

Germaine Gibara, member of Technip's Board of Directors, passes away

April 23, 2010

It is with deep regret and sorrow that Thierry Pilenko, Chairman and Chief Executive Officer and the Board of Directors of Technip announce the death on April 21st, of Germaine Gibara, Member of the Board of Directors, Chairman of the Strategic Committee and Member of the Nominations and Remunerations Committee of Technip.

They extend their sincere condolences to her family and friends.

"Germaine joined Technip's Board in 2007 and brought to the company her strong financial expertise and understanding of strategic analysis. We will all miss her team spirit, friendship and multicultural experience" added Thierry Pilenko.

Technip is a world leader in the fields of project management, engineering and construction for the oil & gas industry, offering a comprehensive portfolio of innovative solutions and technologies.

With 23,000 employees around the world, integrated capabilities and proven expertise in underwater infrastructures (Subsea), offshore facilities (Offshore) and large processing units and plants on land (Onshore), Technip is a key contributor to the development of sustainable solutions for the energy challenges of the 21st century.

Present in 48 countries, Technip has operating centers and industrial assets (manufacturing plants, spoolbases, construction yard) on five continents, and operates its own fleet of specialized vessels for pipeline installation and subsea construction.

The Technip share is listed on Euronext Paris exchange and over the counter (OTC) in the USA.
