

## Press Release

# TechnipFMC Awarded Substantial Subsea Contract for ExxonMobil Guyana's Hammerhead Project

**NEWCASTLE & HOUSTON, September 25, 2025** — TechnipFMC (NYSE: FTI) has been awarded a substantial<sup>(1)</sup> contract by ExxonMobil Guyana Limited to supply subsea production systems for the Hammerhead development in Guyana's Stabroek Block.

TechnipFMC will provide project management, engineering, and manufacturing of subsea production systems supporting both production and water injection capabilities. The subsea architecture will include products from the Subsea 2.0<sup>®</sup> platform, including subsea trees, manifolds, and associated controls.

Jonathan Landes, President, Subsea at TechnipFMC, commented: "Hammerhead is our seventh greenfield project award from ExxonMobil Guyana since the first development was sanctioned in 2017. Our continued success stems from our ability to provide schedule certainty, built on our proven execution and the benefits of Subsea 2.0<sup>®</sup>. We look forward to continuing to deliver for ExxonMobil Guyana and strengthening our relationship through future opportunities."

*(1) For TechnipFMC, a "substantial" contract is between \$250 million and \$500 million.*

## **Important Information for Investors and Securityholders**

### **Forward-Looking Statement**

This release contains "forward-looking statements" as defined in Section 27A of the United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of 1934, as amended. The words "expect," "believe," "estimated," and other similar expressions are intended to identify forward-looking statements, which are generally not historical in nature. Such forward-looking statements involve significant risks, uncertainties and assumptions that could cause actual results to differ materially from our historical experience and our present expectations or projections. For information regarding known material factors that could cause actual results to differ from projected results, including our assumptions and projections regarding the expected benefits of the awarded contract, please see our risk factors set forth in our filings with the United States Securities and Exchange Commission, which include our Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. We caution you not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. We undertake no obligation to publicly update or revise any of our forward-looking statements after the date they are made, whether as a result of new information, future events or otherwise, except to the extent required by law.
