Date will, upon execution and delivery thereof, be effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, legal, valid and enforceable Liens on, and security interests in, all of the Loan Parties' right, title and interest in and to the Collateral thereunder, and (i) when all appropriate filings or recordings are made in the appropriate offices as may be required under applicable law and all applicable requirements set out in paragraph (d) of the definition of "Collateral and Guarantee Requirement" have been satisfied and (ii) upon the taking of possession or control by the Collateral Agent of such Collateral with respect to which a security interest may be perfected only by possession or control (which possession or control shall be given to the Administrative Agent to the extent required by any Security Document), such Security Document will constitute fully perfected Liens on, and security interests in, all right, title and interest of the Loan Parties in such Collateral, in each case subject to no Liens other than Liens permitted under Section 6.02.

Consequently, the one month suspension period as referred to in article 25 subparagraph 6 of the Dutch Works Councils Act does not have to be observed.

(b) The Borrowers may at any time designate any wholly-owned Restricted Subsidiary as a Guarantor Subsidiary; provided that the Borrowers will cause the Collateral and Guarantee Requirement to be satisfied with respect to such Restricted Subsidiary within the time period and to the extent set forth in Section 5.12(a) as if such Restricted Subsidiary is a Person that became a Guarantor Subsidiary after the Effective Date.

(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, to the extent that any Restricted Subsidiary formed or acquired (or that otherwise becomes a Guarantor Subsidiary) after the Effective Date would not be permitted to Guarantee the Senior Unsecured Notes, or any Refinancing Indebtedness in respect thereof, under applicable law, then such Restricted Subsidiary shall be deemed not to be a Guarantor Subsidiary for purposes hereof and will not enter into the New York-Law Guarantee or New York-Law Security Agreement, provide any Guarantee of the Obligations or enter into any other Security Document granting a Lien on any of such Restricted Subsidiary's assets, in each case while such prohibition exists.

The Borrowers also agree to, and shall cause each of their Subsidiaries that is a Guarantor to, provide to the Administrative Agent, from time to time upon request, evidence reasonably satisfactory to the Administrative Agent as to the perfection and priority of the Liens created or intended to be created by the Security Documents.

(d) If, after the Effective Date, (i) any Vessel is constructed or acquired by any Loan Party and/or (ii) the granting of a Lien on any Vessel that is not already a Collateral Vessel is not prohibited by any financing arrangements with respect to such Vessel, the Company will promptly notify the Administrative Agent, and the Company will cause such Vessel to be subjected to a Lien securing the Obligations and will take, and cause the Guarantors to take, such actions as shall be necessary or reasonably requested by the Administrative Agent to grant and perfect such Lien, including the actions described in clause (f) of the definition of “Collateral and Guarantee Requirement”.

(e) If, after the Effective Date, any Loan Party acquires any intellectual property consisting of a registered patent, trademark or copyright, any application for registration thereof, or any exclusive license to any registered U.S. copyright, then such Loan Party shall notify the Administrative Agent of such acquisition concurrently with the delivery of the next Financial Officer certificate required to be provided to the Administrative Agent pursuant to Section 5.01(c), and concurrently with the delivery of such notice, shall cause such intellectual property to be subjected to a Lien securing the Obligations and shall take such actions as shall be reasonably necessary or reasonably requested by the Administrative Agent to grant and perfect or record such Lien, including the actions described in clause (d) of the definition of “Collateral and Guarantee Requirement”.

(f) If any other asset that has an individual book value in excess of \$20,000,000 is acquired by the Borrowers or any Guarantor after the Effective Date (other than any asset constituting Collateral under any Security Document that becomes subject to the Lien created by such Security Document upon acquisition thereof), the Borrowers will notify the Administrative Agent, and, if requested by the Administrative Agent, the Borrowers will cause such assets to be subjected to a Lien securing the Obligations and will take, and cause the Guarantors to take, such actions as shall be necessary or reasonably requested by the Administrative Agent to grant and perfect such Liens, including the actions described in paragraph (a) of this Section, all at the expense of the Loan Parties.

SECTION 5.14. Vessel Appraisals. Upon the Administrative Agent's reasonable request, the Borrowers will, or will cause any Loan Party that is the owner of a Collateral Vessel to, obtain a valuation report (or updated valuation report) for each Collateral Vessel owned by it, in each case in form and substance consistent with those appraisals provided on or prior to the Effective Date for the Collateral Vessels and prepared by a reputable valuer; provided that no more than one such valuation report per Collateral Vessel shall be required to be delivered per year.

SECTION 5.15. Post-Effective Date Matters. To the extent that any of the following obligations, documents and/or security interests cannot be performed, provided, delivered or perfected on the Effective Date (except with respect to assets for which a Lien may be perfected by the filing of a financing statement under the Uniform Commercial Code) after the Borrowers' or the relevant Loan Party's use of commercially reasonable efforts to do so, the Borrowers shall comply, and shall cause each of the Loan Parties to comply, with each of the following obligations and/or deliver to the Administrative Agent each of the following documents, instruments, agreements and information, in each case, in form and substance satisfactory to the Administrative Agent, on or before the date set forth for each such item below (unless waived in accordance with Section 9.02):

(a) Within 30 days of the Effective Date (or such longer period of time as the Administrative Agent may reasonably agree in its sole discretion), the Administrative Agent shall have received the certificates of insurance and related endorsements required by Section 5.07.

(c) Within 90 days of the Effective Date (or such longer period of time as the Administrative Agent may reasonably agree in its sole discretion), the Administrative Agent shall have received the Real Property Mortgages and such other documents as required pursuant to clause (e) of the definition of "Collateral and Guarantee Requirement".

SECTION 5.16. Designation of Subsidiaries. The Borrowers may at any time designate any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (a) immediately before and after such designation, (i) no Default or Event of Default shall have occurred and be continuing or would result from such designation, (ii) the Company shall be in compliance with the Financial Covenants on a Pro Forma Basis and (iii) the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality, in all respects) on and as of the date of such designation, except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty shall be true and correct in all material respects (or in all respects, as applicable) as of such earlier date, and (b) no Subsidiary may be designated as an Unrestricted Subsidiary if it is a “restricted subsidiary” or a “guarantor” (or any similar designation) for any Material Indebtedness. The designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the parent company of such Subsidiary therein under Section 6.04(u) at the date of designation in an amount equal to the net book value of such parent company’s investment therein. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary, and the making of an Investment by such Subsidiary in any Investments of such Subsidiary, in each case existing at such time. SECTION 6.11. Amendment of Material Documents. The Borrowers will not, nor will they permit any of their Restricted Subsidiaries to (a) amend, modify or waive their certificate of incorporation, bylaws or other organizational documents or (b) amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to, any of the terms of any Material Indebtedness, including the Senior Unsecured Notes, other than amendments or modifications that otherwise comply with the definition of Refinancing Indebtedness that may be incurred to refinance any such Material Indebtedness.

(g) any event or condition occurs that results in any Material Indebtedness becoming due or being terminated or required to be prepaid, repurchased, redeemed or defeased prior to its scheduled maturity or that enables or permits (with all applicable grace periods, if any, in respect of such event or condition under the documentation representing such Material Indebtedness having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf, or, in the case of any Hedging Agreement, the applicable counterparty, to cause any Material Indebtedness to become due, or to terminate or require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to (i) any secured Indebtedness that becomes due as a result of the voluntary sale, transfer or other disposition of the assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement) or (ii) any Indebtedness that becomes due as a result of a voluntary refinancing thereof permitted under Section 6.01;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrowers or any Material Subsidiary or its debts, or of a substantial part of its assets, under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrowers or any Material Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

The Administrative AgentSECTION 8.01. Administrative Agent Matters

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors to serve as administrative agent and collateral agent (without prejudice to the right of the Administrative Agent to designate any sub-agent, co-agent or trustee to serve as collateral agent or security trustee) under the Loan Documents and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent (including any sub-agent, co-agent or trustee designated by the Administrative Agent) any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. It is understood and agreed that the use of the term "agent" (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrowers or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

(c) The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (i) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (ii) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion, could expose the Administrative Agent to liability or be contrary to this Agreement or any other Loan Document or applicable law, and (iii) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers, any Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment). The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the Administrative Agent by the Borrowers, a Lender or an Issuing Bank, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (A) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (B) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (C) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Agreement or any other Loan Document or the occurrence of any Default, (D) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document or (E) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by the Borrowers or any Lender as a result of, any determination of the Revolving Exposure or the component amounts thereof.

(d) The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed or sent or otherwise authenticated by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof). The Administrative Agent also shall be entitled to rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the signatory, sender or authenticator thereof), and may act upon any such statement prior to receipt of written confirmation thereof. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or such Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

(e) The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document (including, for the avoidance of doubt, the role of collateral agent and/or security trustee) by or through any one or more sub-agents, co-agents or trustees appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their duties and exercise their rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent, co-agent or trustee except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(f) Subject to the terms of this paragraph, the Administrative Agent may resign at any time from its capacity as such. In connection with such resignation, the Administrative Agent shall give notice of its intent to resign to the Lenders, the Issuing Banks and the Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrowers (which shall not be unreasonably withheld or delayed), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrowers and such successor. Notwithstanding the foregoing, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrowers, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Collateral Agent under any Security Document for the benefit of the Secured Parties, the retiring Administrative Agent (or any applicable sub-agent or security trustee) shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative Agent (or such sub-agent or security trustee), shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (a) above.

(g) Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, the Arrangers or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Arrangers or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(h) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, this Agreement and each other Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date and shall be deemed to have consented to and approved the Collateral Agency Agreement and each Security Document to be entered into by the Administrative Agent and any Collateral Agent after the Effective Date pursuant to Section 5.15. The Lenders, each Issuing Bank and each other Secured Party irrevocably (i) authorizes the Administrative Agent to enter into or amend any Bilateral Facility Intercreditor Agreement with any representative of the holders of Secured Bilateral Facility Obligations that are permitted to be secured by a Lien on the Collateral as permitted under this Agreement, in each case for the purpose of adding the holders of such Indebtedness (or their representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto and (ii) and consents to the Administrative Agent and agrees not to assert any claims against the Administrative Agent or any successor thereof arising from the role of the Administrative Agent or such successor under such Bilateral Facility Intercreditor Agreement, so long as it is acting in accordance with the terms of the Loan Documents and such Bilateral Facility Intercreditor Agreement (it being understood that any action taken by the Administrative Agent acting at the direction of, or with the negative consent of, the Required Lenders shall be an action that is undertaken in accordance with the terms of the Loan Documents). Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to enter into or amend such Bilateral Facility Intercreditor Agreement pursuant to this Section 8.01(h).

(i) Except with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or with respect to a Lender's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent (or any sub-agent, co-agent or trustee designated by it as collateral agent or security trustee) on behalf of the Secured Parties in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent (or any sub-agent(s) designated by it as collateral agent or security trustee) on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent (or any sub-agent, co-agent or trustee designated by it as collateral agent or security trustee), as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Loan Document Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent (or any sub-agent, co-agent or trustee designated by it as collateral agent or security trustee) on behalf of the Secured Parties at such sale or other disposition.

(j) The Secured Cash Management Obligations, the Secured Hedging Obligations and the Secured Bilateral Facility Obligations, shall be secured and guaranteed pursuant to the Loan Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement, Secured Cash Management Agreement or Secured Bilateral Facility. For the avoidance of doubt, no release of Collateral or Guarantors effected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements, any Secured Cash Management Agreements or any Secured Bilateral Facility. By accepting the benefits of the Collateral, each Secured Party that is a party to any such Cash Management Services, Hedging Agreement or Secured Bilateral Facility shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent (without prejudice to the Administrative Agent's right to designate any sub-agent, co-agent or trustee as collateral agent or security trustee) under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(k) The Secured Parties irrevocably authorize the Administrative Agent (or any sub-agent, co-agent or trustee designated by it as collateral agent or security trustee), at its option and in its discretion, to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(e). The Administrative Agent (or any sub-agent, co-agent or trustee designated by it as collateral agent or security trustee) shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's (or any designated collateral agent's or security trustee's) Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent (or any sub-agent, co-agent or trustee designated by it as collateral agent or security trustee) be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(l) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (i) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (ii) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (A) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles (B) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (C) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (D) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action and (E) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (B) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(m) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03).

(n) Notwithstanding anything herein to the contrary, neither the Arrangers nor any Person named on the cover page of this Agreement as a Documentation Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder.

(o) The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrowers' rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrowers or any Subsidiary shall have any rights as a third party beneficiary of any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and the Guarantees of the Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

(p) To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equal to any applicable withholding Tax. If the IRS or any Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from any amount paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties and without limiting or expanding the obligation of the Loan Parties to do so) for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Loans and the repayment, satisfaction or discharge of all obligations under this Agreement.

(q) Unless required by applicable Requirement of Law, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender any refund of Taxes withheld or deducted from funds paid for the account of such Lender. For purposes of this paragraph, the term “Lender” includes any Issuing Bank.

SECTION 8.02. Certain ERISA Matters

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that at least one of the following is and will be true:

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that none of the Administrative Agent, any Arranger, the Documentation Agent or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(c) The Administrative Agent, each Arranger and the Documentation Agent hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the Transactions, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

(iv) if to any other Lender, to it at its address (or fax number) set forth in its Administrative Questionnaire.

Notices and communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications, to the extent provided in paragraph (b) of this Section, shall be effective as provided in such paragraph.

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet and intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or any Issuing Bank if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications or may be rescinded by any such Person by notice to each other such Person.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment) and (ii) notices and other communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefore; provided that, for both clauses (i) and (ii) above, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, etc. Any party hereto may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform. The Borrowers agree that the Administrative Agent may, but shall not be obligated to, make any Communications by posting such Communication on Debt Domain, IntraLinks, SyndTrak or a substantially similar electronic transmission system (the "Platform"). The Platform is provided "as is" and "as available." Neither the Administrative Agent nor any of its Related Parties warrants, or shall be deemed to warrant, as to the adequacy of the Platform and each such Person expressly disclaims any liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third- party rights or freedom from viruses or other code defects, is made, or shall be deemed to be made, by the Administrative Agent or any of its Related Parties in connection with the Communications or the Platform.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrowers in any case shall entitle the Borrowers to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Sections 2.14(b), (c) and (d), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrowers, the Administrative Agent and the Required Lenders and, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, in each case without the written consent of each Lender affected thereby (provided that the consent of the Required Lenders shall be sufficient to waive or reduce the increased portion of interest resulting from Section 2.13(c)), (iii) postpone the scheduled maturity date of any Loan or the required date of reimbursement of any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby, (iv) change any of the provisions of this Section, change any provision of Section 2.18(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby or the percentage set forth in the definition of the term "Required Lenders" or any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, (v) release all or substantially all of the value of the Guarantees provided by the Loan Parties under the New York-Law Guarantee, in each case without the written consent of each Lender (except as expressly provided in Section 9.14 or the New York-Law Guarantee (including any such release by the Administrative Agent in connection with any sale or other disposition of any Subsidiary upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations guaranteed under the New York-Law Guarantee shall not be deemed to be a release of any Guarantee), (vi) release all or substantially all the Collateral from the Liens of the Security Documents without the written consent of each Lender (except as expressly provided in Section 9.14 or the applicable Security Document (including any such release by the Administrative Agent in connection with any sale or other disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents), (vii) [reserved], (viii) [reserved] or (ix) amend Section 2.18(f) without the written consent of each Lender; provided, further, that no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent or any Issuing Bank without the prior written consent of the Administrative Agent or such Issuing Bank, as applicable. Notwithstanding any of the foregoing, (1) no consent with respect to any waiver, amendment or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any waiver, amendment or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be affected by such waiver, amendment or other modification and (2) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrowers and the Administrative Agent to cure any ambiguity, omission, mistake, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from (x) the Required Lenders stating that the Required Lenders object to such amendment or (y) if affected by such amendment, any Issuing Bank stating that it objects to such amendment.

(c) In connection with any Proposed Change requiring the consent of all Lenders or all affected Lenders, if the consent of the Required Lenders to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender” for purposes of this clause (c)), then the Borrowers may, at their sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) if the Administrative Agent is not such Non-Consenting Lender, the Borrowers shall have received the prior written consent of the Administrative Agent (and, if a Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (ii) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee or the Borrowers, (iii) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (iv) such assignment does not conflict with applicable law and (v) the assignee shall have given its consent to such Proposed Change and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, such Proposed Change can be effected. Any assignment required pursuant to this Section 9.02(c) may be effected pursuant to an Assignment and Assumption executed by the Borrowers, the Administrative Agent and the assignee, and the Lender required to make such assignment shall not be required to be a party to such Assignment and Assumption.

(d) Notwithstanding anything herein to the contrary, the Administrative Agent may, without the consent of any Secured Party, consent to a departure by any Loan Party from any covenant of such Loan Party set forth in this Agreement, the New York-Law Guarantee or any Security Document to the extent such departure is consistent with the authority of the Administrative Agent set forth in the definition of the term “Collateral and Guarantee Requirement.”

(e) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute waivers, amendments or other modifications on behalf of such Lender. Any waiver, amendment or other modification effected in accordance with this Section, shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 9.03. Expenses; Limitation of Liability; Indemnity, Etc

(a) Expenses. The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Documentation Agent and their respective Affiliates, including the reasonable fees, charges and disbursements of one firm of counsel for all such Persons, taken as a whole, and, if relevant, of a single firm of local counsel in each applicable jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Person affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Person and, if reasonably necessary, of a single firm of local counsel in each applicable jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Person), in connection with the structuring, arrangement and syndication of the credit facilities provided for herein and any credit or similar facility refinancing or replacing, in whole or in part, any of the credit facilities provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any waiver, amendments or modifications of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank or any Lender, including the reasonable and documented fees, charges and disbursements of counsel for any of the foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) Limitation of Liability. To the extent permitted by applicable law (i) the Borrowers and each other Loan Party shall not assert, and the Borrowers and each other Loan Party hereby waive, any claim against the Administrative Agent, any Arranger, the Documentation Agent, any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a “Lender-Related Person”) for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section 9.03(b) shall relieve the Borrowers or any other Loan Party of any obligation they may have to indemnify an Indemnitee, as provided in Section 9.03(c), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(c) Indemnity. The Borrowers shall indemnify the Administrative Agent, the Arrangers, the Documentation Agent, the Lenders, the Issuing Banks and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”), against, and hold each Indemnitee harmless from, any and all Liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of one firm of counsel for all such Indemnitees, taken as a whole, and, if relevant, of a single firm of local counsel in each applicable jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrowers of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if reasonably necessary, of a single firm of local counsel in each applicable jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Indemnitee)), incurred by or asserted against such Indemnitees arising out of, in connection with or as a result of any actual or prospective Proceeding relating to (i) the structuring, arrangement and syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any other agreement or instrument contemplated hereby or thereby, the performance by the parties to this Agreement or the other Loan Documents of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any actual or alleged presence or Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrowers or any Subsidiary, or any other Environmental Liability related in any way to the Borrowers or any Subsidiary, in each case, whether based on contract, tort or any other theory and whether initiated against or by any party to this Agreement or any other Loan Document, any Affiliate of any of the foregoing or any third party (and regardless of whether any Indemnitee is a party thereto); provided that the foregoing indemnity shall not, as to any Indemnitee, apply to any Liabilities or related expenses to the extent (A) they are found in a final and non-appealable judgment of a court of competent jurisdiction to have primarily resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee or (B) a proceeding that does not involve an act or omission by the Borrowers or any of their respective Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than a proceeding that is brought against the Administrative Agent, any Issuing Bank or any other agent or any Arranger in its capacity or in fulfilling its roles as an agent, issuing bank or arranger hereunder or any similar role with respect to the Indebtedness incurred or to be incurred hereunder). This Section 9.03(c) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(d) Lender Reimbursement. Each Lender severally agrees to pay any amount required to be paid by the Borrowers under paragraphs (a), (b) or (c) of this Section 9.03 or the Collateral Agency Agreement to the Administrative Agent, the Collateral Agent, any Issuing Bank, or any Related Party of any of the foregoing Persons (each, an “Agent-Related Person”) (to the extent not reimbursed by the Borrowers and without limiting their obligation to do so), ratably according to their respective Applicable Percentage in effect on the date on which such payment is sought under this Section (or, if such payment is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Applicable Percentage immediately prior to such date), from and against any and all Liabilities and related expenses, including the fees, charges and disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent-Related Person in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent-Related Person under or in connection with any of the foregoing; provided that the unreimbursed expense or Liability or related expense, as the case may be, was incurred by or asserted against such Agent-Related Person in its capacity as such; provided further that no Lender shall be liable for the payment of any portion of such Liabilities, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted primarily from such Agent-Related Party’s gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns

(a) General. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) neither of the Borrowers may assign, delegate or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment, delegation or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign, delegate or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Arrangers, the Documentation Agent and, to the extent expressly contemplated hereby, the Related Parties of any of the Administrative Agent, any Arranger, the Documentation Agent, any Issuing Bank and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. (2) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign and delegate to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed, except in connection with a proposed assignment to any Disqualified Institution) of (A) the Borrowers; provided that no consent of the Borrowers shall be required (1) for an assignment and delegation to a Revolving Lender, an affiliate of a Revolving Lender or an Approved Fund in respect of a Revolving Lender and (2) if an Event of Default of the type set forth in Section 7.01(a), (b), (d) (with respect to any Financial Covenant), (h) or (i) has occurred and is continuing, for any other assignment and delegation; provided, further, that the Borrowers shall be deemed to have consented to any such assignment and delegation unless they shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, (B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment and delegation of all or any portion of a Commitment or Revolving Loan to a Revolving Lender, an affiliate of a Revolving Lender or an Approved Fund in respect of a Revolving Lender and (C) each Issuing Bank, in the case of any assignment and delegation of all or a portion of a Commitment or any Lender's obligations in respect of its LC Exposure.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment and delegation is delivered to the Administrative Agent) shall not be less than \$5,000,000, unless each Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrowers shall be required if an Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, (C) the parties to each assignment shall execute and deliver to the Administrative Agent (x) an Assignment and Assumption or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, together with a processing and recordation fee of \$3,500; provided with respect to any assignment pursuant to Section 2.19(b) or 9.02(c), the parties hereto agree that such assignment may be effected pursuant to an Assignment and Assumption executed by the Borrowers, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto, and (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including Federal, State and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (c)(ii) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04, other than with respect to Disqualified Institutions, whether or not such assignment or transfer is reflected in the Register, shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04.

(iv) [Reserved].

(v) If any assignment under this Section 9.04(b) is made to any Disqualified Institution without the Borrowers' prior written consent, then the Borrowers may, at their sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent and to the extent such Disqualified Institution continues to hold any such Loans or Commitments, (A) terminate any Commitment of such Disqualified Institution and repay the outstanding amount of Loans, together with accrued and unpaid interest thereon, unpaid fees and all other amounts owing to such Disqualified Institution and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.04), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees. Nothing in this Section 9.04 shall be deemed to prejudice any right or remedy that the Borrowers may otherwise have at law or equity.

(vi) Notwithstanding anything to the contrary contained in this Agreement, each Disqualified Institution (A) will not receive information provided solely to Lenders by the Borrowers, the Administrative Agent or any Lender (other than the Disqualified Institutions List to any potential assignee for the purpose of determining if such potential assignee is a Disqualified Institution) and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II and (B) (x) for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, shall not have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action, and all Loans held by any Disqualified Institution shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders or all Lenders have taken any actions, except that no amendment, modification or waiver of any Loan Document shall, without the consent of the applicable Disqualified Institution, deprive any Disqualified Institution of its pro rata share of any payment to which all Lenders are entitled and (y) hereby agrees that if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrowers or any other Loan Party, such Disqualified Institution will be deemed to vote in the same proportion as Lenders that are not Disqualified Institutions.

(vii) The Administrative Agent shall have the right, and the Borrowers hereby expressly authorize the Administrative Agent, to provide the Disqualified Institutions List to each Lender or potential Lender requesting the same (provided that such Lender or potential Lender agrees to maintain the confidentiality of the Disqualified Institutions List (which agreement may be by way of a “click through” or other affirmative action on the part of the recipient to access the Disqualified Institutions List and acknowledge its confidentiality obligations in respect thereof)).

(viii) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor the list or identities of, or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or prospective Lender is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment of Loans, or disclosure of confidential information, to any Disqualified Institution

(ix) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and related interest amounts) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, any Issuing Bank or any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(x) Upon its receipt of (x) a duly completed Assignment and Assumption executed by an assigning Lender and an assignee or (y) to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and the parties to the Assignment and Assumption are participants, the assignee’s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b)(ii) of this Section and any written consent to such assignment required by paragraph (b)(i) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06(b), 2.18(d) or 9.03(d), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Participations. Any Lender may, without the consent of, or notice to, the Borrowers, the Administrative Agent, or any Issuing Bank, sell participations to one or more Eligible Assignees (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and/or obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(e) (it being understood and agreed that the documentation required under Section 2.17(e) and (f) shall be delivered to the participating Lender and the information and documentation required under 2.17(f) will be delivered to the Borrowers and the Administrative Agent) to the same extent as if it were a Lender and had acquired its interest by assignment and delegation pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrowers’ request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement or any other Loan Document (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may, without the consent of the Borrowers, the Administrative Agent or any Issuing Bank, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in this Agreement and the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Arrangers, the Documentation Agent, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time this Agreement or any other Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Commitments have not expired or terminated. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrowers (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank, or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(d) or 2.05(e). The provisions of Sections 2.15, 2.16, 2.17, 2.18(e) and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment or prepayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrowers or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrowers and each Loan Party hereby (i) agree that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waive any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waive any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrowers and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrowers against any of and all the obligations then due of the Borrowers now or hereafter existing under this Agreement held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement and although such obligations of the Borrowers are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. Each Lender and each Issuing Bank agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application; provided that the failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process

(a) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Each of the Lenders and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Secured Party relating to this Agreement, any other Loan Document, the Collateral or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

(c) Each of the Borrowers hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may (and any such claims, cross-claims or third party claims brought against the Administrative Agent or any of its Related Parties may only) be heard and determined in such Federal (to the extent permitted by law) or New York State court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against any Loan Party or any of its properties in the courts of any jurisdiction.

(d) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (c) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(e) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01; provided that the Company hereby acknowledges that it has appointed C T CORPORATION SYSTEM, 28 Liberty Street, New York, New York 10005, as its agent for service of process, and agrees that service of any process, summons, notice or document by hand delivery or registered mail upon such agent shall be effective service of process for any suit, action or proceeding brought in any court referred to in Section 9.09(c). Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors, it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, (b) to the extent required or requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any Proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement (including, for the avoidance of doubt, the Disqualified Institutions List for the purpose of determining if a potential assignee is a Disqualified Institution) or (ii) any actual or prospective counterparty (or its Related Parties) to any Hedging Agreement, Cash Management Services or Bilateral Facility (including any Supply Chain Bank Purchaser) relating to the Borrowers or any Subsidiary and their obligations hereunder or under any other Loan Document, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrowers or their Subsidiaries or the credit facility provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of identification numbers with respect to the credit facility provided for herein, (h) with the consent of the Borrowers, (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any Issuing Bank or any Affiliate of any of the foregoing on a nonconfidential basis from a source other than the Borrowers or (j) to any credit insurance provider or potential credit insurance provider relating to the Borrowers or their Obligations. For purposes of this Section, "Information" means all information received from the Borrowers relating to the Borrowers or any Subsidiary or their businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Borrowers and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Borrower after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any LC Disbursement, together with all fees, charges and other amounts that are treated as interest on such Loan or LC Disbursement or participation therein under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or LC Disbursement or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or LC Disbursement or participation therein but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or LC Disbursements or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB Rate to the date of repayment, shall have been received by such Lender.

SECTION 9.14. Release of Liens and Guarantees. Subject to the reinstatement provisions set forth in the New York-Law Guarantee or any Security Document, a Guarantor shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Guarantor shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Guarantor ceases to be a Subsidiary; provided that, if so required by this Agreement, the Required Lenders shall have consented to such transaction and the terms of such consent shall not have provided otherwise. Upon any sale or other transfer by any Loan Party (other than to the Borrowers or any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon payment in full of the Loan Document Obligations (other than contingent amounts not yet due), expiration or termination of all Commitments and the expiration or termination of all Letters of Credit (other than those collateralized or back-stopped on terms reasonably satisfactory to the applicable Issuing Bank) and reimbursement of all LC Disbursements, the security interests granted to the Administrative Agent pursuant to the Security Documents shall terminate. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. Each of the Secured Parties irrevocably authorizes the Administrative Agent, at its option and in its discretion, to effect the releases set forth in this Section, the Borrowers shall deliver to the Administrative Agent such officer’s certificates as the Administrative Agent may reasonably request to evidence compliance with the applicable provisions of the Loan Documents (including the Administrative Agent’s authority hereunder) and the Secured Parties acknowledge and agree that the Administrative Agent may rely, without independent investigation on such certificates.

SECTION 9.15. USA PATRIOT Act Notice. Each Lender, each Issuing Bank and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, such Issuing Bank or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act, and each Loan Party agrees to provide such information from time to time to such Lender, such Issuing Bank and the Administrative Agent, as applicable.

SECTION 9.16. No Fiduciary Relationship. The Borrowers acknowledge and agree, and acknowledge their Subsidiaries' understanding, that no Credit Party will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an arm's length contractual counterparty to the Borrowers with respect to the Loan Documents and the transaction contemplated therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrowers or any other person. The Borrowers agree that they will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby. Additionally, the Borrowers acknowledge and agree that no Credit Party is advising the Borrowers as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction. The Borrowers shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Credit Parties shall have no responsibility or liability to the Borrowers with respect thereto.

The Borrowers further acknowledge and agree, and acknowledge their Subsidiaries' understanding, that each Credit Party is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. In the ordinary course of business, any Credit Party may provide investment banking and other financial services to, and/or acquire, hold or sell, for its own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of, you and other companies with which you may have commercial or other relationships. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion.

In addition, the Borrowers acknowledge and agree, and acknowledge their Subsidiaries' understanding, that each Credit Party and its affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which you may have conflicting interests regarding the transactions described herein and otherwise. No Credit Party will use confidential information obtained from you by virtue of the transactions contemplated by the Loan Documents or its other relationships with you in connection with the performance by such Credit Party of services for other companies, and no Credit Party will furnish any such information to other companies. You also acknowledge that no Credit Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to you, confidential information obtained from other companies.

SECTION 9.17. Non-Public Information

(a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrowers or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Borrowers and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, State and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, State and foreign securities laws.

(b) The Borrowers and each Lender acknowledge that, if information furnished by the Borrowers pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (i) the Administrative Agent may post any information that the Borrowers have indicated as containing MNPI solely on that portion of the Platform as is designated for private side Lender representatives and (ii) if the Borrowers have not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for private side Lender representatives. The Borrowers agree to clearly designate all information provided to the Administrative Agent by or on behalf of the Borrowers that is suitable to be made available to public side Lender representatives, and the Administrative Agent shall be entitled to rely on any such designation by the Borrowers without liability or responsibility for the independent verification thereof.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.19, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82 (b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 9.20. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Borrower hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with usual and customary banking procedures the Administrative Agent could purchase the specified currency with such other currency at any of the Administrative Agent’s offices in the United States of America on the Business Day preceding that on which final judgment is given. The obligations of such Borrower in respect of any sum due to any Credit Party hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender, the applicable Issuing Bank or the Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender, the applicable Issuing Bank or the Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender, the applicable Issuing Bank or the Administrative Agent, as the case may be, in the specified currency, such Borrower agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender, the applicable Issuing Bank or the Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender, the applicable Issuing Bank or the Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.18, each Lender, Issuing Bank or the Administrative Agent, as the case may be, agrees to promptly remit such excess to such Borrower.

SECTION 9.21. Borrower Representative. The U.S. Borrower hereby irrevocably appoints the Company as its agent for all purposes of this Agreement and the other Loan Documents, including with respect to (i) the giving and receipt of notices (including any Borrowing Request) and (ii) the execution and delivery of all documents, instruments and certificates contemplated herein. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the U.S. Borrower hereby acknowledges that any amendment or other modification to this Agreement or any other Loan Document may be effected as set forth in Section 9.02, that no consent of the U.S. Borrower shall be required to effect any such amendment or other modification and that the U.S. Borrower shall be bound by this Agreement or any other Loan Document (to which it is already a party) as so amended or modified.

As the market leader and industry’s only fully integrated pure-play, we are uniquely positioned to transform our clients’ project economics, helping them to unlock traditional and new energy resources while reducing carbon intensity and supporting their energy transition ambitions.”

New Board of Directors Appointment for Technip Energies

Technip Energies today announced the appointment of a new member of its Board of Directors, Simon Eyers, effective February 16, 2021. Mr. Eyers previously served as Managing Director of Warburg Pincus International from 2012 to 2018 focusing on energy investments, and as a Senior Advisor until the end of 2020 after retiring from his full-time role. In addition to being a founding partner of 4D Global Energy Advisors, a private equity firm based in Paris specializing in the energy sector, Mr. Eyers also held executive leadership roles in various technology ventures and worked 13 years in energy investment banking at SG Warburg & Co, Goldman Sachs and Credit Suisse First Boston Europe.

“We are pleased to welcome Simon Eyers to the Technip Energies Board,” said Arnaud Pieton, CEO of Technip Energies. “Simon’s deep understanding of global energy markets and strong experience with the development of new technologies will be invaluable as we grow our business in the future.”

TECHNIPFMC PLC
UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

On February 16, 2021, TechnipFMC plc (“TechnipFMC” or “we”) completed the previously announced separation into two industry-leading, independent, publicly traded companies: Technip FMC, a fully integrated technology and service provider, and Technip Energies N.V., a leading engineering and technology player (“Technip Energies”). The transaction was structured as a spin-off (the “Spin-off”), which occurred by way of a pro rata dividend (the “Distribution”) to TechnipFMC’s shareholders of 50.1 percent of the outstanding shares of Technip Energies. Each of the TechnipFMC shareholders received one ordinary share of Technip Energies for every five ordinary shares of TechnipFMC held at 5:00 p.m., New York City time on the record date, February 17, 2021. Technip Energies is now an independent public company and its shares trade under the ticker symbol “TE” on the Euronext Paris stock exchange. Technip Energies intends to establish a sponsored American Depositary Receipt program in the United States as of February 23, 2021.

In connection with the Spin-off, on January 7, 2021, Bpifrance Participations SA (“BPI”), which has been a substantial shareholder of TechnipFMC since 2009, entered into the share purchase agreement with TechnipFMC pursuant to which BPI will purchase from TechnipFMC a portion of TechnipFMC’s retained stake in Technip Energies (the “BPI Investment”) for \$200.0 million (the “Purchase Price”). The Purchase Price is subject to adjustment, and BPI’s ownership stake will be determined based upon a thirty day volume-weighted average price of Technip Energies shares (with BPI’s ownership collared between an 11.82 percentage floor and a 17.25 percentage cap), less a six percent discount. The BPI Investment is subject to customary conditions and regulatory approval. Following completion of the Distribution, TechnipFMC intends to significantly reduce its shareholding in Technip Energies over the 18 months following the Spin-off, including in connection with the sale of shares to BPI pursuant to the BPI Investment.

The following unaudited pro forma condensed consolidated financial statements consist of unaudited pro forma condensed consolidated statements of income (loss) for the years ended December 31, 2019, 2018 and 2017 and for the nine months ended September 30, 2020, and an unaudited pro forma condensed consolidated balance sheet as of September 30, 2020. The unaudited pro forma condensed consolidated balance sheet assumes that the Spin-off and the Distribution had occurred on September 30, 2020, and the unaudited pro forma condensed consolidated statements of income (loss) assume that the Spin-off and the Distribution had occurred on January 1, 2017.

The transaction accounting adjustments for the Spin-off consist of those necessary to account for the separation of the Technip Energies business segment. Separately, in connection with the Spin-off, TechnipFMC issued \$1.0 billion of its 6.50% Senior Notes due 2026. The adjustments related to the issuance of this debt and repayment of certain existing debts are shown in a separate column as “Financing Adjustments”. The unaudited pro forma condensed consolidated financial statements do not include any management’s adjustments that include forward-looking information.

The unaudited pro forma condensed consolidated financial statements have been prepared based upon available information and management estimates and are subject to assumptions and adjustments described below and in the accompanying notes to those financial statements. The unaudited pro forma condensed consolidated financial statements are not intended to represent or be indicative of the financial condition or results of operations that might have occurred had the Spin-off and Distribution occurred as of the dates stated below, and further should not be taken as representative of future financial condition or results of operations of the reorganized entity. The actual financial position and results of operations may differ significantly from the pro forma amounts reflected herein due to a variety of factors. Management believes these assumptions and adjustments are reasonable under the circumstances, given the information available at the filing date.

The unaudited pro forma condensed consolidated financial statements and the accompanying notes should be read in conjunction with:

- the audited consolidated financial statements and accompanying notes and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” included in TechnipFMC’s Form 10-K for the fiscal year ended December 31, 2019 and
- the unaudited condensed consolidated financial statements and accompanying notes and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” included in TechnipFMC’s Form 10-Q for the nine months ended September 30, 2020.

The Historical column in the unaudited pro forma condensed consolidated financial statements reflects TechnipFMC’s historical financial statements for the periods presented and does not reflect any adjustments related to the Distribution and related events.

The Technip Energies Separation column in the unaudited pro forma condensed consolidated financial statements was derived from the audited combined financial statements for the years ended December 31, 2019, 2018 and 2017 included in Technip Energies’ registration statement on Form F-1 filed with the Securities and Exchange Commission on January 19, 2021, and from the unaudited combined financial statements as of and for the nine months ended September 30, 2020. The combined financial statements were adjusted to exclude certain items which are relevant to the continuing operations of TechnipFMC and to reflect certain insignificant IFRS to US GAAP conversion differences.

TECHNIPFMC PLC
UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

- (a) Pursuant to the Separation and Distribution Agreement signed between TechnipFMC and Technip Energies, pro forma adjustment to cash reflects proceeds received from BPI for its proportionate share of the investment in Technip Energies and cash retained by TechnipFMC, including proceeds from settlement of hedging instruments, after the deconsolidation of Technip Energies. The adjustment is comprised of the following (in millions):

	September 30, 2020
Technip Energies' cash retained	\$ 842.3
Cash proceeds from BPI	200.0
Pro forma adjustment to cash	<u>\$ 1,042.3</u>

- (b) Reflects the adjustment to cash for the retirement of certain of TechnipFMC's debt, issuance of new 6.50% Senior Notes due 2026 and payment of estimated cost of debt issuance and financing. The adjustment is comprised of the following (in millions):

	September 30, 2020

Issuance of 6.50% Senior Notes due 2026	1,000.0
Debt issuance costs	(22.5)

Pro forma adjustment to cash	<u>\$ (1,185.9)</u>

- (c) Reflects the settlement of the outstanding intercompany accounts receivables (payables) pursuant to the Separation and Distribution Agreement.

- (d) Reflects the remaining non-controlling equity interest in Technip Energies, calculated by applying the ownership percentage, assuming that the BPI Investment is purchased at the midpoint of the 11.82 percentage floor and 17.25 percentage cap, to the historical carrying value of Technip Energies. It is management's belief that the historical carrying value of Technip Energies approximates its fair value. BPI's \$200.0 million investment in Technip Energies is subject to adjustment, and the incremental ownership stake will be determined based upon the first thirty day volume-weighted average price of Technip Energies' shares, less a six percent discount.

Following the completion of the Spin-off, TechnipFMC elected to apply a fair value option to account for its equity method investment in the remaining ownership interest in Technip Energies. The pro forma adjustments related to the changes in the fair value of the equity method investment are not reflected in these financial statements, because they are not meaningful.

(e) Reflects pro forma adjustment related to repayment of certain debts and issuance of new 6.50% Senior Notes due 2026 as follows (in millions):
