**Item 2.02 Results of Operations and Financial Condition**

This Current Report on Form 8-K/A amends the Current Report on Form 8-K of FMC Technologies, Inc. (the "Company") dated July 20, 2016 and filed with the Securities and Exchange Commission on July 20, 2016 which announced its financial results for the fiscal quarter ended June 30, 2016. Subsequent to the filing of the Form 8-K on July 20, 2016, the Company identified a reclassification adjustment that affected the reporting of depreciation and amortization on its unaudited condensed consolidated statement of cash flows for the six months ended June 30, 2016. The adjustment reflects an \$11.2 million increase in "depreciation and amortization" and an equal and corresponding decrease in "other" in the operating section of the statement of cash flows. Net cash provided by operating activities and the net increase in cash during the six months ended June 30, 2016 remains unchanged.

The reclassification adjustment on our unaudited condensed consolidated statement of cash flows did not affect our unaudited condensed consolidated statements of income, business segment data, condensed consolidated balance sheets, or any non-gaap presentations provided in the Current Report on Form 8-K dated and filed on July 20, 2016.

Revised condensed consolidated statements of cash flows for the six months ended June 30, 2016 and 2015 is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.
